SPRINGFIELD PUBLIC SCHOOL'S MISSION STATEMENT

Springfield Public Schools will challenge every student through meaningful and engaging experiences-empowering all students to flourish and contribute in an evolving world

Vision: Cultivating compassionate and extraordinary learners.

JAMES CALDWELL SCHOOL'S MISSION STATEMENT

The mission of the James Caldwell School is to create a safe, challenging and dynamic student-centered environment.

This learning community cultivates responsibility, cooperation, and self-motivation, while promoting a shared partnership between home & school.

Through sound educational principles, we nurture the cognitive, social, physical and emotional development of our students as they transition from childhood to pre-adolescence.

JAMES CALDWELL SCHOOL'S CORE VALUES

We embrace innovation in our commitment to excellence.

We relentlessly pursue instructional strategies that allow our students to become effective problem finders and problem solvers.

We foster perseverance in our students' efforts to overcome challenges.

We celebrate uniqueness in our learning community and demonstrate an understanding that mutual respect among our members fosters collaboration.

We model the joy that comes from teaching and learning, and invite our students to enjoy their own educational journey.

PARENTS AND STUDENTS

The information in this booklet will help you to become better acquainted with your schools. It is our goal to strengthen the strong partnership between our families at home and the schools that are entrusted with your child's education.

We hope that you will read this material carefully and have it available so that you will be able to refer to it periodically. This is a living document that may be updated periodically.

GENERAL INFORMATION

STUDENT ARRIVAL AND DISMISSAL:

When you drive your child to school, please follow these guidelines:

DO NOT BLOCK THE SCHOOL DRIVEWAYS!

- Please abide by all traffic laws and established traffic procedures at James Caldwell School.
- Do not block any driveways accessing the school.
- Families are prohibited from dropping off or picking up directly in front of Caldwell School. This area is reserved for bus drop-off.
- Families are prohibited from using the faculty lot for drop-off, pick-up, or to make a U-turn.

ARRIVAL:

The school day begins at 8:40 am. Student drop-off in the morning begins once a staff member is present at 8:30am for supervision and check in. Please do not drop off your children before 8:30 am unless you are able to stay with them until supervision arrives. Students who arrive late must report to the office with a parent to sign the student in prior to going to their classroom.

DISMISSAL:

Students are dismissed at 3:00 pm. Parents/guardians picking up by foot need to wait until the teacher is ready to release the children to you. Please inform the teacher you are taking your child before leaving the area. Parents/guardians need to communicate special dismissal arrangements in writing to each child's classroom teacher and the main office so they can plan accordingly for the afternoon.

PARKING:

Parking is limited at James Caldwell School. Please do not use the handicap or reserved parking spaces. Do not use the faculty lot to turn around. If you need to park, please park on the street. Parking is prohibited in the driveways, the yellow curb in front of the school, and in the faculty lot. Additionally, if you are parking on a side street, please do not block any driveways.

SIGNED NOTES FOR ANY CHANGE IN YOUR CHILD'S REGULAR DISMISSAL PROCEDURE :

Whenever possible, please keep the same dismissal procedure for your children each day. We understand that there are times when it is necessary to make a change. Any change in a child's regular dismissal procedures (including bus) must be communicated to the teacher and main office with a signed note in the morning. Including:

- If someone else is to pick-up your child
- If you plan to pick-up your child earlier than regular dismissal
- If you need to pick-up your child instead of having him/her take the bus
- If you plan to pick-up your child rather than going to the Aftercare Program

We cannot accommodate last minute phone calls to the office regarding changes in dismissal. Please make necessary arrangements in advance. This is to help ensure your child's safety and create less confusion for all parties involved. Please do not leave a message regarding dismissal on a teacher's voicemail or email as there are times when a teacher may be absent and the message is not retrieved until the teacher returns on the next day.

INCLEMENT WEATHER DISMISSAL:

Since the majority of the dismissals will be outside, please be sure your children are dressed appropriately for the weather (especially on cold, rainy and/or snowy days); jackets and coats with hoods are highly recommended. Umbrellas can be cumbersome and unsafe in crowded hallways at dismissal time. On a rainy day, parents/guardians of walkers must wait outside the designated areas. Parents are not to enter the building to retrieve their child(ren).

There is no idling on school grounds. Please turn off your engines while waiting for your child.

PEDESTRIAN REMINDERS:

Please practice safe walking habits. Use the sidewalk around the school. Use the various crosswalks on school property. Do not jay-walk.

PROCEDURES WHEN YOUR CHILD(REN) WILL BE ABSENT/LATE

The Health Department of the Springfield Public Schools wishes to continue in its effort to maintain the health and safety of its students. In this regard, we have initiated a program called "Call for Safety." A voicemail extension has been designated specifically for this purpose.

Please call **973-376-1025**, then press **9-4039** to reach the "Call for Safety" voicemail extension. The school nurse can be reached directly between the hours of 8:30 a.m. and 3:30 p.m. at **376-1025**, press **9-4503**.

When calling to report an absence or late arrival, please indicate the following information:

1. Child's name
2. Child's grade and teacher
3. Reason for absence
4. Duration of absence, if known

(Daily calls are not necessary if the school has been informed of the number of days of an extended absence.)

PICKING UP YOUR CHILD(REN) FOR EARLY DISMISSALS / APPOINTMENTS

Our instructional day is scheduled to provide the maximum amount of contact time a student has with their teacher to address the developmentally appropriate rigor to address the Student Learning Standards. Pulling students out of their classrooms for non-school related activities impacts the pace in which students master those standards.

We understand the difficulty in scheduling medical and / or dental appointments. In an effort to minimize the impact to your child(ren)'s instruction, we kindly ask you to do your best to schedule appointments before or after school hours, holidays, and school breaks. With that said, we ask that when your child needs to leave school early for an appointment, send a note to school no later than that morning with the following information:

- Name of child
- Grade level and homeroom teacher's name
- Name of the adult who will be picking up the child from school
- Time the child will be picked up
- Reason for leaving early
- If the child will be returning to school the same day (this is to let us know whether or not to send homework with the child).

When you pick your child up during school hours, please follow these guidelines:

- Park in a visitor's spot or on the street.
- Ring the buzzer and announce your name, your child's name and purpose.
- Be prepared to show photo identification.
- A staff member will bring your child to you.

If someone other than a parent/legal guardian will need to pick up your student, please follow these guidelines:

- If someone other than the legal guardian is signing your child out, you must notify the office in advance or we cannot release your child until we have contacted the guardian to confirm. Please send a note to your child's teacher/ main office stating the time your child will be picked up.
- Please include the name of the person picking up your child.
- Photo ID is required at time of pickup and must match the name provided on the notification letter to the school.

PROCEDURES FOR EMERGENCY SCHOOL CLOSINGS, DELAYED OPENINGS, AND UNPLANNED EARLY DISMISSAL

Announcements will be made at:

News 12 New Jersey

Delayed Opening is 10:40 am. start:

The **unplanned delayed opening** schedule is as follows. Based upon this delayed opening information, all a.m. bus pickup times will be adjusted by 2 hours. Example – A stop for 8:00 am will be adjusted to 10:00 am.

Early Dismissal is 12:50 pm (unplanned):

On days when it is advisable to dismiss children prior to regular dismissal times, the following procedures will be implemented:

- Students will be supervised by school staff until parents pick up the children or alternate arrangements are made and communicated to school personnel by the parents.
- Students will only be released to parents/guardians or designated individuals as identified on the emergency information cards.
- Students who normally take the bus home on early dismissal days will do so unless the school is otherwise notified.
- Radio and television stations will be contacted, the district voicemail (973) 376-1025 (press 8) will be activated and a message will be on the district website announcing the emergency closing information.
- In the event an early dismissal is determined by mid-morning, we will serve lunch before the early dismissal.
- All school days less than 4 hours will be made up and added to the school calendar.

SCHOOL VISITATION POLICY

The **Entry Door Access Protocol** was established in collaboration with the New Jersey Department of Homeland Security

Please note the following:

- No visitors are to enter the building with students during arrival. **All visitors to our schools will need to have an appointment to enter the building.** (If you require assistance, an appointment must be made after the start of the school day.)
- Upon arrival, it is expected that all visitors will state the purpose of their visit and/or specify with whom they have the appointment.
- All visitors are required to show photo identification prior to being buzzed into the building.
- If the appointment is verified, the visitor will be buzzed in and must present themselves to the main office immediately upon entry.
- **Visitors will be required to show photo identification again,** and sign in to obtain a visitor's lanyard and badge that must be worn for the duration of the visit. Visitors will be required to submit their keys and /or photo ID in exchange for the visitor's lanyard pass.
- **It is imperative that visitors do not hold the door open for others behind them. Each visitor must be acknowledged individually through the buzzer system.**

ADDITIONAL STUDENT INFORMATION

School Lunch Program:

Meals served in the cafeteria are part of the National School Lunch Program (NSLP). The meal patterns required by the NSLP regulations are designed so that over a period of time, school lunches will provide children with approximately one-third of the nutrients they need.

Free / Reduced Lunch:

The application for free or reduced-price meals is available to all students at the beginning of the school year. A new application must be completed and returned to the office each school year. Following review of each application, parents/guardians are notified of the child's eligibility for either free or reduced-price meals. Any student who was eligible for free or reduced-price lunch benefits at the end of a school year will begin the next school year at the same level. Parents/guardians must complete a new application for the current school year as soon as possible. Carry-over benefits will expire 30 calendar days from the first day of school. In the operation of the child nutrition programs, no child will be discriminated against because of race, sex, color, national origin, or handicap.

Please visit our Food Services tab on our district website:

<https://www.springfieldschools.com/4/Content2/142>

The Food Services page of our District web site contains additional information concerning the operations of the food service department. Such items include monthly menus, ala carte items, lunch prices, nutritional information, and much more.

School Pictures:

Each year school pictures are taken of all students. Parents are given the option of purchasing different picture packets prepared by the photographer. Information about the picture options will be sent home with students prior to picture day.

Field Trips & Student Programs /Assemblies:

In conjunction with the regular instructional program, your child's teacher may find it beneficial to plan a trip for the entire class during the regular school day. In such cases, information will be sent home explaining details of the activity. Several student programs/assemblies will be scheduled during the school year.

Home Instruction:

When a child is expected to be out of school for a prolonged period of time due to certain illnesses or immobility, parents may apply for home instruction. This application must take the form of a letter from the child's doctor, stating the nature of the illness and its probable duration, and verifying the fact that the child will not be endangered by receiving such instruction. This request will be processed through the school Principal, the Office of the Superintendent, and approved by the Board of Education. There is no charge.

Custody of Children:

The school district presumes that custody of children is with both parents unless there is evidence to the contrary. This evidence must be a written order from a court, which has jurisdiction in the Springfield Public School District. A copy of this court order must be given to the building Principal in order for it to be enforced. Parents are required to update this information as it changes and provide copies of legal documentation to the building Principal. In accordance with the law, non-custodial parents may have the same access to educational records as the parents with custody.

Testing / Evaluation:

In compliance with State and Federal Law, notice is hereby given by the Springfield Public School District that it conducts ongoing identification activities as a part of its school program for the purpose of identifying students who may be in need of special education and related services. If your child is identified by the district as possibly in need of such services, you will be notified of applicable procedures.

If you believe that your child may be in need of early intervention, screening and evaluation processes designed to assess the needs of the child and his/her eligibility, these services are available to you at no cost, upon written request. Requests for evaluation are to be made in writing to the Director of Student Support Services.

For further information on the rights of parents and children, provision of services, evaluation and screening (including purpose, time and location), you may contact, in writing, the Director of Student Support Services.

Confidentiality: All information gathered about your child is subject to the confidentiality provisions contained in Federal and State Law. The district has policies and procedures in effect governing the collection, maintenance, destruction and disclosure to third parties and procedures, as well as rights of confidentiality and access to educational records. You may contact, in writing, the Director of Student Support Services.

Contacting Your Child's Teacher:

A convenient way to reach your child's teacher is by email. Teachers check their emails daily. Staff email addresses can be found on our website at <https://www.springfieldschools.com/4/Content2/392> and most times are the teacher's first initial, last name followed by @springfieldschools.com. You can also call the main office and leave a message for the teacher. In order to maintain our focus on instruction and learning, no outside calls are to go into the classrooms during the 8:30-3:30 timeframe.

Health Services:

The school nurse is the health counselor in each building. The nurse helps with medical examinations and counsels with parents in the prevention and correction of physical defects. The nurse watches for signs of communicable diseases and illnesses that may occur during the school day. The school nurse never makes a diagnosis and never prescribes treatment, but guides the parents toward community resources available for proper medical attention. No care beyond first aid, defined as immediate, temporary care given in case of an accident or sudden illness, will be given by the school nurse.

Parent's Role in Health Partnership: We encourage parents to assist us in the health of their child(ren) and the other students. In the case of illness, if a student has the following symptoms, he/she should NOT report to school:

1. Elevated temperature (remain at home twenty-four (24) hours after temperature is below 100 degrees).
2. Vomiting, diarrhea.
3. Sore throat
4. Sore eyes (redness in color, watery, yellow drainage, itchy with sensitivity to light).
5. Toothache, earache, headache.
6. Skin rash or skin lesion, which has the appearance of impetigo or ringworm.

If illness or injury warrants, the nurse or office personnel will contact parents to arrange transportation home. If a parent/guardian cannot be contacted, the student may be sent to the home in care of an Emergency Contact person authorized by the parent/guardian to function in such an emergency. Parents must supply Emergency Contact information

to the main office. No student will be released to anyone not on the official Emergency Contact list, no exceptions. Also, no student will be sent home by himself/herself.

It is the parent's responsibility to contact the school nurse concerning any special problem of which the school staff should be aware. For example, diagnosis by a physician of severe allergies, chicken pox, diabetes, or seizure disorder; or sustained injury or hospitalization.

The Springfield Public School District realizes the danger nut products pose to students with severe allergies. The following guidelines will be followed to lessen student exposure to these substances and to improve staff responses if a student demonstrates the symptoms of a severe allergic reaction.

- A. No items, which contain obvious peanut or nut products, will be served in the Elementary School cafeterias.
- B. Each building will be responsible for the identification of staff that work with a student who has a severe food (nut, dairy, or egg) allergy, including teacher aides, cafeteria personnel, and bus drivers. The school nurse(s) assigned to that building will be responsible for providing in-service programs to the identified staff on how to react in case a student demonstrates the symptoms of a severe allergic reaction. This could include the use of an EPI-pen or other medications for use in an emergency.
- C. Parents of children with severe allergies should contact the building Principal immediately.

Students who are so ill they require medication throughout the day should remain at home under parental care. Only in exceptional cases, should the nurse or other authorized personnel be asked to administer prescribed medication. No medications are to be administered in school by the nurse or others except by direct order of a physician (according to the New Jersey Department of Health). We realize, however, that students sometimes require regular on-going medication as part of their daily routine. When medication must be taken during school hours (hyper-kinetic, diabetic, epileptic) the school will follow this procedure:

1. Arrangements will be made through the school nurse.
2. A special consent form will be completed by parents, with instructions or directions stating the type of medication, dosage, and time schedule.
3. Written authorization by a family physician is REQUIRED.
4. All medication MUST be received in a prescription original container and be marked with the student's name, dosage, time, and type of medication and MUST be kept in the health office. Ask the pharmacist/doctor for a duplicate prescription or container. The school nurse and/or designee will not administer, or dispense aspirin or aspirin products to students.
5. All medications must be brought to the nurse's office by parent(s)/guardian(s).

Required Health Services:

Immunization Requirements. See BOE policy **5320- IMMUNIZATION**

<p>PROVISIONAL ADMISSION: Provisional admission allows a child to enter/attend school but must have a minimum of one dose of each of the required vaccines. Pupils must be actively in the process of completing the series. If a pupil is less than 5 years of age, they have 17 months to complete the immunization requirements. If a pupil is 5 years of age and older, they have 12 months to complete the immunization requirements.</p>
<p>GRACE PERIODS:</p> <ul style="list-style-type: none"> • 4-day grace period: All vaccines doses administered less than or equal to four days before either the specified minimum age or dose spacing interval shall be counted as valid and shall not require revaccination in order to enter or remain in a school, pre-school or child care facility. • 30-day grace period: Those children transferring into a New Jersey school, pre-school, or child care center from out of State/out of country may be allowed a 30-day grace period in order to obtain past immunization documentation before provisional status shall begin.

COMMUNICABLE ILLNESS INFORMATION

The school district may utilize a daily, weekly, and/or monthly screening protocol for students and employees upon arrival to a school building or work location for communicable illness symptoms and a history of exposure. If needed, the District may also reinstate the Online Daily Health Screening.

Parents/guardians will be asked to acknowledge responsibility to monitor their student's health for symptoms of communicable illness (i.e. Influenza, Streptococcus, Etc.) on a daily basis before reporting to school, and report any symptoms to the school nurse, and follow any protocols based on guidance from state and local health officials.

Signs and symptoms of communicable illness include: fever (<100.4 F) or chills; cough; shortness of breath or difficulty breathing; fatigue; muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; diarrhea.

Facemasks will be optional for students and staff unless directed otherwise by local, state or federal agencies.

Students testing positive for a communicable illness will be required to follow recommendations made by the child's doctor and in accordance with state and federal laws and regulations.

STUDENT PROGRESS

Belief Statements For Grading:

- The purpose of grading is to define and communicate student achievement effectively to various audiences.
- Grading of student achievement should be based on the demonstration of what students know and can do with respect to established criteria.
- Grading should be based upon varying methods of assessment.
- Weighting of various components, which make up a grade, needs to have relative consistency Pre-K-12.
- Grading in the same grade level, department, or course should be based upon assessments, which are similarly designed and weighted.

Grading System:

Report cards serve the purpose of informing parents and students of each child's progress in school. Springfield School District utilizes standards-based report cards. See District Policy 2624 - GRADING SYSTEM

- A standards-based report card lists the most important skills students should learn in each subject at a particular grade level.
- The marks on a standards-based report card are different from traditional letter grades. Traditional letter grades are often calculated by combining how well a student met his/her particular teacher's expectations, how he/she performed on assignments, tests, and how much effort the teacher believes they put in. Letter grades do not inform parents which skills their child has mastered or whether they are working at grade level.
- Standards-based report cards provide more consistency between teachers than traditional report cards, because all students are evaluated on the same grade-appropriate skills. It is clearly defined for parents which skills and knowledge their children have acquired.
- With NJSLA assessments, a standards-based report card provides students with specific information about how they are progressing and pinpoint where they need to improve. This report card influences the way teachers assess student learning throughout the year. A standards-based report card provides teachers and students the opportunity to discuss and clearly describe what student work that meets the standards looks like. It allows districts to confirm and assess all students are being exposed to the same curriculum and learning the skills they should learn in each grade.
- The report card clearly defines the standards to parents. Parents know exactly what their child should be able to do. The report card is based directly on the standards, although not every standard is listed on the report card. Parents are directed to view standards in each strand on the New Jersey Department of Education website along with the report card.

INDICATORS:

- Indicates a student has advanced understanding and exceeds grade level expectations. It demonstrates academically superior skills in that specific area.
- Indicates a student has proficient understanding of grade level expectations and is on track with high academic expectations.
- Indicates a student has basic understanding of concepts and skills. This student is progressing towards meeting grade level expectations.
- Indicates a student has minimal understanding and does not meet grade level expectations. Their performance is inconsistent and requires additional guidance and support.

Report Cards / Parent Conferences

Student report cards are available four times a school year. Formal parent/teacher conferences are scheduled at the end of the first and second marking periods. Additional parent conferences can be scheduled throughout the school year at either a parent/guardian or the teacher's request. Please feel free to contact the school if you have any questions about your child's progress.

STUDENT DISCIPLINE /CODE OF CONDUCT

The Student Code of Conduct, District policy 5600 - STUDENT DISCIPLINE / CODE OF CONDUCT.

The JC Student Code of Conduct was developed with the ideals that contribute to the maintenance of a safe and secure learning environment for all members of our school community. Our expectation is that all students will act and behave appropriately not only when following their regular daily schedule, but also during any special activities that may take place. The JC Code of Conduct is designed as a basic agreement between members of the school community to act in a fair manner towards one another. It identifies student rights and responsibilities as well as consequences for misbehavior. In addition, the parent section is designed to serve as a framework for an effective home-school partnership with parents.

The Code of Conduct provides expectations and guidelines for students to work successfully within the school community and communicates the importance of coming to class with a readiness to learn.

Student Responsibilities

Respect the rights of others: Use good manners and be courteous, wait to take turns, and raise your hand. Stop what you are doing, listen and follow directions from the lunch aide or teacher. Settle differences in a positive manner or ask for help when needed.

Use appropriate behavior: Appropriate behavior is the behavior that one would expect at a particular place. What kind of behavior would we expect in the lunchroom or on the playground? What kind of behavior would we expect during an assembly? What kind of behavior would we expect in a classroom? What kind of behavior would we expect during a fire drill? What kind of behavior would we expect during announcements?

Display good sportsmanship: A student who displays good sportsmanship plays fairly, follows the rules of the game, and treats opponents with respect. A student who displays good sportsmanship knows how to be a winner without making fun of those who lose. A good sport cheers teammates with positive statements and applauds good plays even if completed by opponents. Good sportsmanship is an attitude that can have a positive influence on everyone.

Walk at all times and stay to the right: What is the appropriate behavior for walking in the hallways? When walking in the hallways, walk quietly and in a straight line. Always walk to the right in the hallways. Walk to cross streets and cross only at the crosswalks, follow directions of the crossing guard. Walking while inside school is a good way to make sure no one gets hurt.

Come to school Ready to Learn: How does a student who comes to class Ready to Learn act while in school? They raise their hand and listen attentively when the teacher is asking questions. They are active learners and help create a positive learning environment. Their actions help other students learn while in class. They come to class prepared by having completed their homework, studying for lessons, and bringing the materials they need. Students who are Ready to Learn always try to do their best.

Be on time when coming to school: When you are on time you have all your things packed and ready to go to school. Being on time also means you have enough time to line up before school starts and are ready when your class walks to your room.

Consequences of Misbehavior

Each teacher will establish and enforce the Code of Conduct in addition to their classroom rules and disciplinary procedures for their individual classroom. The staff can informally handle most minor infractions. More serious or repeated infractions may necessitate a conference with the parent. Each infraction will be handled on an individual basis since some incidents are more serious than others.

The following consequences, appropriate to the action and the student's age, may be expected:

1. The child will be warned and the problem discussed on the first infraction.
2. On the second infraction, the student will meet in conference with the teacher, aide, or principal. The student may receive detention or have special privileges revoked for a period of time.
3. On the third infraction, or as deemed necessary, the parent will be notified to discuss a plan of action. This action may include:
 - Student may receive detention
 - Student may not be allowed to participate in a school activity
 - Student may be removed from the lunch program for a specific time period
 - Parent may be requested to observe their child during the school day
 - Parent may be requested to take their child home for lunch or provide transportation (bus students) for a specific time period

* The following behaviors will be considered unacceptable and warrant immediate staff and/or administrative intervention: profanity, swearing, shoving, pushing, throwing, spitting, or other forms of rowdiness. Bullying, harassment, physical or verbal attacks against fellow students or staff will not be tolerated.

RECESS

Due to safety concerns & the need for accountability of children, only students enrolled in the Springfield Public School District are to be on the playground during the school day.

Outdoor recess will be held unless weather conditions are too severe. If the temperature or wind chill is below 30 ° Fahrenheit the children will stay in for recess. Otherwise, all students will go outside unless the student brings in a doctor's excuse. Please be sure your child dresses appropriately for the colder weather. We ask that you label coats, hats, and gloves. The P.E. teacher, School Nurse, Teacher Assistants on recess duty and Principal will consult and determine if conditions warrant cancellation of outdoor recess.

STUDENT DRESS CODE

STUDENT ATTIRE:

The following requirements concerning children's dress will apply to all elementary students in the Springfield Public School District.

Students will dress appropriately in a manner that is not distracting to other students or staff, and in a manner that does not endanger the health, safety, and/or welfare of students. The use of make-up and perfume is discouraged at the elementary level.

Examples of unacceptable clothing may include, but are not limited to the following:

1. Halter-type blouses that leave a bare midriff; shirts that bare the midriff
2. See-through blouses, fishnet shirts.
3. Excessively short skirts or shorts
4. Excessively loose and/or baggy pants or shorts that reveal undergarments
5. Hats are not to be worn inside the building.
6. Beach flip-flops and "heelies" are not permitted.
7. Clothes with or that convey inappropriate written messages
 - o Promote or advertise the use of alcohol, drugs, or tobacco
 - o Have abusive sayings, profanity or foul language
 - o Convey inappropriate messages.

Clothes should be appropriate for the occasion, and should be clean, neat and safe.

In cold inclement weather, provisions should be made so that children are not only outfitted in the proper type of outer clothing, but also the proper articles for in school wear. Boots, heavy slacks, and other types of outer clothing should not be worn indoors during the school day. Classroom temperatures are regulated for indoor types of dress.

Parents are encouraged to supply children with sneakers for physical education class. Children are encouraged to wear some form of clothing on physical education days that is appropriate for these activity periods. Students may not participate in physical education classes if they are inappropriately dressed.

HARASSMENT, INTIMIDATION & BULLYING

Harassment, Intimidation, Bullying Definition from NJSA: 18A:37-14:

"Harassment, intimidation or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on school property, at any school-sponsored function, on a school bus, or off school grounds as provided for in section 16 of P.L.2010, c.122 (C.18A:37-15.3), that substantially disrupts or

interferes with the orderly operation of the school or the rights of other students and that:

- a. a reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his person or damage to his property;
- b. has the effect of insulting or demeaning any student or group of students; or
- c. creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Harassment, Intimidation and Bullying will not be tolerated within our school community. The Springfield Board of Education is committed to providing a safe, positive learning environment for District students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by District students. Bullying/Cyber Bullying will be handled in accordance with Board Policy 512- HARASSMENT, INTIMIDATION, AND BULLYING

TRANSPORTATION

The Springfield Board of Education shall provide transportation for students within the parameters prescribed by the School Laws of New Jersey. The scope of this service includes the provision of a safe, consistent, and predictable operation of bus transportation. It is the Board's intent to primarily authorize the transportation of students from their home (at stops reasonably and practically positioned in relation to other homes, physical landforms, and efficient routes) to school and returned. The Board of Education directs the Business Administrator to develop bus routes to provide safe, economical and reasonably expeditious transportation for:

- Pupils who live remote from the school as defined by New Jersey Law
- Pupils whose route to the school is deemed hazardous by the Board
- Educationally handicapped pupils
- Pupils participating in Board approved extracurricular activities or field trips
- Pupils who may qualify for Subscription Courtesy Busing (fee basis) if seats are available.

The criteria to be used in designating routes and assigning pupils to them shall include:

- The distance to be traveled to and from school
- The hazards involved on the route to be traveled
- The age and state of health of the child
- The requirements of the instruction program.

Transportation to and from school shall be provided as required by law to eligible nonpublic school pupils. All pupils riding on district buses shall be required to observe the district's bus conduct regulation or risk loss of the privilege of such transportation.

In the interests of student safety and parent convenience, the Board of Education has established the following criteria for Subscription Courtesy Busing eligibility:

- Age of children to be transported
- Distance from school and traffic patterns
- Hardship.
-

Subscription Courtesy Busing will be available according to the established criteria and/or a lottery system for available seats. The Board will set an annual fee for this service and a special adjustment in those fees will be granted for individuals whose children qualify for free and reduced meal prices. Buses, whether contracted or district-owned, shall be kept in optimum condition and shall conform to all state safety regulations.

SCHOOL BUS BEHAVIOR GUIDELINES:

- Pupils who live remote from the school as defined by New Jersey Law.
- All students are to sit in assigned seats that are designated by the driver.
- All riders should use seat belts. If a seat belt is broken, the student should notify the driver and request a change in seating. Belts are inspected and repaired twice per week.
- All students are to remain seated at all times when the bus is in motion.

- Students in the front seats should not speak to the driver while the bus is in motion and should not distract the driver.
- Students should not open or close windows and should keep hands and limbs inside the school bus. The driver will assist students for safety reasons in lowering or raising the windows.
- Students should not board the bus unless a driver is seated in the driver's seat.
- Students should not block the aisle with packages and large band instruments. These items should be placed under the seats. If assistance is needed, the driver will give appropriate direction.
- Students will be "dropped off" only at the students' designated bus stops or at school.
- Students will only be permitted on buses to which they are regularly assigned. If emergencies or special situations exist and if seating is available, exceptions to this rule may be approved by the building principal.

DISCIPLINE:

All discipline problems will be handled by the school principal or his/her designee. Upon receipt of a complaint, the principal will take the following action:

- First Offense:** The student will receive a verbal warning and the parents will be sent a copy of the "Bus Discipline" form.
- Second Offense:** The student will be removed from the bus for three days.
- Third Offense:** The student will be removed from the bus for one week.

Further offenses will be handled according to the progressive discipline procedures of the district. Bus stop behavior problems should also be reported to the school principal for appropriate action.

GENERAL PROCEDURES:

Since safety is such a major concern of the school, all must cooperate to build proper bus riding habits. Some ground rules for developing and promoting safety habits are listed below.

- A. It is suggested that you be at the bus stop five (5) minutes before the scheduled departure as the driver must maintain a schedule and cannot wait for you. If there is inclement weather, you may return home if the bus has not arrived within fifteen (15) minutes after its scheduled departure. If the temperature is above freezing and there is no precipitation, you should wait forty-five (45) minutes.
- B. Get on and off your assigned bus at your designated bus stop. Due to space limitations and assigned bus routes, written requests for students to go home with a friend on another bus are not granted.
- C. A driver will not knowingly permit any child to get off the bus at a different stop.
- D. When your bus approaches, wait until it comes to a complete stop. Then, form a single line and board courteously, one pupil at a time.
- E. Once inside the bus, take your seat as soon as possible, stay seated and make yourself comfortable. The driver will give you permission to open and close your window as deemed necessary. When windows are open for ventilation do not hang your hands or head out of the windows. Trash must not be thrown out of the windows.
- F. Seating arrangements are the responsibility of the bus driver. For the safe operation of the bus, it is essential that there be no boisterous talking, or other distracting behavior.
- G. In case of a road emergency, stay seated. Protect yourself and others by obeying the bus driver at all times. When approaching a railroad crossing lower your conversation.
- H. When leaving the bus, cross at least ten (10) feet in front of it. Before walking out from in the front of the bus, look both ways to be certain no traffic is approaching.
- I. Treat the bus as your own. Respect your fellow students and drivers. Abuse of the necessary guidelines and rules may cause the loss of riding privileges.

EMERGENCY PROCEDURES:

Each day the Springfield Public School District transports many pupils to multiple bus stops within the Springfield community. Such things as inclement weather, delays, breakdowns do occur, and the fact that children sometimes tend to do the unexpected, it is quite possible that there will come a day when your child will not arrive home on time.

Should this happen, we are eager to help you find your child as soon as possible. Listed below are some suggestions, which should help both of us. It is also important to work out an emergency plan in case your child is dismissed early without your knowledge, or if you are unexpectedly delayed. The plan should include what the child should do or where he/she could go until you arrive home. Discuss the plan periodically so your child is always prepared for emergencies.

BE PREPARED:

- A. Know your child's bus number and usual arrival time after school.
- B. Know the names and phone numbers of a few children who get off at the same stop or nearby stops.

- C. See that your child knows his telephone number and possibly that of the person designated to be contacted in case you cannot be reached.

IF:

- A. If your child has not arrived home on time, first check with your neighbors to determine whether the bus is running late.
- B. If the entire bus is late, particularly in bad weather, wait about twenty minutes. If it has still not arrived, call your child's school office (JCS 973-376-1025; ext.: 4499). Transportation Office 973-376-1025 or the Central Office 610-298-8661. When we are aware of delays, someone is available to help and to furnish information until the delayed bus has finished its run.

IF THE BUS IS LATE:

- A. If you have determined that the bus has gone by and your child did not arrive home, first contact a few neighbors whose children also ride the bus to see if your child got off at the bus stop or whether your child was even on the bus. If your child was not on the bus, or somehow got off at the wrong stop, call your child's school office. If you are unable to get an answer, call the Transportation Office.
- B. If your child has missed the bus, the school will contact you immediately.

HOW PARENTS CAN HELP . . .

The home and the school must work together to ensure the best educational program for each child. There are many ways in which parents can help. Here are a few suggestions:

1. Take an active interest in school affairs; volunteer in the school, serve on district committees, and/or join the Parent Teacher Association
2. Establish and maintain a healthy schedule at home: plenty of rest, adequate diet, and free time for leisure activities. In addition, encourage good health habits.
3. Talk positively about the educational program, the teachers, and other school personnel.
4. Show confidence in your child and his / her ability to make small decisions for him or herself. Build a sense of responsibility through ever-widening experiences such as regular household chores, running errands, etc.
5. Provide stimulating reading materials at home such as children's magazines, encyclopedias, and non-fiction and fiction books written on your child's reading level.
6. Acquaint your child with the wonders of nature and the world. Plan and participate in trips to nearby places of interest: a zoo, animal farms, museums, historic spots; encourage hobbies and collections.
7. Help your child feel a sense of security. Avoid friction and other emotional tensions in the home.
8. Refrain from pressuring your child about grades, not having enough homework, or other children doing better in school. Remember that your child is a unique person-- with his/her own innate qualities and abilities.
9. Contact the school if it is learned that, because of a lengthy illness, your child will be absent from school for a long period of time.

We hope this handbook has provided you with a better understanding of the policies, procedures, and guidelines that help us maintain a healthy and safe learning environment. We understand that there is a lot of material covered, and encourage you

to refer to this as many times as needed. Please remember to call your building Principal should you need any clarification on any of the material covered in this handbook.

We look forward to guiding your child(ren) to developing the necessary academic and social-emotional learning skills that will help them become life-long learners.
