FFA Code of Ethics

We will conduct ourselves at all times in order to be a credit to our organization, chapter, school, and community by:

- Dressing neatly and appropriately for the occasion.
- Showing respect for the rights of others and being courteous at all times.
- Being honest and not taking unfair advantage of others.
- Respecting the property of others.
- Refraining from loud, boisterous talk, swearing and other unbecoming conduct.
- Demonstrating sportsmanship in the show ring, at career development events and meetings, and being modest in winning and generous in defeat.
- Attending meetings promptly and respecting the opinion of others in discussion.
- Taking pride in our organization, activities, supervised experience programs, exhibits and the occupation of agriculture.
- Sharing with others experiences and knowledge gained by attending national and state meetings.

In addition to these guidelines set out by our national organization, we will also meet and exceed the expectations of our local organization as outlined below.

1. Follow all school policies regardless of if we are at a local, regional, state or national event. This includes the drug and alcohol policy. **We understand that students who do not adhere to school policies are subject to being sent home at the expense of the parent.**
2. Students are expected to act appropriately at all times and respectfully.
3. We understand that we are representing our chapter, school, and community to the best of our ability.
4. Students should plan to follow any given instructions from the staff or chaperone.
5. Official dress prevents students from using foul language, wearing hats, or any other offensive behavior as deemed by supervising staff.
6. **Any discretion from these guidelines may result in immediate dismissal from the FFA activity at the family's expense.**

We have read and agree to these guidelines as explained above. We understand that a violation of this Code of Conduct may result in the student's dismissal at their own expense.
