

# Teacher Student Success Act TSSA Budget only

Wasatch Elementary - SY 2024

Principal Chad Sanders

## PURPOSE

### District Vision

Davis School District provides an environment where growth and learning flourish.

### District Mission

Educators, parents, and community members work together to create a successful educational experience for each student.

### School Purpose

The purpose of Wasatch Elementary is to promote the mission of learning first for all. To accomplish our purpose, we create a school culture of continuous improvement in learning and teaching by ensuring that all students will feel safe, loved, and supported while they learn to solve real life problems and develop the power to be Kind, Respectful, and Responsible and Safe.

## Description of the School

### Community

Wasatch Elementary School located at 210 E. Center St., Clearfield, Utah 84015. The community is composed of single and multiple family dwellings, two trailer courts, and a large apartment complex. Recently we have had the addition of a high-rise apartment building directly West of Wasatch Elementary. In addition Clearfield City purchased land where one of the two trailer courts in our boundaries is located. Two more high rise apartment complexes have been build recently. With this change, we expect to see a growth and change in our student population.

### Student Body

Wasatch Elementary is a K-6 Elementary School with 403 students. 41 percent of our students are identified as being an ethnic minority. 51 percent of our students are from an economically challenged home. 19 percent of our students have limited English proficiency (MLL). 15 percent of our students qualify for special education services.

### Staff

Wasatch Elementary has 78.5 highly qualified faculty and staff. 21.5 Certified Teachers including 1 Special Education Teacher and 1 Learning Center Teacher. Our classified staff includes 3 Learning Center Assistants, 5 Office Staff, 1 Special Education Assistant, and five K-6 Tutors. We also have 3 Optional Extended day Kindergarten (OEK) Kindergarten Tutors, 2 English Language Learners (ELL) Tutors, 4 Head Start and Early Head Start Teachers, 1 Counselor, 1 Psychologist, 1 Technology Specialist, 1 Speech Language Pathologist, 1 English Language Arts (ELA) Coordinator, 1 Math Coach, 1 Librarian, 1 STEAM/SEM Teacher, 1 Art/Music Teacher, 1 STEM Lab / Computer Teacher, 1 Physical Education Teacher, 1 After School Director, 2 After School Assistants, 1 Therapist, 1 Family Service Worker (Social Worker), 1 Educational Integration therapist, 1 Community Center Director, and 8 staff members.

## **School Culture**

Wasatch Elementary has a culture of academic, social, emotional, and physical excellence. Students at Wasatch Elementary have high academic and social needs. These needs are met by the dedicated faculty and staff. Wasatch Elementary has a master schedule to ensure that every moment of the instructional day is optimized. There is an unwavering focus on student learning with high expectations and high student engagement in every classroom. Our educators focus on results, using summative and formative data, along with reflective dialogue. Teachers work to develop common assessment to assess student progress and allow for flexible grouping across grade levels. We are committed to technology being purposefully used within each classroom. We, among other schools, are leaders in the Davis School District for personalized learning. This is the combination of an excellent teacher and technology that is used to enhance and provide deeper level content acquisition for students. Technology integration is such that each student is provided with a one-to-one device. We are continuing to assess technological needs and address them to ensure that students have the tools needed to be successful. We pride ourselves on having well-functioning Professional Learning Communities that are focused on student success through common assessments, planning, and data driven instruction. Wasatch Elementary students can attend before/after school programs and clubs which support student learning. These programs allow students to work on their homework under the direction of two certified teachers. They also get involved in many civic activities that allow our students to serve others in our community. Additionally, our clubs provide our students with extra-curricular activities that they would not have otherwise had access to. Our student-to-student club helps all students who are new to Wasatch feel welcomed and are included in. We have a very dedicated Parent Teacher Association (PTA) and Community Council. They support Wasatch Elementary students and teachers through a jog-a-thon, Red Ribbon – White Ribbon - & Green Ribbon Week. They also provide our students with more opportunities for field trips and families activities. Wasatch Elementary is a Title 1 school which allows us to reduce class sizes and provide additional academic support for our students. The above-mentioned resources help us to best serve all students, ensuring they are academically, socially, and civically. This is especially the case when considering that our school has a higher ratio of lower income student households (free and reduced lunch rates) than other schools in our county. Research indicates that this could potentially influence disproportionately more of our students to being susceptible to negative societal influences as the result of the additional day-to-day demands placed on their parents. This could make our students less likely to experience enriching activities at home and increases the need for us as a school to intervene in a meaningful way. Wasatch Elementary School has a culturally diverse student population. When outstanding instruction is complemented by a culturally rich and diverse student population and community, the positive experiences that students can have is second to no other school. Our strength as a school is most certainly found in the diversity of our students.

## **Unique Features & Challenges**

Attendance continues to be an issue since the pandemic. We have been working very closely with teachers and parents to be clear about balancing the need to come to school and parent choice. Our teachers and worked closely with parents and admin to manage this balance and get maximum participation from students. Wasatch has been very flexible in meeting this challenge and has met students where they are to help them grow. Wasatch is seeing a learning delay in students due to the pandemic that we are continuing to diagnose and intervene constantly. Students have been staying after school with their teacher from 3:30-4:00 in a targeted intervention group.

## Needs Analysis

### Notable Achievements

Wasatch has seen tremendous growth in our ELL students. Wasatch students have grown from 42% of students making adequate progress on the World-class Instructional Design and Assessment (WIDA) ACCESS Assessment to 43.9% in 2022. This growth is directly related to the efforts of our ELL tutors and support from teachers.

### Areas of Recent Improvement

Wasatch was on a plan to have all teachers reach the completion of UNIT 8 in LETRS training. The state has taken this over for our K-3 grade levels and now our plan has been delayed slightly for some grade levels. All grade levels 4-6 are now taking the LETRS training. Wasatch is in our fourth year of implementing SEL practices with adults and students. We have been using the Sanford Harmony Curriculum to teach students about SEL practices. Teachers have been implementing morning meetings and incorporated a calm space in the classroom.

### Areas of Needed Improvement

Wasatch's Pathways to Progress report in Acadience testing (DIBELS) showed below lower than average growth in first grade. New routines and tutor help has been offered in first grade and help from the district Professional Learning Team. Wasatch has purchased the SIPPS Tier 3 intervention program. We have one teacher who has been trained in the implementation of this program as well as 5 tutors. We have seen significant growth in those students who have received this intervention from the beginning of its implementation. We continue to adjust our practice and provide support to both grade levels to improve reading scores.

1. Schoolwide we will have morning meetings that are focused on a question of the day, a relevant skill, or a recent problem that has happened with that specific class. This morning meetings to build a strong classroom culture of respect, dignity, collective ownership, understanding, and empathy. We will also encourage a daily meeting to checkout with students and wrap up the day.

2. Implement SEL direct instruction school-wide with Nearpod or Sanford Harmony lessons.

3. Implement DSD toolkit for SEL Instructional strategies school wide.

4. Teach, reinforce, and implement mindfulness strategies and brain breaks for students to re-engage and refocus.

5. Teach students how to use an already prepared space for where they can take a mindful minute in each classroom or common area or implement self-management strategies. Teachers will have a place for SEL breaks too.

6. We will consider the following area within our daily instruction and explicitly make these connections for students:

- Empathy; consider other points of view, understand character motivation, solve problems with a classmate, teach a peer, collaborate to solve problems.
- Resilience: edit work, give and receive feedback, process over product, try another strategy, revisit and revise work, “it’s okay to make mistakes. I don’t know this yet.”
- Critical thinking skills: group work and collaboration, create an argument, perspective of various viewpoints, use multiple strategies to solve problems.
- Communication: present what writer/author thinks and feels, write thoughts in a journal, share math strategies with partners, share math thinking in writing, speaking, drawing, or numbers.

7. We will work on the school-to-home and home-to-school connections with students and their parents to ensure that students love school, love attending school, and take pride and ownership over their choices and actions.

8. All students and staff will be given a Wasatch Elementary t-shirt to create a sense of community and inclusion.

9. Hire a student advocate to support students in being successful during the school day and also to help students practice using SEL skills and take breaks safely.

10. 6th Grade classes and teachers will participate in 12 weeks of Learning to Breathe Instruction delivered by DBH.

- 11. Restorative Practices strategies will be implemented school wide.
- 12. Each classroom will implement daily proactive circles in their classroom to check in and out each day.
- 13. The school SEL Team will organize and promote a student focused SEL celebration for SEL day.

Goal Short Title

## Improve parent communication and attendance

Goal Statement

Wasatch Elementary will improve parent communication and student attendance by parent survey results and by a decrease in the chronic absentee report for the school year.

*TSI SCHOOL QUESTION: Will this goal focus on TSI student populations; on changing your TSI status?*

Measures

Measures for this goal will based on parent survey results and by a decrease in the chronic absentee report for the school year.

Action Plan (please number steps)

To improve parent communication and student attendance Wasatch will hire a Spanish translator/Attendance Coordinator. All translation services needed will be conducted by our new Spanish translator. This position will also focus on student attendance. Attendance awards will be given weekly to all grade levels. Student attendance will be tracked, and individual plans will be put into place for students who are struggling to

attend school.

Step 1- Weekly attendance reports will be ran by the attendance coordinator.

Step 2- Contact teacher for those students needing attendance letter #1 at six absences, #2 at 12 absences and #3 at 18 absences.

Step 3- Each week, class winners for each grade that have the highest percentage of attendance in each grade level will be read and trophy given to the class.

Step 4- When translation services are needed this position will provide those services.
