Clear Horizons Early College High School

Mission:

Equipping all students for success in college, career, and community leadership.

Vision:

The programs and practices of Clear Horizons Early College High School reflect our commitment to creating a transformative educational experience that drives students and staff to achieve at the highest level.

Motto:

In all you say and do, #RizeUp!

The purpose of this handbook is to document for students and parents the structures, procedures, systems, and practices that direct the work of Clear Horizons ECHS. Students who are enrolled in Clear Horizons ECHS are required to abide by the policies of both Clear Creek ISD and San Jacinto College. Throughout this handbook the following acronyms will be used: CHECHS (Clear Horizons Early College High School), CCISD (Clear Creek Independent School District), SJC (San Jacinto College).

The following documents should be reviewed in addition to this handbook.

[Clear Creek ISD Educational
Planning Guide](#)

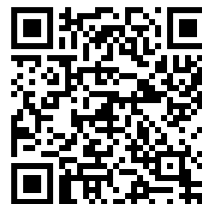

[Clear Creek ISD Grading and
Reporting Procedures
\(Regulation EIA\)](#)

[Clear Creek ISD Student Code
of Conduct and Student
Handbook](#)

[San Jacinto College Catalog](#)

[San Jacinto College Student
Handbook](#)

Academic Calendars

CCISD and SJC calendars are not always identical. Students are responsible for attending all high school and college classes every day. Transportation will be provided every day class is in session. In the event that CCISD is closed, transportation to and from the zoned high schools will be provided.

The Texas Education Agency requires that high school students attend school every day on the high school calendar. CHECHS students will be required to attend even when college classes are not in session. Please review the CHECHS Calendar (Appendix A) for specifics.

Diplomas – Programs of Study

The following are the minimum expectations for CHECHS students:

- Fulfill the CCISD Distinguished Level of Achievement (DLA) diploma requirements, as defined by TEA HB5.
- Complete all State of Texas Assessments of Academic Readiness (STAAR) End of Course (EOC) test score requirements.
- Work toward completing three years of the same world language to facilitate acceptance to a 4-year university.
- Obtain at least 60 hours of college credit to be used towards a four-year bachelor's degree.
- Meet the requirements for an Associate of Arts in General Studies.
 - All other majors must be preapproved by CHECHS Administration and the SJC Office of Dual Credit.

To ensure students are on track for both the high school diploma and the associate degree, all CHECHS students will meet with a high school counselor at least once per year. Students can also meet with the SJC Dual Credit Educational Planners for advising sessions.

TSIA

The Texas Higher Education Coordinating Board requires all institutes of higher learning assess the academic skills of each entering undergraduate student to determine college readiness by taking the Texas Success Initiative Assessment (TSIA). Students must meet criteria on the math, reading, and writing portions of the TSIA to obtain eligibility to enroll in certain college level courses. Students who do not meet the appropriate criteria are required to pursue remediation and to retest. Students will not be charged for up to 5 attempts. The form to retest is requested by the CHECHS counselor and signed by the SJC Dual Credit office. The student can only test with this signed form.

In some cases, students are exempt from passing the TSIA. Students with the following scores can be exempt:

- ACT – composite score of 23 with a minimum of 19 on the English test and 19 on the mathematics test.
- SAT – students with a minimum score of 480 on the Evidence-Based Reading and Writing (EBRW) test and a minimum score of 530 on the mathematics test.

***Students who are unable to pass the Reading and Writing portions of the TSIA, by August of the 11th grade year, will have to withdraw from CHECHS.**

Alternative High School Enrollments and High School Credits

CHECHS students must be enrolled in the CHECHS courses according to the sequences outlined in the CHECHS Pathways (See Appendix B.1- B.7). CHECHS students must obtain preapproval from CHECHS Administration before enrolling in any outside courses (private, distance learning, credit by exam. . .etc.) including those offered by CCISD in Clear Access, Clear Stars, and CCISD Summer School. Students who do not get preapproval may not be awarded credit. Please note that any outside credits earned may be awarded as local credits only and are not factored into GPA.

CHECHS Course Registration

Course selection takes place for high school courses in February for the following Fall semester. The process is based on the four-year planning process with the CHECHS counselors. The course selection card does require a parent and student signature.

The most up-to-date copies of the student's schedule will be provided before classes begin. SJC rooms and professors are not printed on the high school schedule. To obtain SJC course information students will log into their SOS account. Students are encouraged to print their SJC schedule info from the SOS. Students are encouraged to review the SOS for any possible hold that may slow down the registration process. Holds may include overdue library fines, college residency questions, vaccinations, etc. A reasonable college load is 12-15 credit hours per semester. Special permission is needed from both CHECHS administration and SJC Dual Credit to enroll in more than 18 college credit hours per semester. Instructor change requests are not accepted at CHECHS or for SJC courses. All SJC courses are requested through the CHECHS counselors and are scheduled based on four-year planning, timeline, high school course conflicts, and schedule availability. CHECHS students take SJC courses that are face-to-face and meet during the regular high school day. In extenuating circumstances online courses and/or mini-semester courses may be considered. Any course outside of the CHECHS Pathways or outside of the high school calendar requires prior approval from the CHECHS Administration and SJC Dual Credit office.

Schedule Changes

All high school schedule changes will follow the procedures outlined in the CCISD Educational Planning Guide. SJC typically does not honor schedule changes. If because of extenuating circumstances SJC or CCISD permits a course drop, the CHECHS student will be scheduled in a CHECHS Teacher Tutorial for the remainder of the semester.

Academic Expectations

- College and advanced high school courses may require up to two hours of study time outside of class each week.
- All assignments should be turned in on time and complete.
- Students are expected to utilize all resources offered by CHECHS and SJC to ensure passing of each course.
- Monitor and participate appropriately in both Blackboard and Canvas daily.
- Communicate with SJC professors via SJC email.
- Communicate with CCISD teachers via CCISD email.
- Monitor both SJC and CCISD email accounts daily.

Dual Credit Courses, Grades, and Credits

Dual credit is not available for every SJC course. In order for a student to receive dual credit, both high school and college credit, the course must be cross-walked with courses identified by TEA. The available course crosswalk can be found in Appendix D.

CCISD determines the courses for which dual credit is awarded. To receive high school credit the college course grade must be at least a C. Although a grade of a D is considered passing on the college level, high school credit is not awarded. Students who earn a D in a college course that is required for high school graduation, must retake the course.

SJC courses taken for dual credit will count toward the academic UIL rule, commonly known as “No Pass, No Play.” Students will follow the CCISD eligibility calendar. All college courses in progress are considered passing until notification is received from the instructor.

SJC courses are managed by SJC faculty. Any disputes regarding grades, course content, schedules, calendar, attendance, or other issues are to be addressed with the SJC instructor and/or the SJC Office of Dual Credit.

Students with a disability (IEP or 504) should contact the SJC Disabilities Services Director through the Dual Credit Office. Students can bring a copy of the IEP or 504 for consideration of SJC.

Academic Integrity

CHECHS students must adhere to both the CCISD Honor Code and the SJC Policy on classroom behavior. Students who are found cheating or plagiarizing will be subject to consequences based on these policies.

GPA & Class Rank

Policies regarding GPA, Class Rank, and Classification are in the CCISD Educational Planning Guide. SJC will only issue letter grades beginning with the Fall of 2023. The table below outlines how those grades will be converted for CCISD transcripts and GPA calculations. Unlike the comprehensive high schools, CHECHS dual credit courses are included in the GPA calculations. To receive dual credit towards the high school diploma a student must earn a C or higher in a college class.

Clear Horizons Early
College High School
Transfer Grades and
Grade Points for Dual
Credit Coursework

Note: The following provisions shall apply only to students attending Clear Horizons Early College High School (CHECHS) beginning with the 2023-2024 school year.

COLLEGE LETTER GRADE	CHECHS NUMERIC GRADE	CCISD GRADE POINTS LEVEL 1
A	95	5.5
B	85	4.5
C	75	3.5
D	65	0
F	60	0

Semester Averaging for SJC Courses

Semester Averaging for credit is allowed for SJC courses that are taken within the same academic school year and within the same subject. For example, a 60 in first semester BIOL and an 80 in second semester BIOL would grade average to a passing, yearlong average of 70.

Academic Resources

CHECHS Resources

All CHECHS teachers are available upon request for tutorials two days a week during advisory. Teachers also publish at least one more hour a week during lunch or after school for tutorials. A late bus is offered on Tuesdays and Thursdays throughout the school year to assist with late transportation and allow students to stay for tutorials. Students who want to take the late bus must sign up by 1:00 PM in the front office. National Honor Society students offer tutorials for high school classes once a week. Watch the morning announcements for details.

SJC Resources

Students who are struggling in a college course should always reach out to the instructor for help. All instructors have office hours and may be available to assist. The Student Success Center, located on the first floor of the SJC library, offers tutoring in a variety of subjects. Students can stop by and request help.

Academic Concerns

Students who do not meet the academic requirements for the CHECHS program will be referred to the CHECHS Faculty Committee for review. This committee reviews student data and will make recommendations to the CHECHS administration regarding continuation in the program. The following will be considered for review:

- Completion of 6 credits each school year
- TSIA proficiency
- SJC academic standing
- Attendance
- Discipline

Based on the committee's recommendation the student may have to withdraw from CHECHS or may be placed on an academic contract to remain at CHECHS for the following semester.

Student Conduct

Students are responsible for all conduct mentioned in both the CCISD Student Code of Conduct and the SJC Student Handbook. Disciplinary consequences may be incurred based on the CCISD Code of Conduct and/or SJC Student Handbook. CCISD and SJC handle each incident independently and a student may incur consequences from both CCISD and SJC for a single incident.

Attendance Expectations

- Attend every high school class, including Advisory, and every college class, every day.
- Arrive on time to every class.
- Attend SJC classes whenever they are in session even if it falls on a CCISD holiday. (See CHECHS Calendar Appendix A)

Students leaving early must sign out in the front office. 11th & 12th grade students may qualify for early release when the college classes are not in session. Proper documentation and permission must be obtained. When returning from an absence, students should bring a parent or doctor's note with the reason for the absence noted. This note needs to be turned in within one week of the absence. Students who miss multiple times in a SJC class may be issued an FX. This means the student fails the course because of excessive absences. An FX is equivalent to an F on the high school and college transcript. Students who receive an FX will be referred to the CHECHS Faculty Committee for review. Students may be required to withdraw if an FX is issued.

Disciplinary Removal

CHECHS students will abide by the CCISD Student Code of Conduct and model the CCISD Core Values: trustworthiness, respect, responsibility, fairness, caring and citizenship. Should a student behavior require student placement at DAEP (Disciplinary Alternative Educational Placement), the student will be required to withdraw from CHECHS and enroll in his/her zoned high school.

Program Costs

The CHECHS program is designed for students to earn a high school diploma and an associate degree at no cost. During the Fall and Spring semesters all costs associated with CHECHS Pathway courses be covered by CCISD and with generous support from the Clear Creek Educational Foundation.

Textbooks

Textbooks, including online resources, for both high school and college classes are provided at no cost when students are completing courses on the CHECHS Pathways (See Appendix B). Every effort will be made to issue students SJC textbooks prior to the start of the SJC course. There may be a time when the textbook isn't available. In this case, CHECHS will notify the SJC Dual Credit office to inform the SJC instructors of the extenuating circumstances. When materials become available, students will be notified via CCISD email. Students who are "not clear" from the prior semester will not be issued textbooks until all fees/fines are cleared, in alignment with CCISD procedures. Students will return all textbooks on or before the last class meeting. Materials returned with damage or lost materials may result in fines, based on CCISD policy.

Laptops

CCISD provides a laptop for every student. If a student chooses to bring his/her own device, it must be a laptop with the capabilities of accessing all CCISD and SJC online curriculum and resources. For more information regarding CCISD devices, including insurance, privacy, and responsible use guidelines, please visit: <https://www.ccisd.net/student-devices>.

Parking

Students who have a valid driver's license and park a vehicle must obtain a free SJC parking permit from the SJC Business office. Students should review all parking requirements in the SJC Student Handbook. Students must also register the SJC permit with the CHECHS front office. Parking permits may be revoked for disciplinary reasons at the discretion of CHECHS or SJC Administration.

Instructional Technology Resources

Clear Horizons ECHS Website: <https://chechs.ccisd.net/>

On the CHECHS website students can easily locate the "Calendar" from the top right corner and stay up to date with the latest "Coyote Connection" newsletter linked on the Home Page.

Skyward

Access student information, report cards, emergency contacts, pay fees or fines.
Located on the CHECHS website. Click on "Logins" on the top right corner of the home page.

Naviance Family Connection

Stay connected with information regarding colleges, scholarships, and careers.
Located on the CHECHS website. Click on "Logins" on the top right corner of the home page.

Blackboard

SJC uses Blackboard as the Learning Management System. Students have access to course materials and grades for college courses. Students should monitor Blackboard daily.

SJC Secure Online System (SOS)

The SJC Portal, often called SOS, is where all college student information is held, including schedules, transcript history, grades, professor contact, and class locations.

SJC AlertMe

SJC communicates all emergency and safety information through SJC AlertMe. Students can sign up for notification through their SOS account. Parents and guardians can sign up for alerts as well using a cellphone or email: <https://www.sanjac.edu/alert-me>.

SJC Email

SJC faculty and staff will only communicate with students through the SJC email. Students should monitor SJC email daily.

CCISD Email

Students should communicate with CHECHS staff using CCISD email. Students should monitor CCISD email daily. The CCISD email can be accessed through the CCISD SSO Portal.

Canvas

CCISD's new learning management system is Canvas. CHECHS teachers utilize Canvas to provide instructional material, announcements, assignments, and grades. Students should be monitoring Canvas daily. The Canvas app can be downloaded on to a device and is also found in the CCISD SSO portal.

Clubs and Events

Students have full access to clubs and events at both CHECHS and SJC.

CHECHS Clubs

Students should review opportunities and participate in multiple clubs. Students who wish to start a new high school club must find a teacher sponsor, create a proposal with the sponsor, complete a club application, and request approval from the CHECHS principal. Stay connected with clubs through Remind, morning announcements, and weekly newsletter, the Coyote Connection.

SJC Clubs

SJC Clubs are governed by the Office of Student Life. Visit with the coordinator in S11.115 (Student Center). Students who miss a high school class while participating in a SJC event must request approval from CHECHS administration in advance or the absence will be unexcused.

Service Learning

CHECHS students receive up to 60 hours of college credit at no cost. To instill gratitude and payback to the community who supports our students, service learning is required each year.

- All CHECHS students must complete 20 hours each school year.
- Hours can be earned from the first day of school of the 9th grade year.
- Hours must be completed and documentation submitted by May 1st each year.
- Hours must be documented on company letterhead and/or in the form of official communication. Documentation must include the following:
 - Name of student
 - Number of hours served
 - Date of hours served
 - Name, signature, and contact information of the on-site supervisor
- All hours must be submitted on Canvas by May 1st
- A reflection paper is required each year to validate the hours for the year. Papers are written during advisory in the Spring semester.
- Students who do not complete and turn in documented hours, along with the reflection paper, by May 1st, will not be exempt for Semester 2 Final Exams.

Withdrawal

Families are asked to make a four-year commitment to CHECHS. This commitment is reiterated annually with the Parent/Student Agreement (See Appendix C). The CHECHS staff is committed to helping each student and family work through difficulties that may cause a student to consider withdrawal. A meeting with the CHECHS Principal is required prior to a withdraw request.

Clear Horizons Early College High School

2023-2024 Student and Parent/Guardian Agreement

I, _____ understand enrollment in Clear Horizons Early College High School is a commitment to an alternative high school campus. I will meet the obligations and complete all requirements for this high school. I will be dedicated and committed to becoming a self-motivated and independent learner. Students and parents/guardians should initial by each statement below to indicate that you understand and will follow the following expectations and understand the unique aspects of attending CHECHS, a school of choice.

Student	Parent
_____	_____ Students report to advisory every day by 8:00 AM.
_____	_____ Students attend all high school classes following the CHECHS calendar.
_____	_____ Students attend all college classes even when CCISD is closed.
_____	_____ Students meet all requirements of a CHECHS Pathway Plan on an annual basis.
_____	_____ Students always maintain appropriate behavior.
_____	_____ Students check CCISD and SJC email daily and respond appropriately.
_____	_____ Students log in and monitor Blackboard and Canvas daily.
_____	_____ Students complete 20 hours/year of service learning and provide documentation by May 1 st .
_____	_____ Students register vehicle with both SJC and CHECHS if driving on campus.
_____	_____ Students sign out of the office before leaving campus. (parent or guardian permission required)
_____	_____ Breakfast and Lunch service is provided by CCISD but the menu may vary from other campuses.
_____	_____ Students who receive an FX in a SJC course will be referred to the CHECHS Faculty Committee for review.
_____	_____ CHECHS program is provided at no cost to students who complete the program outlined in a CHECHS pathway during the regular school year.
_____	_____ Any behavioral violation resulting in assignment to DAEP will result in withdrawal from CHECHS.
_____	_____ Academic or behavioral suspension from SJC will result in withdrawal from CHECHS.
_____	_____ Materials in SJC are designed for mature learners. CHECHS students will have access to all SJC library material.
_____	_____ Students who utilize non-CCISD issued devices will not have CCISD filters. CCISD and families should work together to ensure safe and secure Internet use.
_____	_____ SJC dual credit courses are taught by SJC-employed instructors. Any disputes regarding college courses are to be addressed to the SJC instructor and/or the SJC Dual Credit Office.
_____	_____ Students and Families should read and adhere to the following documents: CHECHS Student Handbook, CCISD Student Handbook and Student Code of Conduct, CCISD Grading & Reporting Procedures, SJC Student Handbook.

By signing below I agree that I have read and understand the components of the CHECHS 23-24 Student Handbook.
