Subject: CHILDCARE TRANSPORTATION

The North Rose-Wolcott Central School District recognizes the need to accommodate transportation requests for district students to be transported to and/or from an address other than their home. These requests should be necessitated by a working parents need to provide for childcare service before and/or after normal school hours. Childcare transportation requests will be approved if they meet the following criteria:

- a) Childcare transportation will be available to students in grade K through 8.
- b) A child must be eligible for transportation according to the transportation eligibility policy in order to be transported to or from a childcare provider.
- c) The childcare provider must be located within the North Rose-Wolcott Central School District and on an already existing bus route. Door-to-door bus service will not necessarily be provided. New bus routes will not be created and already established bus routes will not be altered.
- d) Transportation must be consistent week to week. A child's daily schedule for pick-up and drop-off may be different each day of the week with a maximum of two (2) pickup and two (2) drop off points for the week. For example, a child may go to daycare Monday, Wednesday and Friday and home the other two (2) days. The schedule must remain the same every week for the entire school year.
- e) All childcare request forms must be completed and returned to the Transportation Department Office by July 30th. We cannot guarantee that childcare requests received after July 30th will be approved. You must complete one (1) form per child. Requests must be renewed each subsequent year by submitting a new request by July 30th deadline.
