Winterim 2025 Information

WHAT IS WINTERIM?

Through Winterim offerings, students and staff embark on unique experiences to expand learning outside the classroom and achieve the following goals:

- **Love God:** Focus on spiritual growth in the context of student and faculty relationships
- **Pursue Excellence:** Encounter opportunities that develop problem solving skills, promote independence and build life skills in new settings and activities
- **Walk Humbly:** Discover the unique heritage, beliefs and experiences of another cultural context
- **Show Kindness:** Dedicate time and energy to serve a community as an act of personal sacrifice or worship through relationship
- **Seek Truth:** Explore unique sites, museums or landmarks to examine God's sovereignty over creation

REGISTRATION

Registration for all Winterim trips and experiences will open on July 26, 2024. Families may submit their registration and deposit until **Aug. 22, 2024**. [Click here](#) to view the Winterim slides presentation.

- Priority assignment will be given according to the highest grade level available, first-time attendees, curriculum connections, accuracy of registration information and demonstrated readiness.
- Time of registration is the lowest priority factor.
- Final trip size and offerings will be determined according to registrations.
- Registration will close at midnight on Aug. 22, 2024.
- Winterim registrations will be confirmed via email by Aug. 29, 2024.
- Financial Contracts and Liability Release Forms will be due on Sept. 15, 2024. Submitting these forms before the deadline secures a student's spot on a Winterim roster.

SCHEDULE

Winterim is scheduled Feb. 24-28, 2025. Experiences taking place on or near campus are scheduled from 8 a.m. to 3 p.m. Please note a teacher may give specific start and end times for an experience to accommodate a unique itinerary. Off-campus and overnight trips may extend into a sixth day.

COSTS

Winterim experiences vary in cost. The advertised cost is subject to change depending on the number of registered students and necessary adjustments nearer to the time of booking. All costs include student activities, tickets or entrance fees and local transportation. Costs for overnight trips also include most student meals, accommodations and air or bus fare. Students may need to purchase supplies prior to Winterim and bring additional money for souvenirs, spending money, some meals and tipping.

CREDITS

Every upper school student is required to participate in a Winterim activity and in doing so will earn .25 credit (per year) toward the total 1.0 graduation requirement. Winterim grades will be earned on a pass/fail basis and will not be calculated in the student's overall GPA. In the event that a student does not earn a .25 Winterim credit during any given year, the student will need to make arrangements with administration to make up the credit. The title **Winterim** with a grade of pass and a **.25** credit will appear on the report card each year. Specific experience offered to a student through Winterim may provide material for discussion in a college application essay. **Please note:** Attending Winterim each year a student is enrolled in the upper school fulfills a graduation requirement. This experience does not count toward additional requirements for conservatory or service hours.

ATTENDANCE

Consistent attendance is critical. Absence of more than one day may result in the student being required to make up the hours with an independent service project. Arrangements will be made with administration. Each absence will be considered on an individual basis and must be approved by the principal.

CUBA WITH SAMARITAN'S FEET

Leaders: Ms. Jessica Simmons and Mrs. Anna Gatlin

Requirements: Grades 10-12; coed

Students will go on an unforgettable journey to vibrant Cuba with Samaritan's Feet! Experience the beauty and culture of Havana while serving alongside local communities in Remedios, one of the oldest settlements on the island with a rich colonial history dating back to 1513. Our mission is to address the critical need for footwear among students in the area. Purchasing a pair of shoes could cost more than a month's salary for parents, and many children often wear shoes that are two or three sizes too small or too big, with makeshift soles made of cardboard or no bottom at all. In collaboration with local churches, we will be placing new shoes on the feet of these young people, following the footsteps of Jesus by first washing their feet (as illustrated in John 13) and offering prayers of blessing. Our days will be filled with meaningful service projects in schools and deaf communities, where we'll provide shoes, encouragement, and prayers, making a tangible difference in the lives of those we meet. When we are not serving, we will immerse ourselves in the historic town of Remedios, renowned for its picturesque colonial architecture and cultural festivals. From exploring its charming streets to learning about its role in Cuban history, this service-learning trip offers a chance to deepen your understanding of Cuban heritage and history, fostering humility, empathy, and appreciation for diverse cultural experiences. Join us as we embark on this transformative journey. Cost is all-inclusive and covers all transportation, meals, accommodations, excursions, shoes, supplies, etc.
