WAVES

At Tabor, we're making waves in the world and leaving a lasting impact. Here, you'll experience a wave of energy, igniting your passion for excellence, fueling your drive for success, and filling you with a sense of purpose and excitement. Embrace the boundless possibilities that lie ahead at Tabor, representing your relentless pursuit of knowledge, your zest for creativity, and your unyielding commitment to growth. Tabor isn't just a school; it's your second home, where you'll navigate the waters of education, achieving more than you ever thought possible.

**Join us and make waves in the world.**

# NURTURED
## individuals

Our experienced team of caring adults is committed to bringing out the best in you, whether in the lab, on the field, or behind the canvas. Because Tabor uses both developmental expertise and a commitment to social-emotional well-being, each student benefits from relationships with many encouraging adults working in unison on their behalf. At Tabor, the passion for exploration and achievement is infectious; here, you can reach higher than you ever imagined.

# PREPARED
## scholars

Imagine waking up to the refreshing sea breeze, starting your day of learning, with strong connections to the world around you. At Tabor, our waterfront location isn't just for show; it's a living classroom that brings history, culture, and future-thinking together. We're not just about book smarts—we're about real-world, hands-on experience, both in and out of the classroom.

We're also not just about producing great students; we're about cultivating a community of great people, like you. Don't think of Tabor as simply a school; it's your launchpad for becoming a leader, innovator, and changemaker of tomorrow.

# INSPIRED
## citizens

We know you're about more than just getting good grades. You're here to make a difference, and at Tabor, we're all about fostering that mindset. Get ready to participate in a world that's larger than yourself, where innovative solutions are the key to the challenges of the future. You're joining a community where diversity of life and of thought is not only encouraged but celebrated. You'll learn to see the big picture, seize great opportunities, and move forward to even greater adventures in life.

# EMPOWERED
## students

Let's face it, growing up is a challenge, but at Tabor, you won't just rise to the challenge, you'll thrive in it. Working in synergy to engage each individual, our faculty, staff, and coaches will work with you to sharpen your intellectual inquisitiveness, athletic aptitude, and creative communication. With this partnership, you will excel and engage at a higher level than you thought possible; our graduates are more than prepared for the rigor required ahead.

## experiences

At Tabor, students thrive with appropriate support as they learn how to embrace challenges and prioritize balance. We don't just teach balance at Tabor, it's something we live. We understand that the key to success isn't just about working hard but working smart, knowing when to push forward and when to take a step back. You'll learn how to meet challenges head-on and how to maintain a healthy balance, creating an environment where you can truly flourish. Our graduates don't just leave with a diploma; they leave with a roadmap to a world of possibilities. Our well-rounded curriculum lets you dive into existing passions, discover new interests, and contribute to a vibrant, dynamic community. Learn, live, and thrive together, igniting a ripple effect of shared knowledge and inspiration.

Tabor goes beyond the standard school experience; we set out on a voyage of academic exploration, setting sail (sometimes literally) and making waves as we break the mold of traditional schooling. Discover a school that crafts a captivating waterfront learning space that encourages students to contemplate the world they live in and the world that lies beyond our coastal campus. Whether you're a sailing enthusiast, an aspiring marine biologist or nautical engineer, or just a lover of serene water views—our sunsets are remarkable—our School by the Sea is a perfect fit for you.
