Dear Parents:

In 1995, the Texas Legislature created the Public Education Grant (PEG) program TEC §§29.201-29.205. A list of PEG-designated schools is provided to districts annually. Each parent of students in the district assigned to attend a school on the PEG list must be notified by February 1st. Based on this current list, parents may request a transfer for the **2023-2024** school year. Campuses that received an overall scaled score less than 60 are on the PEG List.

N A Howry Steam Academy has excellent teachers and administrators. Our campus has developed a plan to improve the educational program of the school in order to raise academic achievement for all students. Our faculty and staff are committed to providing your child with a quality education.

Under the PEG interdistrict transfer provision, a parent of a student enrolled in any campus listed may make an application to attend a campus in any other school district for the **2023-2024** school year. A school district chosen by a student's parent under this statute is entitled to accept or reject the application for the student to attend school in that district but may not use criteria that discriminate on the basis of a student's race, ethnicity, academic achievement, athletic abilities, language proficiency, sex, or socioeconomic status.

Under the PEG intradistrict transfer provision, a parent of a student enrolled in any campus listed may apply to transfer to another campus in the same school district.

We hope you continue to allow us the opportunity to educate your child. If you wish to transfer your student to another district or campus or if you have questions concerning the PEG program and list, please do not hesitate to call me at **817-306-4240**.
