## Many options for home-to-school communication

The district relies on electronic and written tools to communicate with parents during the year. SchoolMessenger is an automated phone system used to notify parents when students have unexcused absences, to report weather-related closings, reminders about school events and deadlines, and transportation changes. Parents have the option to create free SchoolMessenger accounts, which allow them to designate work or home telephone numbers, cell phone numbers, and email accounts for receiving these messages. Parents can also text “Y” to 67587 to receive messages by text. The district relies on the website, [www.usd253.org](http://www.usd253.org), as a primary information resource for parents, students, staff members, and the general community. The online events calendar reflects changes made after this calendar is

published. PowerSchool parent accounts allows parents to use the web and mobile devices to stay connected with your students’ lunch account, attendance, and academic progress. Online payments can be made directly into students’ meal accounts using RevTrak.

A variety of information can be found online:

- Board agendas, board meeting summaries & minutes
- Breakfast & lunch menus
- Employment opportunities
- Links to individual schools & athletic schedules
- School start & dismissal times

For information, call Community Relations, 620-341-2200.
