DISTRICT VISION

Lackland ISD Ignites a passion for life-long learning and empowers excellence.

DISTRICT MISSION

Lackland ISD provides a safe and nurturing environment where we recognize the value of individuals and collaborate to develop their unique abilities. We engage students through innovative experiences to spark creativity and empower students to learn, grow, and excel.

WE BELIEVE

In providing equitable educational opportunities to meet the unique needs of our students.

In engaging students, staff, families, and the community in a collaborative environment of mutual respect.

In maintaining a safe and nurturing environment.

Purpose

The purpose of this Compensation Manual is to communicate the District's Annual Compensation Plan for all District employees.

The Annual Compensation Plan includes wage and salary structures, stipends, benefits, and incentives. The plan supports District goals for hiring and retaining highly qualified employees.

The Compensation Plan includes three job classifications: Administrative/Professional, Clerical/Technical and Manual Trades. Every job classification includes multiple pay grade levels to provide growth opportunities for employees in all job classifications. Within each paygrade we have determined a minimum, midpoint, and maximum rate of pay to compensate employees based on their creditable years of experience and job-related skills.

The growth opportunities for a custodian are illustrated below. All professional and support positions have similar growth opportunities within the pay schedules.

Custodian	Starting hourly rate at \$14.25 per hour.
Lead Custodian	Starting hourly rate at \$16.62 per hour.
Custodial Supervisor	Starting hourly rate at \$19.98 per hour.

In summary, the pay schedules are designed to compensate employees for their job duties, experience, and expertise. Our pay schedules are competitive with the relevant market to ensure that we attract and retain highly qualified staff in all professional and support positions.

The Board of Trustees shall approve the Compensation Plan as part of the annual budget development process. In addition, the Board shall determine the total compensation package for the Superintendent in conjunction with the approval of the Superintendent's employment contract.

The Superintendent, or designee, shall implement the Compensation Plan and establish procedures for plan administration consistent with the adopted budget.

The Compensation Plan shall be administered in compliance with:

- School Board Policy DEA Legal – Compensation Plan
- School Board Policy DEA Local – Compensation Plan
- School Board Policy DEAA Legal – Incentives and Stipends
- School Board Policy DEAA Local – Incentives and Stipends
- Lackland ISD Compensation Handbook

Salary Structures

Teacher Hiring Scale

The Teacher Hiring Scale is used for the initial placement of teachers, nurses, librarians, and instructional coaches/facilitators. The placement is based on the number of years of creditable service as specified in the TEA Commissioner's Rules on Creditable Years of Service (TAC 153.1021) and Minimum Salary Schedule for Certain Professional Staff (TAC 153.1022).

The total years of creditable service must be verified by receipt of a Teacher Service Record (Form FIN-115) or other acceptable documentation.

The Teacher Hiring Scale includes additional annual compensation for a Master's and Doctorate degree. An employee placed on the Teacher Hiring Scale shall be entitled to additional compensation for their highest advanced degree earned after submitting an original, certified transcript. The additional compensation is: \$2,000 for a Master's Degree and \$3,000 for a Doctorate.

Mid-Point Salary Schedule

The Mid-Point Salary Schedule shall be used for the initial placement of all employees other than teachers, nurses, librarians, and instructional coaches/facilitators. The schedule shall be used to determine annual salary increases by applying the percentage increase, if any, to the midpoint salary.

The Mid-Point Salary Schedule includes three Job Classifications: Administrative/Professional, Clerical/Technical and Manual Trades.

All employees categorized as "exempt" under the Fair Labor Standards Act (FLSA) shall be placed on the Administrative/Professional Job Classification and shall be paid from a Professional Salaries account (object code 6119). All employees placed on this pay scale shall meet the FLSA tests including salary level, salary basis and job duties test, as appropriate.

All employees placed on the Clerical/Technical and Manual Trades Job Classifications shall be categorized as non-exempt under the FLSA. Non-exempt employees shall be subject to the FLSA regulations including: Minimum Wage, Overtime, Recordkeeping, and Child Labor Laws.

Substitute Employee Pay Schedule

The Substitute Employee Pay Schedule shall be used to compensate employees categorized as "substitute." Substitutes, who are TRS retirees, shall be defined as determined by the Teacher Retirement System of Texas (TRS).

Substitute employees include: Substitute teachers, aides, custodians, food service, etc.

Stipends & Extra Duty Pay Schedule

The Stipend & Extra Duty Pay Schedule is used to compensate professional staff for extra assignments and/or extra duty beyond the normal workday or duty calendar.

Stipends are defined as a flat amount that is paid to a professional employee for performing a specific assignment such as sponsoring an event, coaching a sport, or leading a group such as a Team Leader or Department Head. If an employee does not complete the full year stipend assignment, the stipend shall be pro-rated to compensate for the portion of the assignment verified by the immediate supervisor as complete.

Stipends will generally not be paid to non-exempt staff. In the event that an exception is made due to a extenuating circumstances, the District shall ensure that the non-exempt employee's stipend pay complies with the Fair Labor Standards Act (FLSA). Extra duty pay may be paid to a non-exempt employee in accordance with this pay scale. The extra duty pay shall be combined with the base pay earnings to determine overtime pay, if any, using the weighted overtime calculations.

Extra duty pay is defined as a rate of pay, either hourly or daily, for performing duties beyond the normal work schedule such as tutoring, attending professional development, etc.

Benefits

The employee benefits are described in detail on the Summary of Employee Benefits (Exhibit Section). Part-time and full-time employees who meet the TRS eligibility criteria shall be eligible for District paid group health, dental and term life insurance. TRS retirees shall be eligible for the dental and term life insurance benefits.

Other benefits are available to employees on a voluntary basis at their cost.
