Metzler Elementary is a vibrant and diverse community where students are encouraged to explore their passions and reach their full potential. As an integral part of the community, we strive to provide an enriching and inclusive learning environment for all students. We believe in providing a comprehensive education that emphasizes academic excellence, as well as the development of key life skills. Our teachers are committed to helping students achieve their full potential, providing guidance, support, and feedback throughout the learning process, fostering a love of learning and intellectual curiosity. We are committed to evaluating our impact, creating a sustainable solution for professional learning, and improving the learning of our students as evidenced in our being named a Visible Learning+ School and Model PLC school. We're dedicated to providing a learning experience that's not only academically challenging but also meaningful and engaging. Our Effective Learner Traits: Set Goals, Perseveres, Is Curious, Self-Reflects, Embraces Challenge, and Collaborates, set the foundation for the work we do every day and are embedded in our everyday interactions.

## Welcome to Metzler Elementary!

I am honored to serve as the Principal of Metzler Elementary. I am proud to be a part of this vibrant community and look forward to continuing to make a positive impact on the lives of our students. I am committed to working relentlessly to continue the tradition of excellence that Metzler Elementary is known for by fostering strong relationships with students, teachers, families, and community partners. I've had the privilege of serving the Klein ISD community for 18 years at various campuses as a teacher and assistant principal. I am the wife to my amazing husband, a proud mother to three wonderful children as well as a proud "GG" to my granddaughter. I love cycling, swimming, taking long walks, cooking, refinishing furniture, and spending time with my family. I look forward to continuing in partnership with you to ensure every student enters with a promise and exits with a purpose.

## Huskies are saying...

Metzler Elementary is such a special place for our family. The teachers have been nothing short of extraordinary. Their extreme dedication, high expectations, immense knowledge, and love for students helps every student reach new limits, exceed expectations, and grow in confidence

### PARENT

I love being a part of the Metzler family. Our administration recognizes each teacher's strengths and provides us opportunities to use them in order to better our students and colleagues.

### TEACHER

I like being a Metzler Husky because we do fun activities and our teachers are awesome. I feel proud when I accomplish the goals I set and when I learn new things.

### STUDENT

## PROGRAM HIGHLIGHT

Metzler is a Visible Learning Certified school. Visible Learning provides the opportunity for students to take control of their learning and what it means to be a good learner.

Visible Learners set learning goals, are reflective and know when to seek help from peers. Teachers provide success criteria so learners understand what it means to be successful in their learning.

Students use feedback to guide their learning, and teachers encourage students to talk about what it means to be successful. Most importantly, students own their own learning.

## CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
