

Project MORE

2023-2024 Partnership Form (*non-binding*)

In order for any school district or educational entity to use the title “Project MORE” in reference to their volunteer reading mentoring program, the school district or educational entity is asked to sign and submit an annual Project MORE Partnership Form. Imperative to receiving the best reading results, Project MORE will be implemented with both quality and fidelity as demonstrated in their school’s initial training provided by Project MORE staff. **Your partnership form is important to us!** By signing the partnership form, we can share with future Project MORE schools locations their staff may visit. Any future funding for Project MORE may be based on the number of schools identified as using Project MORE.
