

BROWNSBORO HIGH SCHOOL

Mission

We exist to educate and prepare students for their future.

Vision

We will inspire excellence and become the premier high school of the nation.

Values

We will hold one another accountable for being/having:

Professional

Respectful

Encouraging

High Expectations

Pride in our profession, school, kids and one another

Goals

100% Graduate

Every student prepared for and enrolled in college, trade school or military.

AP/Dual Credit increase enrollment and students receiving credit by 10%.

EOC scores lead all 4A schools in East Texas

3+ state distinctions

95% attendance

ALMA MATER

We hail thee alma mater
United may we stand
Forever may your glory
Be known throughout the land
We pledge to you our honor
And hope to bring the fame
To you our dear Brownsboro High
We rise to hail thy name.

COLORS

Blue & Gold

MASCOT

Bears/Bearettes

FIGHT SONG

Oh, when the Brownsboro Bears fall in that line
We're gonna win this game another time
And for the dear old school we love so well
And for the dear old team
We'll yell and yell and yell
We're gonna fight, fight, fight for every score
We're gonna circle in and win some more,
We're gonna throw those (opposing team) in the dirt,
Make it hurt,
Fight, Fight, Fight!

PREFACE

To Students and Parents:

Welcome to the new school year! Education is a team effort, and we know that students, parents, teachers, and other staff members all working together can make this a successful year for our students.

The Brownsboro ISD Student Handbook is designed to provide basic information that you and your child will need during the school year. The handbook is divided into two sections:

Section I - PARENTAL RIGHTS - information to assist you in responding to school-related issues.

Section II - STUDENT/PARENT INFORMATION - organized alphabetically by topic, and where possible, further divided by applicability to ages and/or grade levels, for quick access when searching for information on a specific issue.

Please be aware that the term “parent”, unless otherwise noted, is used to refer to the parent, legal guardian, any person granted some other type of lawful control of the student, or any other person who has agreed to assume school-related responsibility for a student.

Both students and parents should become familiar with the Brownsboro ISD Student Code of Conduct, which is a document adopted by the board and intended to promote school safety and an atmosphere for learning.

The student handbook is a general reference guide only and is designed to be in harmony with board policy and the Student Code of Conduct. Please be aware that it is not a complete statement of all policies, procedures, or rules that may be applicable in a given circumstance.

Also, please be aware that the Student Handbook is updated yearly, while policy adoption and revision may occur throughout the year. Changes in policy or other rules that affect Student Handbook provisions will be made available to students and parents through online updates to the handbook. The district reserves the right to modify provisions of the Student Handbook at any time, whenever it is deemed necessary.

Although the Student Handbook may refer to rights established through law or district policy, the Student Handbook does not create any additional rights for students and parents. It does not, nor is it intended to, create contractual or legal rights between any student or parent and the district.

Please note that references to policy codes are included so that parents can refer to current board policy. The district's official policy manual is available for review in the superintendent's office, and an unofficial electronic copy is available at www.gobearsgo.net.

If you have difficulty accessing the information in this document because of disability, please contact the main high school office at 903-852-2321.

SECTION I: PARENTAL RIGHTS

This section of the Brownsboro ISD Student Handbook includes information related to certain rights of parents as specified in state or federal law.

CONSENT, OPT-OUT, AND REFUSAL RIGHTS

Consent to Conduct a Psychological Evaluation

A district employee will not conduct a psychological examination, test, or treatment without obtaining prior written parental consent unless the examination, test, or treatment is required under state or federal law regarding requirements for special education or by the Texas Education Agency (TEA) for child abuse investigations and reports.

Consent to Display a Student's Original Works and Personal Information

Teachers may display student work, which may include personally identifiable information, in classrooms or elsewhere on campus as recognition of student achievement.

However, the district will seek parental consent before displaying student artwork, special projects, photographs taken by students, original videos, voice recordings, and other original works via all methods of mass communication.

Consent to Receive Parenting and Paternity Awareness Instruction if Student is Under Age 14

A child under the age of 14 must have parental permission to receive instruction in the district's parenting and paternity awareness program; otherwise the child will not be allowed to participate in the instruction. This program, developed by the Office of the Texas Attorney General and the State Board of Education (SBOE), is incorporated into the district's health education classes.

Consent to Video or Audio Record a Student When Not Otherwise Permitted by Law

State Law permits the school to make a video or voice recording without parental permission for the following circumstances:

- When it is to be used for school safety;
- When it relates to classroom instruction or a co-curricular or extracurricular activity;
- When it relates to media coverage of the school.

The district will seek parental consent through a written request before making any video or voice recording of your child not otherwise allowed by law.

Prohibiting the Use of Corporal Punishment

Corporal Punishment - may be used as a discipline management technique in accordance with the Student Code of Conduct and policy FO (LOCAL) in the district's manual.

If you do not want corporal punishment to be administered to your child as a method of student discipline, please submit a written statement to the campus principal stating that decision. A signed statement must be provided each year if you do not want corporal punishment to be administered to your child.

You may choose to revoke this prohibition at any time during the year by providing a signed statement to the campus principal. However, district personnel may choose to use discipline methods other than corporal punishment even if the parent requests that this method be used.

Please note that if the district is made aware that a student is in temporary or permanent conservatorship (custody) of the state, through foster care, kinship care, or other arrangements, corporal punishment shall not be administered, even when a signed statement prohibiting its use has not been submitted by the student's caregiver or caseworker.

Limiting Electronic Communications with Students by District Employees

Teachers and other approved employees are permitted by the district to communicate with students through the use of electronic media within the scope of the individual's professional responsibilities. For example, a teacher may set up a social networking page for his or her class that has information related to class work, homework, and tests. As a parent, you are welcome to join or become a member of such pages.

An employee may also contact a student individually through electronic media to communicate about items such as homework or upcoming tests.

However, instant or text messages sent to an individual student are only allowed if a district employee with responsibility for an extracurricular activity needs to communicate with a student participating in the extracurricular activity.

If you prefer that your child not receive any one-to-one electronic communications from a district employee or if you have questions related to the use of electronic media by district employees, please contact the campus principal.

Objecting to the Release of Directory Information

The Family Educational Rights and Privacy Act, or FERPA permits the district to disclose appropriately designated "directory information", from a child's education records without written consent. "Directory information: is information that is generally not considered harmful or an invasion of privacy if released. This "directory information" will be released to anyone who follows procedures for requesting it.

However, a parent or eligible student may object to the release of a student's directory information. This objection must be made in writing to the principal within ten school days of your child's first day of instruction for this school year. (See the "Notice Regarding Directory

Information and Parent's Response Regarding Release of Student Information" included in the forms packet.)

The district has identified the following as directory information:
Student name, address, phone number, date of birth, grade level.

Objecting to the Release of Student Information to Military Recruiters and Institutions of Higher Education (Secondary Grade Levels Only)

The district is required by federal law to comply with a request by a military recruiter or an institution of higher education for students' names, addresses, and telephone listing, unless parents have advised the district not to release their child's information without prior written consent. A form included in the forms packet is available if you do not want the district to provide this information to military recruiters or institutions of higher education.

Consent Required Before Student Participation in a Federally Funded Survey, Analysis, or Evaluation

Your child will not be required to participate without parental consent in any survey, analysis, or evaluation - funded in whole or in part by the U.S. Department of Education - that concerns:

- Political affiliations or beliefs of the student or the student's parents.
- Mental or psychological problems of the student or the student's family.
- Sexual behavior or attitudes.
- Illegal, antisocial, self-incriminating, or demeaning behavior.
- Critical appraisals of individuals with whom the student has a close family relationship.
- Relationships privileged under law, such as relationships with lawyers, physicians, or ministers.
- Religious practices, affiliations, or beliefs of the student or parents.
- Income, except when the information is required by law and will be used to determine the student's eligibility to participate in a special program or to receive financial assistance under such a program.

You will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation. (For further information, see policy EF(LEGAL).

"Opting Out" of Participation in other types of Surveys or Screenings and the Disclosure of Personal Information

As a parent, you have the right to receive notice of and deny permission for your child's participations in:

- Any survey concerning the private information listed above, regardless of funding.
- School activities involving the collection, disclosure, or use of personal information gathered from your child for the purpose of marketing, selling, or otherwise disclosing that information. Note that this does not apply to the collection, disclosure, or use of

personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.

- Any non-emergency, invasive physical examination or screening required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student. Exceptions are hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law. (See policies EF and FFAA.)

As a parent, you may inspect a survey created by a third party before the survey is administered or distributed to your child.

REMOVING A STUDENT FROM INSTRUCTION OR EXCUSING A STUDENT FROM A REQUIRED COMPONENT OF INSTRUCTION

Human Sexuality Instruction

As part of the district's curriculum, students receive instruction related to human sexuality. The School Health Advisory Council (SHAC) is involved with the selection of course materials for such instruction.

State law requires that any instruction related to human sexuality, sexually transmitted diseases, human immunodeficiency virus, or acquired immune deficiency syndrome must:

- Present abstinence from sexual activity as the preferred choice of behavior in relationship to all sexual activity for unmarried persons of school age.
- Devote more attention to abstinence from sexual activity than to any other behavior.
- Emphasize that abstinence is the only method that is 100% effective in preventing pregnancy, sexually transmitted diseases, and the emotional trauma associated with adolescent sexual activity.
- Direct adolescents to a standard of behavior in which abstinence from sexual activity before marriage is the most effective way to prevent pregnancy and sexually transmitted diseases.

In accordance with state law, below is a summary of the district's curriculum regarding human sexuality instruction:

- Anatomy and Physiology
- AP Biology and Biology
- Child Development
- Child Guidance
- Health
- Personal and Family Development

As a parent, you are entitled to review the curriculum materials. In addition, you may remove your child from any part of the human sexuality instruction with no academic, disciplinary, or other penalties. You may also choose to become more involved with the development of

curriculum used for this purpose by becoming a member of the district's SHAC. Please see the campus principal for additional information.

Reciting a Portion of the Declaration of Independence in Grades 3-12

You may request that your child be excused from recitation of a portion of the Declaration of Independence. State law requires students in social studies classes in grades 3-12 to recite a portion of the text of the Declaration of Independence during Celebrate Freedom Week unless (1) you provide a written statement requesting that your child be excused, (2) the district determines that your child has a conscientious objection to the recitation, or (3) you are a representative of a foreign government to whom the United States government extends diplomatic immunity. (see policy EHBK(LEGAL).)

Reciting the Pledges to the U.S. and Texas Flags

As a parent, you may request in writing that your child be excused from participation in the daily recitation of the pledge of allegiance to the United States flag and the pledge of allegiance to the Texas flag. State law does not allow your child to be excused from participation in the required minute of silence or silent activity that follows. (See Pledges of Allegiance and Minute of Silence policy EC(LEGAL).)

Religious or Moral Beliefs

You may remove your child temporarily from the classroom if an instructional activity in which your child is scheduled to participate conflicts with your religious or moral beliefs. The removal cannot be for the purpose of avoiding a test and may not extend for an entire semester. Further, your child must satisfy grade-level and graduation requirements as determined by the school and by state law.

Tutoring or Test Preparation

A teacher may determine that a student is in need of additional time and support in order to master essential standards. The school will always attempt to provide this support in ways that prevent removal from other instruction as much as possible. In accordance with state law and policy EC, the school will not remove a student from a regularly scheduled class for remedial tutoring or test preparation for more than ten percent of the school days on which the class is offered, unless the student's parent consents to this removal.

(Also refer to policies EC and EHBC, and contact your student's teacher with questions about any support programs provided by the school.)

RIGHT OF ACCESS TO STUDENT RECORDS, CURRICULUM MATERIALS, AND DISTRICT RECORDS

Instructional Materials

As a parent, you have a right to review textbooks, tests, and instructional materials used in the curriculum, or administered to your child.

Notices of Certain Student Misconduct to Noncustodial Parent

A noncustodial parent may request in writing that he or she be provided, for the remainder of the school year, a copy of any written notice usually provided to a parent related to his or her child's misconduct that may involve placement in a disciplinary alternative education program (DAEP) or expulsion. (See policy FO(LEGAL) and the Student Code of Conduct.)

Student Records

Accessing Student Records

You may review your child's student records. These records include:

- Attendance records
- Test scores
- Grades
- Disciplinary records
- Counseling records
- Psychological records
- Applications for admission
- Health and immunization information
- Other medical records
- Records relating to assistance provided for learning difficulties, including information collected regarding any intervention strategies used with your child, as the term intervention strategy is defined by law
- State assessment instruments that have been administered to your child

Authorized Inspection and Use of Student Records

A federal law, known as the Family Educational Rights and Privacy Act, or FERPA, affords parents and eligible students certain rights with respect to the student's educational records. For purposes of student records, an "eligible" student is one who is 18 or older who is attending an institution of postsecondary education. These rights are discussed in this section as well as at Objecting to the Release of Directory Information:

- The right to inspect and review student records within 45 days after the day the school receives a request for access.
- The right to request an amendment to a student record the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of FERPA.
- The right to provide written consent before the school discloses personally identifiable information from the student's records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning failure by the school to comply with FERPA requirements. The name and address of the office that administers FERPA:

Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

Both FERPA and state laws safeguard student records from unauthorized inspection or use and provide parents and eligible students certain rights of privacy. Before disclosing any personally identifiable information from a student's records, the district must verify the identity of the person, including a parent or student, requesting the information.

Virtually all information pertaining to student performance, including grades, test results, and disciplinary records are considered confidential educational records.

Inspection and release of student records is primarily restricted to an eligible student or a student's parents - whether married, separated, or divorced - unless the school is given a copy of a court order terminating parental rights or the rights to access a student's education records.

Federal law requires that, as soon as a student becomes 18, is emancipated by a court, or enrolls in a postsecondary institution, control of the records goes to the student. The parents may continue to have access to the records, however, if the student is a dependent for tax purposes and under limited circumstances when there is a threat to the health and safety of the student or other individuals.

FERPA permits the disclosure of personally identifiable information from a student's education records, without written consent of the parent or eligible student in the following circumstances.

- When district school officials have what federal law refers to as a "legitimate educational interest" in a student's records. School officials would include board members and employees, such as the superintendent, administrators, and principals; teacher, school counselors, diagnosticians, and support staff (including district health or district medical staff); a person or company with whom the district has contracted or allow to provide particular instructional service or function (such as an attorney, consultant, third-party vendor that offers only programs or software, auditor, medical consultant, therapist, school resource officer, or volunteer); a parent or student serving on a school committee; or a parent or student assisting a school official in the performance of his or her duties."Legitimate educational interest" in a student's records includes working with the student; considering disciplinary or academic actions, the student's case, or an individualized education program for a student with disabilities; compiling statistical data; reviewing an educational record to fulfill the official's professional responsibility to the school and the student; or investigation or evaluation programs.
- To authorized representatives of various governmental agencies, including juvenile service providers, the U.S. Comptroller General's office, the U.S. Attorney General's office, the U.S. Secretary of Education, TEA, the U.S. Secretary of Agriculture's office,

and Child Protective Services (CPS) caseworkers or other child welfare representatives, in certain cases.

- To individuals or entities granted access in response to a subpoena or court order.
- To another school, school district/system, or institution of postsecondary education to which a student seeks or intends to enroll or in which he or she is already enrolled.
- In connection with financial aid for which a student has applied or which the student has received.
- To accrediting organizations to carry out accrediting functions.
- To organizations conducting studies for, or on behalf of, the school, in order to develop, validate, or administer predictive tests; administer student aid programs; or improve instruction.
- To appropriate officials in connection with a health or safety emergency.
- When the district discloses information it has designated as directory information (see Objecting to the Release of Directory Information for opportunities to prohibit this disclosure).

Release of personally identifiable information to any other person or agency - such as a prospective employer or for a scholarship application - will occur only with parental or student permission as appropriate.

The principal is custodian of all records for currently enrolled students at Brownsboro High School as well as all records for students who have withdrawn or graduated.

A parent or eligible student who wishes to inspect the student's records should submit a written request to the records custodian identifying the records he or she wishes to inspect. Records may be inspected by a parent or eligible student during regular school hours. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records.

If circumstances prevent inspection during regular school hours and the student qualifies for free or reduced-price meals, the district will either provide a copy of the records requested or make other arrangements for the parent or student to review these records. The address of the principal's office is:

P O Box 465
Brownsboro, TX 75756

A parent or eligible student may inspect the student's records and request a correction or amendment if the records are considered inaccurate, misleading, or otherwise in violation of the student's privacy rights. A request to correct a student's record should be submitted to the principal. The request must clearly identify the part of the record that should be corrected and include an explanation of how the information in the record is inaccurate. If the district denies the request to amend the records the parent or eligible student has the right to request a hearing. If the records are not amended as a result of the hearing, the parent or eligible student

has 30 school days to exercise the right to place a statement commenting on the information in the student's record.

Although improperly recorded grades may be challenged, contesting a student's grade in a course or on an examination is handled through the general complaint process found in policy FNG(LOCAL). A grade issued by a classroom teacher can be changed only if, as determined by the board of trustees, the grade is arbitrary, erroneous, or inconsistent with the district's grading policy. (See FINALITY OF GRADES at FNG(LEGAL), Reports Cards/Progress Reports and Conferences, and Complaints and Concerns for an overview of the process).

The district's policy regarding student records found at policy FL is available from the principal or superintendent's office as well as at www.gobearsgo.net.

The parent's or eligible student's right of access to and copies of student records do not extend to all records. Materials that are not considered educational records - such as a teacher's personal notes about a student that are shared only with a substitute teacher - do not have to be made available to the parents or student.

Teacher and Staff Professional Qualifications

You may request information regarding the professional qualifications of your child's teachers and paraprofessionals.

STUDENTS WITH EXCEPTIONALITIES OR SPECIAL CIRCUMSTANCES

Children of Military Families

Children of military families will be provided flexibility regarding certain district requirements including:

- Immunization requirements.
- Grade level, course, or educational program placement.
- Eligibility requirements for participation in extracurricular activities.
- Graduation requirements.

In addition, absences related to a student visiting with his or her parent, including a stepparent or legal guardian, who has been called to active duty, is on leave, or is returning from a deployment of at least four months will be excused by the district. The district will permit no more than five excused absences per year for this purpose. For the absence to be excused, the absence must occur no earlier than that 60th day before deployment or no later than the 30th day after the parent's return from deployment.

Additional information may be found at:

Military Family Resources at the Texas Education Agency

Parental Role in Certain Classroom and School Assignments Multiple Birth Siblings

As a parent, if your children are multiple birth siblings (e.g., twins, triplets, etc.) assigned to the same grade and campus, you may request that they be placed either in the same classroom or in separate classrooms. Your written request must be submitted no later than the 14th day after the enrollment of your children. (See policy FDB(LEGAL).)

Safety Transfers/Assignments

As a parent you may:

- Request the transfer of your child to another classroom or campus if your child has been determined by the district to have been a victim of bullying as the term is defined by Education Code 37.0832. Transportation is not provided for the transfer to another campus. See the principal for information.
- Consult with district administrators if your child has been determined by the district to have engaged in bullying and the board decided to transfer your child to another classroom or campus. Transportation is not provided for a transfer to another campus. (See Bullying policy FDB, and policy FFI.)
- Request the transfer of your child to attend a safe public school in the district if your child attends school at a campus identified by TEA as persistently dangerous or if your child has been a victim of a violent criminal offense while at school or on school grounds. (See policy FDE.)
- Request the transfer of your child if your child has been the victim of a sexual assault by another student assigned to the same campus, whether the assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for that assault. If the victim does not wish to transfer, the district will transfer the assailant in accordance with policy FDE.

Service/Assistance Animal Use by Students

A parent of a student who uses a service/assistance animal because of the student's disability must submit a request in writing to the principal before bringing the service/assistance animal on campus. The district will address the request within ten district business days.

Students in the Conservatorship of the State (Foster Care)

A student who is currently in the conservatorship (custody) of the state and who enrolls in the district after the beginning of the school year will be allowed credit-by-examination opportunities. The district will grant proportionate course credit by semester (partial credit) when a student only passes one semester of a two-semester course.

A student who is currently in the conservatorship of the state and moved outside of the district's or school's attendance boundaries, or who is initially placed in the conservatorship of the state and moved outside the district's or school's boundaries, is entitled to continue in enrollment at the school he or she was attending prior to the placement or move until the student reaches the highest grade level at the particular school. In addition, if a student in grade 11 or 12 transfers to another district but does not meet the graduation requirements of the receiving district, the

student can request to receive a diploma from the previous district if he or she meets the criteria to graduate from the previous district.

In addition, for a student in the conservatorship of the state who is eligible for a tuition and fee exemption under state law and likely to be in care on the day preceding the student's 18th birthday, the district will:

- Assist the student with the completion of any application for admission or for financial aid
- Arrange and accompany the student on campus visits
- Assist in researching and applying for private or institution sponsored scholarships
- Identify whether the student is a candidate for appointment to a military academy
- Assist the student in registering a preparing for college entrance examinations, including, subject to the availability of funds, arranging for the payment of any examination fees by the Texas Department of Family and Protective Services (DFPS)
- Coordinate contact between the student and a liaison officer for student who were formerly in the conservatorship of the state

Students who are Homeless

Children who are homeless will be provided flexibility regarding certain district provisions, including:

- Proof of residency requirements
- Immunization requirements
- Educational program placement, if the student is unable to provide previous academic records, or misses an application deadline during a period of homelessness
- Credit-by-examination opportunities
- The award of partial credit (awarding credit proportionately when a student passes only one semester of a two-semester course)
- Eligibility requirements of participation in extracurricular activities
- Graduation requirements

If a student in grade 11 or 12 is homeless and transfers to another school district but does not meet the graduation requirements of the receiving district, the student can request to receive a diploma from the previous district if he or she meets the criteria to graduate from the previous district.

Federal law also allows a homeless student to remain enrolled in what is called the "school of origin" or to enroll in a new school in the attendance area where the student is currently residing.

A student or parent who is dissatisfied by the district's eligibility, school selection, or enrollment decision may appeal through policy FNG(LOCAL). The district will expedite local timelines, when possible, for prompt dispute resolution.

Aiding Students Who Have Learning Difficulties or Who Need Special Education or Section 504 Services

For those students who are having difficulty in the regular classroom, all school districts and open enrollment charter schools must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of districts and charter schools to meet the needs of all struggling students.

If a student is experiencing learning difficulties, his or her parent may contact the individual(s) listed below to learn about the school's overall general education referral or screening system for support services. This system links students to a variety of support options, including making a referral for a special education evaluation or for a Section 504 evaluation to determine if the student needs specific aids, accommodations, or services. A parent may request an evaluation for special education or Section 504 services at any time.

Special Education Referrals:

If a parent makes a written request for an initial evaluation for special education services to the director of special education services or an administrative employee of the school district or open enrollment charter school, the district or charter school must respond no later than 15 school days after receiving the request. At that time, the district or charter school must give the parent a prior written notice of whether it agrees to or refuses to evaluate the student, along with a copy of the *Notice of Procedural Safeguards*. If the school district or charter school agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

Please note that a request for a special education evaluation may be made verbally and does not need to be in writing. Districts and charter schools must still comply with all federal prior written notice and procedural safeguard requirements and the requirements for identifying, locating, and evaluating children who are suspected of being a child with a disability and in need of special education. However, a verbal request does not require the district or charter school to respond within the 15-school-day timeline.

If the district or charter school decides to evaluate the student, it must complete the student's initial evaluation and evaluation report no later than 45 school days from the day it receives a parent's written consent to evaluate the student. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an exception to the 45-school-day timeline. If a district or charter school receives a parent's consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30th due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the district or charter school must give the parent a copy of the evaluation report at no cost.

Additional information regarding special education is available from the district or charter school in a companion document titled *Parent's Guide to the Admission, Review, and Dismissal Process*.

Contact Person for Special Education Referrals:

The designated person to contact regarding options for a student experiencing learning difficulties or regarding a referral for evaluation for special education services is:

Contact Person: [Brett Durham, Director of Special Education](#)

Phone Number: [\(903\) 852-8100](tel:(903)852-8100)

Section 504 Referrals:

Each school district or charter school must have standards and procedures in place for the evaluation and placement of students in the district's or charter school's Section 504 program. Districts and charter schools must also implement a system of procedural safeguards that includes notice, an opportunity for a parent or guardian to examine relevant records, an impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel, and a review procedure.

Contact Person for Section 504 Referrals:

The designated person to contact regarding options for a student experiencing learning difficulties or regarding a referral for evaluation for Section 504 services is:

Contact Person: [Rita Gray, Director of Federal Programs](#)

Phone Number: [\(903\) 852-3701](tel:(903)852-3701)

Additional Information:

The following websites provide information and resources for students with disabilities and their families.

- [Legal Framework for the Child-Centered Special Education Process](#)

- [Partners Resource Network](#)
- [Special Education Information Center](#)
- [Texas Project First](#)

- **Cómo ayudar a aquellos estudiantes que tienen dificultades de aprendizaje o precisan servicios de educación especial o de la Sección 504**

- Para aquellos estudiantes que tienen dificultades en el salón de clases normal, todos los distritos escolares y las escuelas autónomas de inscripción abierta deben contemplar servicios de tutoría y compensatorios, y otros servicios de apoyo académico o conductual que estén disponibles para todos los estudiantes, incluido un proceso basado en la Respuesta a la Intervención (RtI). La implementación de la RtI tiene el potencial de impactar positivamente en la capacidad de los distritos y escuelas autónomas de satisfacer las necesidades de todos los estudiantes con problemas.
- Si un estudiante está experimentando dificultades de aprendizaje, sus padres pueden comunicarse con la(s) persona(s) mencionada(s) más abajo para obtener información sobre el sistema general de remisión o control de la educación general de la escuela para los servicios de apoyo. Dicho sistema vincula a los estudiantes con una variedad de opciones de apoyo, entre las que se encuentra la remisión para que se realice una evaluación de educación especial o una evaluación de la Sección 504 con el fin de determinar si el estudiante necesita asistencia, adaptaciones o servicios específicos. Los padres pueden pedir una evaluación para los servicios de educación especial o de la Sección 504 en cualquier momento.
- Remisiones de educación especial:
- Si los padres solicitan, por escrito, al director de servicios de educación especial o a un empleado administrativo del distrito escolar o de la escuela autónoma de inscripción abierta que se realice una evaluación inicial para recibir servicios de educación especial, el distrito o la escuela autónoma deben responder dentro de los 15 días lectivos después de haber recibido la solicitud. En ese momento, el distrito o la escuela autónoma deben entregar a los padres notificación previa por escrito respecto de si están de acuerdo o no en evaluar al estudiante, además de enviarles una copia de la *Notificación de salvaguardas procesales*. Si el distrito escolar o la escuela autónoma están de acuerdo en evaluar al estudiante, también deben darles a los padres la oportunidad de prestar su consentimiento por escrito para la evaluación.
-

- Por favor tenga en cuenta que una solicitud para una evaluación de educación especial puede hacerse verbalmente y no necesita hacerse por escrito. Los distritos y escuelas “chárter” deben seguir cumpliendo con todas las notificaciones previas por escrito y los requisitos sobre las salvaguardas procesales de la ley federal para identificar, localizar y evaluar a los niños que se intuya puedan ser niños con alguna discapacidad y que necesite educación especial. Sin embargo, una petición verbal no requiere que el distrito o la escuela “chárter” respondan dentro del periodo establecido de los 15 días escolares.
-
- Si el distrito o la escuela autónoma deciden evaluar al estudiante, deben completar la evaluación inicial y el informe de la evaluación dentro de los 45 días lectivos posteriores al día en que reciban el consentimiento por escrito de los padres para evaluar al estudiante. Sin embargo, si el estudiante se ausenta de la escuela por tres días lectivos o más durante el período de evaluación, dicho período se extenderá la misma cantidad de días lectivos que el estudiante haya faltado.
-
- Existe una excepción al plazo de 45 días lectivos. Si un distrito o una escuela autónoma reciben el consentimiento de los padres para la evaluación inicial entre los 35 y 45 días lectivos previos al último día de clases del año, deben completar el informe escrito y proporcionarles una copia del mismo a los padres, a más tardar, el 30 de junio de dicho año. No obstante, si el estudiante falta a la escuela tres días o más durante el período de evaluación, no se aplica la fecha límite del 30 de junio, sino que se aplica el plazo general de 45 días lectivos más prórrogas por ausencias de tres días o más.
-
- Al completar la evaluación, el distrito o la escuela autónoma deben proporcionar a los padres una copia del informe de evaluación en forma gratuita.
- Hay disponible información adicional sobre educación especial del distrito o la escuela autónoma en el documento complementario titulado *Guía para padres sobre el proceso de admisión, revisión y retiro*.
- Persona de contacto para las remisiones de educación especial:
- La persona designada para contactar en relación con las opciones para un estudiante que experimente dificultades de aprendizaje o en relación con una remisión a evaluación para recibir servicios de educación especial es:
 - Persona de contacto: Brett Durham, Director of Special Education
 - Número de teléfono: (903) 852-8100
- Remisiones de la Sección 504:
- Cada distrito escolar o escuela autónoma debe tener estándares y procedimientos en vigor para la evaluación y colocación de estudiantes en el programa de la Sección 504 del distrito o la escuela autónoma. Además, los distritos y las escuelas autónoma deben implementar un sistema de salvaguardas procesales que incluya una notificación, una

oportunidad para que los padres o tutores examinen los registros relevantes, una audiencia imparcial en la que puedan participar los padres o tutores y en la que haya representación por parte de un abogado, y un procedimiento de revisión.

-
- Persona de contacto para las remisiones de la Sección 504:
- La persona designada para contactar en relación con las opciones para un estudiante que experimente dificultades de aprendizaje o en relación con una remisión a evaluación para recibir servicios de la Sección 504 es:
- Persona de contacto: Rita Gray, Director of Federal Programs
- Número de teléfono: (903) 852-3701

Special Education Referrals:

If a parent makes a written request for an initial evaluation for special education services to the director of special education services or an administrative employee, the school must respond no later than 15 school days after receiving the request. At that time, the district must give the parent a prior written notice of whether it agrees to or refuses to evaluate the student, along with a copy of the Notice of Procedural Safeguards. If the district agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

If the district decides to evaluate the student, it must complete the student's initial evaluation and evaluation report no later than 45 school days from the day it receives a parent's written consent to evaluate the student. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an exception to the 45-school-day timeline. If a district receives a parent's consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30th due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the district must give the parent a copy of the evaluation report at no cost.

Additional information regarding special education is available from the district or charter school in a companion document titled Parent's Guide to the Admission, Review, and Dismissal Process.

Section 504 Referrals:

Each school district or charter school must have standards and procedures in place for the evaluation and placement of students in the districts or charter school's Section 504 program. Districts and charter schools must also implement a system of procedural safeguards that includes notice, an opportunity for a parent or guardian to examine relevant records, an impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel, and a review procedure.

Students Who Receive Special Education Services with Other School-Aged Children in the Home

If a student is receiving special education services at a campus outside his or her attendance zone, the parent or guardian may request that any other student residing in the household be transferred to the same campus if the appropriate grade level for the transferring student is offered on that campus. However, the district is not required to provide transportation to the other children in the household. The parent or guardian should speak with the principal of the school regarding transportation needs prior to requesting a transfer for any other children in the home. (See policy FDB(LOCAL).)

Students Who Speak a Primary Language Other than English

A student may be eligible to receive specialized support if his or her primary language is not English and the student has difficulty performing ordinary classwork in English. If the student qualifies for these services, the Language Proficiency Assessment Committee (LPAC) will determine the types of services the student needs, including accommodations or modifications related to classroom instruction, local assessments, and state-mandated assessments.

Students With Physical or Mental Impairments Protected under Section 504

A child determined to have a physical or mental impairment that substantially limits a major life activity, as defined by law, and who does not otherwise qualify for special education services, may qualify for protection under Section 504 of the Rehabilitation Act. Section 504 is a federal law designed to prohibit discrimination against individuals with disabilities. When an evaluation is requested, a committee will be formed to determine if the child is in need of services and supports under Section 504 to receive a free appropriate public education (FAPE), as this is defined in federal law. (Also see policy FB.)

SECTION II: STUDENT/PARENT INFORMATION

ABSENCES/ATTENDANCE

Regular school attendance is essential for a student to make the most of his or her education, to benefit from teacher-led and school activities, to build each day's learning on the previous day's, and to grow as an individual. Absences from class may result in a disruption of a student's mastery of the instructional content; therefore, the student and parent should make every effort to avoid unnecessary absences.

Compulsory Attendance

(Age 19 and Older)

A student who voluntarily attends or enrolls after his or her 19th birthday is required to attend each school day until the end of the school year. If a student 19 or older has more than five unexcused absences in a semester, the district may revoke the student's enrollment. The student's presence on school property thereafter would be unauthorized and may be considered trespassing. (See policy FEA.)

(Between Ages 6 and 19)

State law requires that a student between the ages of six and not yet reached their 19th birthday attend school, as well as any applicable accelerated instruction program, extended year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

A student will be required to attend any assigned accelerated instruction program, which may occur before or after school or during the summer, if the student does not meet the passing standards on the state assessment for his or her grade level and/or applicable subject area.

Exemptions to Compulsory Attendance

State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:

- Religious holy days
- Required court appearances
- Activities related to obtaining United States citizenship
- Documented health-care appointments, including absences for recognized services for students diagnosed with autism spectrum disorders. A note from the health-care provider must be submitted upon the student's return to campus
- For students in the conservatorship (custody) of the state
 - Mental health or therapy appointments
 - Court-ordered family visitations or any other court-ordered activity, provided it is not practicable to schedule the student's participation in the activity outside of school hours

As listed in Section 1 at Children of Military Families absences of up to five days will be excused for a student to visit with a parent, stepparent, or legal guardian who has been called to duty, is on leave, or immediately returned from certain deployments.

With approval, Juniors and Seniors may take up to two college visit days that are considered exempt for attendance purposes.

An absence will also be considered an exemption if a student 17 years of age or older is pursuing enlistment in a branch of the U.S. armed services or Texas National Guard, provided the absence does not exceed four days and the student provides verification to the district of these activities.

Absences of up to two days in a school year will also be considered an exemption for:

- a student serving as an early voting clerk, provided the district's board has authorized this in policy FEA(LOCAL), the student notifies his or her teachers, and the student receives approval from the principal prior to the absences, and
- A student serving as an election clerk, if the student makes up any work missed.

An absence of a student in grades 6-12 for the purpose of sounding "Taps" at a military honors funeral for a deceased veteran will also be excused by the district.

Failure to Comply with Compulsory Attendance

School employees must investigate and report violations of the state compulsory attendance law. A student absent without permission from school; from any class; from required special programs, such as additional special instruction, termed "accelerated instruction" by the state; or from required tutorials will be considered in violation of the compulsory attendance law and subject to disciplinary action.

Truancy

According to the Texas Education Code, Sec. 25.085, COMPULSORY SCHOOL ATTENDANCE is a mandatory law that schools must enforce. At Brownsboro ISD, our goal is for your child to obtain a quality education. Good attendance is important for many reasons. Your child receives the maximum benefit of education by being in school every day, and numerous studies show a strong link between academic performance and consistent attendance. Because attendance is so critical for the quality of your child's education, in Texas attendance at school is required. At the District level, we have been working to revise attendance procedures to include increased communication. As part of our ongoing communication we want to assist any family that may be struggling with chronic unexcused absences. This written notice outlines important information pertaining to truancy.

The 84th Texas Legislature passed House Bill 2398 which altered truancy laws in Texas. Any truancy proceedings will be handled in a civil court. The District is providing this written warning

to parents at the beginning of the school year informing them that if the student is absent from school for 10 or more days or parts of days within a six-month period in the same school year, the parent/guardian may be subject to criminal prosecution and as mentioned, the student is subject to referral to a truancy court for truant conduct. Any missed days due to regularly scheduled appointments will not be considered excused temporary absences and, therefore, may be subject to judicial enforcement for truancy. According to the Texas Education Agency, in a letter dated November 7, 2001, "Regularly scheduled daily or weekly absences cannot be considered "temporary" within the meaning of TEC §25.087." The only exception is for a student with autism. Texas law provides that a temporary absence of a student diagnosed with autism spectrum disorder, on the day of the student's appointment with a health-care practitioner to receive a generally recognized service for persons with autism spectrum disorder, including applied behavioral analysis, speech therapy, and occupational therapy, will be considered excused absences supported with a note from the health-care professional. Consequently, please schedule any appointments for regularly scheduled therapies or sessions after school hours so that your child can be present at school to receive his/her education and not be counted as having an unexcused absence.

Please be aware that Brownsboro ISD will enforce the Texas compulsory laws as follows:

- Campuses will place automated phone calls to parents or guardians notifying them when a student has been marked as absent. It is the parent's or guardian's responsibility to ensure that he/she provides current and up to date contact information to the school.
- All parents will be issued a warning notice when attendance records reflect that the student has absences without an excuse on three days or parts of days in a four-week period or five or more days or parts of days during the school year. Further, each campus may request a conference with the student and parent/guardian for the purpose of addressing truancy prevention measures for students that exhibit attendance issues in order to improve the student's overall attendance.
- After a student is absent five or more days or parts of days during the school year, parents and students, (if older than 12) will be required to participate in the Truancy Intervention Program (TIP). The TIP is an information-based intervention program offered to parents and students as a preventative measure to intervene before students receive a referral to truancy court, and to educate parents/guardians and students who are experiencing truancy problems about the consequences associated with unexcused absences. The TIP is offered to students and parents only once during each school year. This includes any of the following:

Developing an Attendance Behavior Improvement Plan

Student Attendance Contract

Referral to the STAR Program

A Referral to the School Counselor

A Parent Truancy Training with the School Truancy Officer

- If a student fails to attend school without an excuse for 10 or more days or parts of days within a six-month period in the same school year and those absences have been verified by the campus as unexcused, students 12 and older may be referred to the prosecutor of the truancy court of Henderson County. At this point, the court could also file a criminal complaint against parents/guardians who contribute to the nonattendance of his/her student, regardless of the student's age.

Please remember, presence in school is a strong indicator of future success!!!

Students with Disabilities

If a student with a disability is experiencing attendance issues, the student's ARD committee or Section 504 committee will be notified, and the committee will determine whether the attendance issues warrant an evaluation, a reevaluation, and/or modifications to the student's individualized education program or Section 504 plan, as appropriate.

Student Age 19 and Older

If a student who is 19 years of age or older incurs a third unexcused absence, the district will send the student a letter as required by law explaining that the district may revoke the student's enrollment for the remainder of the school year if the student has more than five unexcused absences in a semester. As an alternative to revoking a student's enrollment, the district may implement a behavior improvement plan.

Student Between Ages 6 and 19

If a student between ages 6 and 19 incurs unexcused absences for three or more days or parts of days within a four-week period, the school will send a notice to the student's parent, as required by law, to remind the parent that it is the parent's duty to monitor his or her child's attendance and to require the student to come to school. The notice will also inform the parent that the district will initiate truancy prevention measures and request a conference between school administrators and the parents. These measures will include a behavior improvement plan, school-based community service, or referrals to either in-school or out-of-school counseling or other social services. Any other measures considered appropriate by the district will also be initiated. Education Code 25.085(g)

A court of law may also impose penalties against both the student and his or her parents if a school-aged student is deliberately not attending school. A complaint against the parent may be filed in court if the student is absent from school on ten or more days or parts of days within a six-month period in the same school year.

If a student age 12 through age 18 violates the compulsory attendance law, both the parent and student could be charged with a criminal offense. [See policy FEA(LEGAL).]

Attendance for Credit or Final Grade (K-12)

To receive credit or a final grade in a class, a student must attend at least 90% of the days the class is offered. A student who attends fewer than 90% of the days the class is offered will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit or a final grade lost because of absences.(See policy FEC.)

In determining whether there were extenuating circumstances for the absences, the attendance committee will use the following guidelines:

- All absences will be considered in determining whether a student has attended the required percentage of days. If makeup work is completed, absences for the reasons listed above at Exemptions to Compulsory Attendance will be considered extenuating circumstances for purposes of attendance for credit or the award of a final grade.
- A transfer or migrant student begins to accumulate absences only after he or she has enrolled in the district.
- The committee will review absences incurred based on the student's participation in board-approved extracurricular activities. These absences will be considered by the attendance committee as extenuating circumstances in accordance with the absences allowed under FM(LOCAL).
- The committee will consider the acceptability and authenticity of documented reasons for the student's absences.
- The committee will consider whether the absences were for reasons over which the student or the student's parent could exercise control.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student or parent will be given an opportunity to present any information to the committee about the absences and to talk about ways to earn or regain credit.

The student or parent may appeal the committee's decision following policy FNG(LOCAL).

Official Attendance-Taking Time

The district must submit attendance of its students to (TEA) reflecting attendance at a specific time each day. Official attendance is taken every day during second period for ADA purposes.

DOCUMENTATION AFTER AN ABSENCE

Parent's Note after an Absence

When a student is absent from school, the parent/guardian must call the school on the day of the absence or the student must bring a note, the day they return to school. The note must be signed by the parent that describes the reason for the absence. Unexcused Absences must be

cleared by required documentation within 3 days of absences. A note signed by the student, even with the parent's permission, will not be accepted unless the student is 18 or older.

Doctor's Note after an Absence for Illness

Upon return to school, a student absent for more than 3 consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student's extended absence from school.

Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the student's absence from school.

[See policy FEC(LOCAL)]

Driver License Attendance Verification

To obtain a driver's license, a student between the ages of 16 and 18 must provide to the Texas Department of Public Safety a form obtained from the school verifying that the student has met the 90 percent attendance requirement for the semester preceding the date of application. The student can obtain this form at the campus registrar's office.

Accountability Under State and Federal Law

Brownsboro ISD and each of its campuses are held to certain standards of accountability under state and federal law. A key component of the accountability requirements is the dissemination and publication of certain reports and information, which include:

- The Texas Academic Performance Report (TAPR) for the district, compiled by TEA, the state agency that oversees public education, based on academic factors and ratings
- A School Report Card (SRC) for each campus in the district compiled by TEA based on academic factors and rating
- The district's financial management report, which will include the financial accountability rating assigned to the district by TEA
- Information compiled by TEA for the submission of a federal report card that is required by federal law

This information can be found on the district's website at gobearsgo.net. Hard copies of any reports are available upon request to the district's administration office.

TEA also maintains additional accountability and accreditation information at TEA Performance Reporting Division and the TEA homepage.

Armed Services Vocational Aptitude Battery Test

A student in grades 10–12 will be offered an opportunity to take the Armed Services Vocational Aptitude Battery test and consult with a military recruiter.

The test shall be offered on [date] at [time] at [location].
Please contact the principal for information about this opportunity.

Academic Programs

The school counselor provides student and parent information regarding academic programs to prepare for higher education and career choices. [For more information, see Academic Counseling in this handbook and policies at EIF]

Bullying

Bullying is defined in Section 37.0832 of the Education Code as a single significant act or pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct, that:

Has the effect or will have the effect of physically harming a student, damaging a student's property or placing a student in reasonable fear of physical harm to the student's person or of damage to the student's property; or Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;

- Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
- Infringes on the rights of the victim at school.

Bullying includes cyberbullying. Cyberbullying is defined by Section 37.0832 of the Education Code as bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

The district is required to adopt policies and procedures regarding:

1. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property
2. Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying interferes with a student's educational opportunities or substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity

Bullying is prohibited by the district and could include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name-calling, rumor-spreading, or ostracism.

If a student believes that he or she has experienced bullying or has witnessed bullying of another student, it is important for the student or parent to notify a teacher, school counselor, principal, or another district employee as soon as possible to obtain assistance and intervention. The administration will investigate any allegations of bullying or other related misconduct. The district will also provide notice to the parent of the alleged victim and the parent of the student who was alleged to have engaged in the bullying. Available counseling options will be provided to these individuals, as well as to any students who have been identified as witnesses to the bullying.

A student may anonymously report an alleged incident of bullying by calling BISD Police Department at (903)852-8068 or tiptext to (903)309-1586. To report any other bullying complaints you may obtain a form from the website or the main office at your campus.

If the results of an investigation indicate that bullying has occurred, the administration will take appropriate disciplinary action and may notify law enforcement in certain circumstances. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying. Available counseling options will be offered to these individuals, as well as to any students who have been identified as witnesses to the bullying. Any retaliation against a student who reports an incident of bullying is prohibited.

Upon the recommendation of the administration, the board may, in response to an identified case of bullying, decide to transfer a student found to have engaged in bullying to another classroom at the campus. In consultation with the student's parent, the student may also be transferred to another campus in the district. The parent of a student who has been determined by the district to be a victim of bullying may request that his or her child be transferred to another classroom or campus within the district. [See [Safety Transfers/Assignments](#).]

A copy of the district's policy is available on the district's website at www.gobearsgo.net

A student or parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG(LOCAL).

[Also See Safety Transfers/Assignments, Dating Violence, Discrimination, Harassment, and Retaliation, Hazing, policy FFI, and the district improvement plan, a copy of which can be viewed in the campus office.]

Career and Technical Education (CTE) Programs

The district offers career and technology programs, please contact Sandra Choate, CTE Director for more information.

These programs will be offered without regard to race, color, national origin, sex, or disability. The Counselors will take steps to ensure that lack of English language skills will not be a barrier to admission and participation in all educational and CTE programs. (Also see Nondiscrimination Statement for the name and contact information for the Title IX coordinator and Section 504 coordinator, who will address certain allegation of discrimination.)

Child Sexual Abuse and other Maltreatment of Children

The district has established a plan for addressing child sexual abuse and other maltreatment of children, which may be accessed at www.gobearsgo.net. As a parent, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. A person who compels or encourages a child to engage in sexual conduct commits abuse. It is illegal to make or possess child pornography or to display such material to a child. Anyone who suspects that a child has been or may be abused or neglected has legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Possible physical warning signs of sexual abuse could be difficulty sitting or walking, pain in the genital areas, and claims of stomachaches and headaches.

Behavioral indicators may include verbal references to pretend games of sexual activity between adults and children, fear of being alone with adults of a particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping or eating disorders, and problems in school.

A child who has experienced sexual abuse or any other type of abuse or neglect should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse and neglect and it is important to be calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing by telling you.

As a parent, if your child is a victim of sexual abuse or other maltreatment, the school counselor or principal will provide information regarding counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (DFPS) also manages early intervention counseling programs. To find out what services may be available in your county, see Texas Department of Family and Protective Services.

The following websites might help you become more aware of child abuse and neglect:

- Child Welfare Information Gateway Factsheet

- KidsHealth, For Parents, Child Abuse
- Texas Association Against Sexual Assault, Resources
- Texas Attorney General, What We Can Do About Child Abuse Part 1
- Texas Attorney General, What We Can Do About Child Abuse Part 2

Reports of abuse or neglect may be made to:

The CPS division of the DFPS (1-800-252-5400 or on the web at Texas Abuse Hotline Website).

Class Rank/Top Ten Percent/Highest Ranking Student/Honor Graduates

Class rankings are calculated at the end of every semester. Final rank in class for purposes of determining valedictorian and salutatorian and honor graduates is calculated at the end of the third ninth-week grading period of the senior year. Brownsboro High School uses a weighted grade averaging system that is designed to recognize the relative difficulty and effort required for the courses taken. The additional points added to the grade are used solely for ranking purposes and will not be reflected on the student's transcript.

The honor of valedictorian and salutatorian shall be given to the graduates who:

1. Earned the highest and second highest weighted grade averages
2. Attended the District high school for the four regular semesters immediately preceding graduation.
 - To be considered in attendance for a semester a student must have been enrolled by the 10th day of instruction that semester

In case of a tie in weighted grade averages among the top ranking students, the following methods shall be used to determine who shall be recognized as valedictorian or salutatorian:

1. The student with the most AP courses shall be ranked higher.
2. If a tie still remains, the student with the higher numerical grade average in all AP courses shall be ranked higher.

Three year graduates shall not be eligible for valedictorian or salutatorian honors.

Students whose cumulative grade average is 90 or above and who are on the distinguished achievement or recommended program, with at least 5 honors, or Pre AP, and/or AP credits on their transcript will be recognized as honor graduates. Three-year graduates are eligible for graduation honors. Grades received from courses taken from a college or university for concurrent credit or grades received from credit by examination or correspondence courses will not be used in calculating a student's grade point average. Also, grades earned through band, athletics, drill team, and physical education shall not be used for grade point calculation.

Class Schedules

Student schedules are composed through a planning process where the student is provided an opportunity for input. No schedule changes will be made except to equalize class size or satisfy graduation requirements. Students will be told the procedure for requesting a schedule change when school starts. All schedule changes will be made by campus administration and/or

counseling department. Campus administration has the discretion to add/drop classes as needed.

College Credit/Dual Credit/Concurrent Enrollment

Sophomores, Juniors and Seniors may receive college credit while attending Brownsboro High School by enrolling in classes offered at TVCC or TJC. See your counselor for more details. Students enrolled in dual credit /concurrent courses at BHS who are assigned DAEP may be removed from the class and enrolled in a regular level class equivalent.

College and University Admissions

For two school years following his or her graduation, a district student who graduates in the top ten percent and, in some cases, the top 25 percent, of his or her class is eligible for automatic admission into four-year public universities and colleges in Texas if the student:

- Completes the distinguished level of achievement under the foundation graduation program (a student must graduate with at least one endorsement and must have taken Algebra II as one of the four required math courses)
- Satisfies the ACT College Readiness Benchmarks or earns at least a 1500 out of 2400 on the SAT

In addition, the student must submit a completed application for admission in accordance with the deadline established by the college or university. The student is ultimately responsible for ensuring that he or she meets the admission requirements of the university or college to which the student submits an application.

The University of Texas at Austin may limit the number of students automatically admitted to 75 percent of the University's enrollment capacity for incoming resident freshmen. For students who are eligible to enroll in the University during the summer or fall term, the University will be admitting the top seven percent of the high school's graduating class who meet the above requirements. Additional applicants will be considered by the University through a holistic review process.

Should a college or university adopt an admissions policy that automatically accepts the top 25 percent of a graduating class, the provisions above will also apply to a student ranked in the top 25 percent of his or her class.

Students and parents should contact the school counselor for further information about automatic admissions, the application process, and deadlines.

[See also Class Rank/Highest-Ranking Student for information specifically related to how the district calculates a student's rank in class, and requirements for Graduation for information associated with the foundation graduation program]

[See Students in the Conservatorship of the State (Foster Care) for information on assistance in transitioning to higher education for students in foster care.]

College Credit Courses

Students in grades 9–12 have opportunities to earn college credit through the following methods:

- Certain courses taught at the high school campus, which may include courses termed dual credit, Advanced Placement (AP), International Baccalaureate (IB), or college preparatory
- Enrollment in an AP or dual credit course through the Texas Virtual School Network(TXVSN)
- Enrollment in courses taught in conjunction and in partnership with TVCC, which may be offered on or off campus
- Enrollment in courses taught at other colleges or universities
- Certain CTE courses

All of these methods have eligibility requirements and must be approved prior to enrollment in the course. Please see the school counselor for more information. Depending on the student's grade level and the course, a state-mandated end-of- course assessment may be required for graduation.

It is important to keep in mind that not all colleges and universities accept credit earned in all dual credit or AP courses taken in high school for college credit. Students and parents should check with the prospective college or university to determine if a particular course will count toward the student's desired degree plan.

COMMUNICATIONS-AUTOMATED

Emergency

The district will rely on contact information on file with the district to communicate with parents in an emergency situation, which may include real-time or automated messages. An emergency purpose may include early dismissal or delayed opening because of severe weather or another emergency, or if the campus must restrict access due to a security threat. It is crucial to notify your child's school when a phone number previously provided to the district has changed.

[See Safety for information regarding contact with parents during an emergency situation.]

Non-Emergency

Your child's school will request that you provide contact information, such as your phone number and email address, in order for the school to communicate items specific to your child, your child's school, or the district. If you consent to receive such information through a landline or wireless phone, please ensure that you notify the school's administration office immediately upon a change in your phone number. The district or school may generate automated or pre-recorded messages, text messages, or real-time phone or e-mail communications that are closely related to the school's mission, so prompt notification of any change in contact information will be crucial to maintain timely communication with you. Standard messaging rates of your phone carrier may apply. If you have specific requests or needs related to how the district contacts you, please contact your child's principal. [See Safety for information regarding contact with parents during an emergency situation.]

Complaints and Concerns

Usually student or parent complaints or concerns can be addressed informally by a phone call or a conference with the teacher or principal. For those complaints and concerns that cannot be handled so easily, the board has adopted a standard complaint policy at FNG(LOCAL) in the district's policy manual. A copy of this policy may be obtained in the principal's or superintendent's office www.gobearsgo.net.

Should a parent or student feel a need to file a formal complaint, the parent or student should file a district complaint form within the timelines established in policy FNG(LOCAL). In general, the student or parent should submit the written complaint form to the campus principal. If the concern is not resolved, a request for a conference should be sent to the superintendent. If still unresolved, the district provides for the complaint to be presented to the board of trustees.

CONDUCT

Applicability of School Rules

As required by law, the board has adopted a Student Code of Conduct that prohibits certain behaviors and defines standards of acceptable behavior—both on and off campus—and consequences for violation of these standards. The district has disciplinary authority over a student in accordance with the Student Code of Conduct. Students and parents should be familiar with the standards set out in the Student Code of Conduct, as well as campus and classroom rules.

Campus Behavior Coordinator

By law, each campus has a campus behavior coordinator to apply discipline management techniques and administer consequences for certain student misconduct, as well as provide a point of contact for student misconduct.

Discipline Management Techniques

Discipline shall be designed to improve conduct and encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques including restorative discipline practices. Discipline shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effects of the misconduct on the school environment, and statutory requirements.

Detention

Detention may be assigned to students for minor infractions. Detention will be held Tuesdays and Wednesdays in the morning from 7:30-8:00 and in the afternoon from 3:35-4:05, other times specified by the teacher or principal. Other means of satisfying required detentions *may* be made available at administrator discretion.

FAILURE TO ATTEND DETENTION WILL RESULT IN FURTHER DISCIPLINARY CONSEQUENCES

DISCIPLINE STEPS

Students should refer to and be aware of all behaviors and consequences addressed in the Student Code of Conduct. The following discipline schedule will be used for minor infractions, but is not limited to this action if the principal decides otherwise.

<h2>DISCIPLINE MANAGEMENT PLAN</h2>

The following discipline schedule will be used for minor infractions such as tardies, dress code violations, failure to serve D-hall, public display of affection and any class or hall violations.

Other violations of the Student Code of Conduct can result in immediate placement in In School Suspension (ISS), Suspension and/or the Alternative Education Program (DAEP).

Steps:	Consequence:
1	D-Hall
2	D-Hall
3	D-Hall
4	MAJOR ISS (Minimum 1 day)
5	D-Hall
6	D-Hall
7	MAJOR: ISS/Suspension (Minimum 2 day)
8	D-Hall
9	MAJOR: ISS/Suspension (Minimum 2 day)
10	MAJOR: ISS/Suspension (Minimum 2 day)
11	DAEP (Minimum 30 days)

Fighting

Fighting is not tolerated at Brownsboro ISD. Students who fight will be given 3 days Out of School Suspension, 3 days In School Suspension and referred to BISD Police for disorderly conduct.

Tobacco Products, Cigarettes, E-cigarettes, Vapes, ect.

The following policy pertains to any student found using or in possession of tobacco products, cigarettes, e-cigarettes, vapes, and/or any component, part, or accessory for an e-cigarette device or vaping device

First Offense: 15 Day Alternative Education Placement (DAEP)

Second Offense: 45 Day Alternative Education Placement (DAEP) with the opportunity for a 30 Day Review and referral to Henderson County Pct. 3 for citation.

Other major violations of the Student Code of Conduct may result in immediate placement in In-School Suspension, Out of School Suspension or long-term alternative education placement (DAEP).

Disruptions of School Operations

Disruptions of school operations are not tolerated and may constitute a misdemeanor offense.

As identified by law, disruptions include the following:

- Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator
- Interference with an authorized activity by seizing control of all or part of a building
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly
- Use of force, violence, or threats to cause disruption during an assembly
- Interference with the movement of people at an exit or an entrance to district property
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator
- Disruption of classes or other school activities while on district property or on public property that is within 500 feet of district property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; and entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct.
- Interference with the transportation of students in vehicles owned or operated by the district

Social Events

School rules apply to all school social activities and events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share

responsibility for the conduct of his or her guest. Approval of guests/students attending is at the principal's discretion.

A student attending a school sponsored activity or social event will be asked to sign out when leaving before the end of the event; anyone leaving before the official end of the event will not be readmitted.

COUNSELING

Academic Counseling

The school counselor is available to students and parents to talk about the importance of postsecondary education and how best to plan for postsecondary education, including appropriate course requirements to consider and financial aid availability.

High school students and their parents are encouraged to talk with a school counselor, teacher, or principal to learn more about course offerings, graduation requirements, and early graduation procedures. Each year, high school students will be provided information on anticipated course offerings for the next school year and other information that will help them make the most of their academic extracurricular opportunities, as well as information on the importance of postsecondary education.

The school counselor can also provide information about entrance exams and application deadlines, as well as automatic admission, financial aid, housing, and scholarships as these relate to state colleges and universities. The school counselor can also provide information about workforce opportunities after graduation or technical and trade school opportunities, including opportunities to earn industry-recognized certificates and licenses.

Personal Counseling

The school counselor is available to assist students with a wide range of personal concerns, including such areas as social, family, or emotional issues, or substance abuse. As a parent, if you are concerned about your child's mental or emotional health, please speak with the school counselor for a list of resources that may be of assistance. The counselor may also make available information about community resources to address these concerns.

(Also see Substance Abuse Prevention and Intervention and Suicide Awareness and Mental Health Support.)

Course Credit

A student in grades 9–12, or in a lower grade when a student is enrolled in a high school credit-bearing course, will earn credit for a course only if the final grade is 70 or above. For a two-semester (1 credit) course, the student's grades from both semesters will be averaged and credit will be awarded if the combined average is 70 or above. Should the student's combined

average be less than 70, the student will be required to retake the semester in which he or she failed.

CREDIT BY EXAM

If a Student has taken the course

A student who has previously taken a course or subject but did not receive credit or a final grade for it may, in circumstances determined by the principal or attendance committee, be permitted to earn credit by passing an exam approved by the district's board of trustees on the essential knowledge and skills defined for that course or subject. Prior instruction may include incomplete coursework due to a failed course or excessive absences, homeschooling, or coursework by a student transferring from a non accredited school. The opportunity to take an examination to earn credit for a course or to be awarded a final grade in a subject after the student has had prior instruction is commonly referred to as "credit recovery."

The school counselor or principal would determine if the student could take an exam for this purpose. If approval is granted, the student must score at least 70 on the exam to receive credit for the course or subject.

The attendance review committee may also offer a student with excessive absences an opportunity to earn credit for a course by passing an exam.
(For further information, see policy EHDB(LOCAL).)

If a Student has NOT taken the course

A student will be permitted to take an exam to earn credit for an academic course or subject area for which the student has had no prior instruction, i.e., for advancement or to accelerate to the next grade level. The exams offered by the district are approved by the district's board of trustees, and state law require the use of certain exams, such as College Board Advanced Placement (AP) and College Level Examination Program (CLEP) tests, when applicable. The dates on which exams are scheduled during the school year will be published in appropriate district publication and on the district's website. The only exceptions to the published dates will be for any exams administered by another entity besides the district. In this case, a student and the district must comply with the testing schedule of the other entity. During each testing window provided by the district, a student may attempt a specific exam only once.

If a student plans to take an exam, the student (or parent) must register with the school counselor no later than 30 days prior to the scheduled testing date. (For further information, see policy EHDC.)

DATING VIOLENCE, DISCRIMINATION, HARASSMENT, AND RETALIATION

The district believes that all students learn best in an environment free from dating violence, discrimination, harassment, and retaliation and that their welfare is best served when they are free from this prohibited conduct while attending school. Students are expected to treat other students and district employees with courtesy and respect, to avoid behaviors known to be offensive, and to stop those behaviors when asked or told to stop. District employees are expected to treat students with courtesy and respect.

The board has established policies and procedures to prohibit and promptly respond to inappropriate and offensive behaviors that are based on a person's race, color, religion, gender, national origin, disability, or any other basis prohibited by law. [See policy FFH.]

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense. This type of conduct is considered harassment if the conduct is so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity. Or if the conduct creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of dating violence against a student may include, but are not limited to, physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, threats to harm a student's current dating partner, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

Discrimination

Discrimination is defined as any conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law, that negatively affects the student.

Harassment

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance. A copy of the district's policy is available in the principal's office, the superintendent's office or can be found on the district website at www.gobearsgo.net.

Examples of harassment may include, but are not limited to, offensive or derogatory language directed at a person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name-calling, slurs, or

rumors; physical aggression or assault; graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sexual Harassment and Gender-Based Harassment

Sexual harassment and gender-based harassment of a student by an employee, volunteer, or another student are prohibited.

Examples of sexual harassment may include, but not be limited to, touching private body parts or coercing physical contact that is sexual in nature; sexual advances; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact not reasonably construed as sexual in nature. However, romantic and other inappropriate social relationships, as well as all sexual relationships, between students and district employees are prohibited, even if consensual.

Gender-based harassment includes harassment based on a student's gender, expression by the student of stereotypical characteristics associated with the student's gender, or the student's failure to conform to stereotypical behavior related to gender. Examples of gender-based harassment directed against a student, regardless of the student's actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Retaliation

Retaliation against a person who makes a good faith report of discrimination or harassment, including dating violence, is prohibited. Retaliation against a person who is participating in an investigation of alleged discrimination or harassment is also prohibited. A person who makes a false claim or offers false statements or refuses to cooperate with a district investigation may be subject to appropriate discipline.

Retaliation against a student might occur when a student receives threats from another student or an employee or when an employee imposes an unjustified punishment or unwarranted grade reduction. Retaliation does not include petty slights and annoyances from other students or negative comments from a teacher that are justified by a student's poor academic performance in the classroom.

Reporting Procedures

Any student who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, counselor,

principal, or other district employee. The report may be made by the student's parent. (See policy FFH(LOCAL) for other appropriate district officials to whom to make a report.)

Upon receiving a report of prohibited conduct as defined by policy FFH, the district will determine whether the allegations, if proven, would constitute prohibited conduct as defined by that policy. If not, the district will refer to policy FFI to determine if the allegations, if proven, would constitute bullying, as defined by law and that policy. If the alleged prohibited conduct, if proven, would constitute prohibited conduct and would also be considered bullying as defined by law and policy FFI, an investigation of bullying will also be conducted.

The district will promptly notify the parents of any student alleged to have experienced prohibited conduct involving an adult associated with the district. In the event alleged prohibited conduct involves another student, the district will notify the parent of the student alleged to have experienced the prohibited conduct when the allegations, if proven, would constitute a violation as defined by policy FFH.

Investigation of Report

To the extent possible, the district will respect the privacy of the student; however, limited disclosures may be necessary to conduct a thorough investigation and to comply with law. Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated. During the course of an investigation, the district may take interim action to address the alleged prohibited conduct. When an investigation is initiated for alleged prohibited conduct, the district will determine whether the allegations, if proven, would constitute bullying, as defined by law. If so, an investigation of bullying will also be conducted. [See policy FFI.]

If the district's investigation indicates that prohibited conduct occurred, appropriate disciplinary action, and, in some cases, corrective action will be taken to address the conduct. The district may take disciplinary and corrective action even if the conduct that is the subject of the complaint was not unlawful. A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy FNG(LOCAL).

DISTRIBUTION OF LITERATURE, PUBLISHED MATERIALS, OR OTHER DOCUMENTS

School Materials

Publications prepared by and for the school may be posted or distributed, with the prior approval of the principal, sponsor, or teacher. Such items may include school posters, brochures, flyers, yearbook and school newspaper.

Non-school Materials From Students

Students must obtain prior approval from the principal before posting, circulating, or distributing more than ten copies of written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials that were not developed under the oversight of the school. To be considered, any non-school material must include the name of the sponsoring person or organization. The decision regarding approval will be made within two school days. The principal has designated office bulletin boards as the location for approved non-school materials to be placed for voluntary viewing by students. [See policies at FNAA.]

A student may appeal a principal's decision in accordance with policy FNG(LOCAL). Any student who posts non-school material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without the principal's approval will be removed.

Non-school Materials From Others

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by the district or by a district-affiliated school-support organization will not be sold, circulated, distributed, or posted on any district premises by any district employee or by persons or groups not associated with the district, except as permitted by policy GKDA. To be considered for distribution, any non-school material must meet the limitations on content established in the policy, include the name of the sponsoring person or organization, and be submitted to the principal for prior review. The principal will approve or reject the materials within two school days of the time the material are received. The requestor may appeal a rejection in accordance with the appropriate district complaint policy. (See policies at DGBA or GF.)

The principal has designated the front office as the location for approved non school material to be placed for voluntary viewing or collection.

Prior review will not be required for:

- Distribution of materials by an attendee to other attendees of a school-sponsored meeting intended for adults and held after school hours
- Distribution of materials by an attendee to other attendees of a community group meeting held after school hours in accordance with policy GKD(LOCAL) or non curriculum-related student group meeting held in accordance with FNAB(LOCAL)
- Distribution for electioneering purposes during the time a school facility is being used as a polling place, in accordance with state law

All non school materials distributed under these circumstances must be removed from district property immediately following the event at which the materials are distributed.

Dress and Grooming

Dress code at the secondary level is established to instill discipline, prevent disruption, avoid safety hazards, and teach respect for authority. The dress code is subject to revision at any time in order to accommodate current trends and fashions. Any revision must be approved by the Brownsboro I.S.D. Board of Trustees and be communicated to students and parents. Interpretation and enforcement of the dress and grooming code will be at the discretion of campus administrators. Students who are in violation of the dress and grooming code may be provided clothing by the school. If a student is unable or unwilling to correct the problem, then he/she will be assessed an appropriate consequence.

General Guidelines:

1. Any article of clothing, accessories, hair color, or hairstyle that creates a distraction or disturbs the normal routine of school shall be deemed inappropriate
2. See-through, transparent, revealing including too tight clothing are not allowed Undergarments or underwear should not be visible. All clothing must be worn as it was intended to be worn
3. Clothing should be hemmed and if holes are present above the knee skin must not be visible
4. No chains, spikes, straps, studs, safety pins, or other potentially dangerous adornments are allowed on any item of clothing or accessory

Bottoms:

- If leggings, jeggings or tights are worn your top garment must extend to mid-thigh
- Pleated or flat front walking-style shorts and gym (athletic) shorts are allowed and must extend to at least 3 inches above the knee.
- Jogging/Running/Wind shorts, cut-offs, biker shorts, boxer shorts, spandex shorts, swimming trunks, or biker/skater/"board" shorts are not permitted
- All shorts, skirts, dresses, and jumpers must extend to at least 3 inches above the knee.
- All bottom garments must be worn at the waist
- Skirts may have a kick-pleat or slit, which opens no higher than 3 inches above the knee
- Pajama bottoms are not allowed

Tops:

- Students may not wear t-shirts or other articles of clothing that are of an inappropriate nature including but not limited to:
 - Alcoholic beverages
 - Tobacco products
 - Illicit drugs
 - Vulgar, suggestive, racial, or otherwise offensive slogans
 - Pictures of persons that fail to meet the standards of the school and/or community
- All shirts, blouses, or tops must have a neckline that does not expose cleavage

- Tops must be long enough to cover the midriff; when arms are raised above the head, no skin shall be visible at the waistline
- Sleeveless shirts must be 3 fingers in width across the shoulder, must be hemmed not torn, and should not expose sides, front or back of the body when on
- No tank tops or spaghetti straps allowed

Footwear:

- House shoes or shoes like house shoes are not permitted
- Skates, skateboards, or skate-like shoes are not permitted

Jewelry/Accessories:

- No body piercings are allowed except for earrings and a single stud nose piercing on a single nostril.
- Students are not allowed to wear accessories and makeup that cause a distraction.
- Body art and tattoos must remain covered at all times
- Handwriting or drawing on the skin is prohibited
- For safety purposes, Brownsboro High School does not permit caps, hats, or other head coverings to be worn by students or attached to students during regular school hours. Caps, hats, or other appropriate head coverings may be attached to backpacks, lunch boxes, purses, or other external accessories, but they may not be attached to belt loops, shirts, or other areas of clothing.
- For safety purposes, bandanas are not permitted on campus at Brownsboro High School.
- Students are not permitted to wear sunglasses in the building unless prescribed by a physician

Hair/Makeup:

- Hair should be kept clean and neat; the length should not interfere with the student's ability to read, see, or write. The student's hair should be pulled away from the face and styled so that the eyes are not covered. Hair should be kept to a natural hair color. Acceptable colors deemed to be "natural" are at the discretion of the campus administrator.
- Grades 9-12 students must keep facial hair clean, neat, and trimmed. Hair may not extend to more than a ½ in from the face. All facial hair decisions will be made by a school administrator and students not in compliance will be required to shave. Repeated offenses may result in the students forfeiting the right to have facial hair at school.

Exceptions:

It should be noted that sponsors of extracurricular activities might, with the approval of the building principal, impose other grooming and dress standards. In order to accommodate special days (e.g., Homecoming/Red Ribbon Week, fundraising efforts), the campus

administration may alter the dress code. Any special clothing worn to accommodate an injury must have principal approval.

- Repeated dress code violations may result in more severe consequences.

ELECTRONIC DEVICES AND TECHNOLOGY RESOURCES

Cell Phones, Radios, MP3 Players, and Other Electronic Devices

Students are not permitted to possess electronic devices such as, but not limited to, radios, MP3 players, tape recorders, camcorders, DVD players, cameras or games at school unless prior permission has been given by a faculty member. If these items are seen or heard, they will be confiscated. Confiscated items will be turned in and kept in the office. The principal will determine whether to return items to students or to contact parents to pick up the items.

For safety purposes, the district permits students to possess cell phones; however, cell phones must remain out of sight and turned off during all instructional times from 8:00 am – 3:45 pm.

“Instructional times” are defined as the time between the tardy bell and the bell to dismiss class and includes classrooms as well as hallways and other campus facilities. Cell phones may be visible only during passing periods, enrichment period, and lunch.

If a cell phone is seen or heard during instructional time, it will be confiscated and may be returned to the student for a \$10.00 fee at the end of the day or returned to a parent or guardian.

If a student refuses to surrender a cell phone or other prohibited electronic device to school personnel, they will be subject to further disciplinary consequences equal to (1) major discipline violation step. (i.e. step 5 to 7) according to the discipline step procedures outlined in the student handbook.

Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

Instructional Use of Personal Telecommunications and Other Electronic Devices

In some cases, students may be given permission to use personal telecommunications or other personal electronic devices for instructional purposes while on campus. Students must obtain prior approval before using personal telecommunications or other personal electronic devices for instructional use. Students must also sign a user agreement that contains applicable rules for use (separate from this handbook). When students are not using the devices for approved instructional purposes, all devices must be turned off during the instructional day. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

Acceptable Use of District Technology Resources

Brownsboro ISD recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills.

Before your child is permitted to receive a user ID and password to use school computers, you and your child must sign a user agreement that explains acceptable and unacceptable use of school educational technology. You will have the choice to prevent your child from having access to the Internet on school computers.

The Acceptable Use Policy outlines the guidelines and behaviors that users are expected to follow when using school technologies or when using personally-owned devices on the school campus.

- The Brownsboro ISD network is intended for educational purposes.
- All activity over the network or using district technologies may be monitored and retained.
- Access to online content via the network may be restricted in accordance with our policies and federal regulations, such as the Children’s Internet Protection Act (CIPA).
- Students are expected to follow the same rules for good behavior and respectful conduct online as offline.
- Misuse of school resources can result in disciplinary action.
- Brownsboro ISD makes a reasonable effort to ensure students’ safety and security online, but will not be held accountable for any harm or damages that result from use of school technologies.
- Users of the district network or other technologies are expected to alert IT staff immediately of any concerns for safety or security.

Unacceptable and Inappropriate Use of Technology Resources

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal. This applies to conduct off school property, whether the equipment used to send such messages is district-owned or personally owned, if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as “sexting,” will be disciplined according to the Student Code of Conduct, may be required to complete an educational program related to the dangers of this type of behavior, and, in certain circumstances, may be reported to law enforcement. Because engaging in this type of behavior can lead to bullying or harassment, as well as could impede future endeavors of a student, we encourage you to review with your

child *Before You Text: Sexting Prevention Course*, a state-developed program that addresses the consequences of engaging in inappropriate behavior using technology.

In addition, any student who engages in conduct that results in a breach of the district's computer security will be disciplined in accordance with the Student Code of Conduct, and, in extreme cases, may be expelled.

BISD Technology

Brownsboro ISD may provide Internet access, desktop computers, mobile computers or devices, videoconferencing capabilities, online collaboration capabilities, message boards, email, and more.

As new technologies emerge, Brownsboro ISD will attempt to provide access to them. The policies outlined in this document are intended to cover *all* available technologies, not just those specifically listed.

Usage Policies

All technologies provided by the district are solely intended for educational purposes. All users are expected to use good judgment and to follow the specifics of this document as well as the spirit of it. Be safe, appropriate, careful and kind; don't try to get around technological protection measures; use good common sense; and ask if you don't know.

Limitation of Liability

Brownsboro ISD will not be responsible for damage or harm to persons, files, data, or hardware. Brownsboro ISD employs filtering and other safety and security mechanisms, and attempts to ensure their proper function, it however, makes no guarantees as to their effectiveness.

Brownsboro ISD will not be responsible, financially or otherwise, for unauthorized transactions conducted over the school network.

Students who violate the terms of the user agreement may lose their computer privileges at school, as well as incur consequences under the school's Student Code of Conduct.

E-mail using district computers are not private and will be monitored by district staff. For additional information, see policies at CQ.

End-of-Course (EOC) Assessments

See Graduation, and Standardized Testing.

English Language Learners

A student who is an English language learner is entitled to receive specialized services from the district. To determine whether the student qualifies for services, a Language Proficiency Assessment Committee (LPAC) will be formed, which will consist of both district personnel and at least one parent representative. The student's parent must consent to any services recommended by the LPAC for an English language learner. However, pending the receipt of parental consent or denial of services, an eligible student will receive the services to which the student is entitled and eligible. In order to determine a student's level of proficiency in English, the LPAC will use information from a variety of assessments. If the student qualifies for services, and once a level of proficiency has been established, the LPAC will then designate instructional accommodations or additional special programs that the student will require to eventually become proficient at grade level work in English. Ongoing assessments will be conducted to determine a student's continued eligibility for the program. The LPAC will also determine whether certain accommodations are necessary for any state-mandated assessments. The STAAR Spanish may be administered to an English language learner. In limited circumstances, a student's LPAC may exempt the student from an otherwise required state-mandated assessment or may waive certain graduation requirements related to the English I end-of-course (EOC) assessment. The Texas English Language Proficiency Assessment System (TELPAS) will also be administered to English language learners who qualify for services. If a student is considered an English language learner and receives special education services because of a qualifying disability, the student's ARD committee will make instructional and assessment decisions in conjunction with the LPAC.

Extracurricular Activities, Clubs, and Organizations

Participation in school-related activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students; participation, however, is a privilege, not a right. Brownsboro High School activities include: boys and girls athletics, cheerleading, FFA, Drill Team (The Golden Girls), marching band (includes twirlers and flag squad), Theatre, UIL Academics, National Honor Society, Student Council, Bass Club, Fellowship of Christian Students and other clubs.

Participation in some of these activities may result in events that occur off campus. When the district arranges transportation for these events, students are required to use the transportation provided by the district to and from the events. Exceptions to this may only be made in writing with the approval of the activity's coach or sponsor. (Also see Transportation.)

Eligibility for participation in many of these activities is governed by state law and the rules of the University Interscholastic League (UIL)—a statewide association overseeing interdistrict competition.

The following requirements apply to all extracurricular/co-curricular activities:

- A student who receives a grade below 70 in any academic class at the end of a UIL eligibility period may not participate in extracurricular activities for at least three school weeks
- In order to participate in any extracurricular activity for the 1st 6 weeks of the school year, a student must have moved up at least a grade level from one school year to the next
- A student with disabilities who fails to meet the academic standards in their individualized education program (IEP) may not participate for at least three school weeks
- A student participating in a co-curricular or extracurricular activity during the school week must be present for the accounting period on the day of competition to be eligible to participate. If a student misses the accounting period the day of competition for a doctor's visit, they must return to school before the end of the school day and provide a doctor's note to be eligible to participate that day
- An ineligible student may practice or rehearse

The District shall make no distinction between absences for UIL activities and absences for other co-curricular activities approved by the Board. The number of days a student will have for co-curricular absences will vary according to the number of days a student has been absent from school. A student shall be allowed 28 total absences during the school year with a 14 day cap in the fall semester. The absences may either be regular absences or extracurricular absences. Example: A student has 4 regular absences, they would be allowed up to 24 extracurricular absences for the year but no more than 14 absences in the fall semester. **Note: Any student who eclipses the 90% compulsory attendance law and is required to make up seat time will forfeit their opportunity to participate in co-curricular/extracurricular trips or events during the regular school day for the remainder of that semester. A student and / or a student's parents may appeal for additional days if there have been extenuating circumstances. A committee made up of the student's teachers and a campus administrator will determine if additional days may be granted.

To ensure the health and safety of our student athletes and others who participate in extracurricular activities, we have implemented a random drug testing program. At the time your child expresses an interest in participation in an activity subject to the drug testing program, you and your child will receive complete information about the program, which is a requirement for participation in affected activities.

Please note: Sponsors of student clubs and performing groups such as the band, choir, and drill team and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the *Student Code of Conduct* or by local policy will apply in addition to any consequences specified by the organization's standards of behavior. For further information, see policies at FM and FO.

Offices and Elections

Elections at school are conducted through the classes designated by the office. Elections will consist of three nominees. These three must have the highest number of votes to be in the run-off. If there is a tie for third place, a runoff election will be held to determine the third nominee. Students who have attended DAEP within the school year of the election are ineligible to hold offices or be selected for a superlative.

Fees

Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. A student, however, is expected to provide his or her own pencils, paper, erasers, and notebooks and may be required to pay certain other fees or deposits, including:

- Costs for materials for a class project that the student will keep
- Membership dues in voluntary clubs or student organizations and admission fees to extracurricular activities
- Security deposits
- Personal physical education and athletic equipment and apparel
- Voluntarily purchased pictures, publications, class rings, yearbooks, graduation announcements, etc.
- Voluntarily purchased student accident insurance
- Musical instrument rental and uniform maintenance, when uniforms are provided by the district
- Personal apparel used in extracurricular activities that becomes the property of the student
- Parking fees and student identification cards
- Fees for lost, damaged, or overdue library books
- Fees for driver training courses, if offered
- Fees for optional courses offered for credit that requires use of facilities not available on district premises
- Summer school for courses that are offered tuition-free during the regular school year

Fundraising

Student groups or classes and/or parent groups may be permitted to conduct fundraising drives for approved school purposes in accordance with administrative regulations. (For further information, see policies FJ and GE.)

Gang-Free Zones

Certain criminal offenses, including those involving organized criminal activity such as gang-related crimes, will be elevated to the next highest category of offense if they are committed in a gang-free zone. For purposes of the district, a gang-free zone includes a school bus and a location in, on, or within 1,000 feet of any district-owned or leased property or campus playground.

Gender-Based Harassment

[See Dating Violence, Discrimination, Harassment, and Retaliation.]

Grade Classification

Students are classified according to the number of credits earned toward graduation.

Freshman	Academic promotion or grade-age classification
Sophomore	Earned a minimum of 6 credits in grade 9
Junior	Earned a minimum of 12 credits in grades 9-10
Senior	Earned a minimum of 18 credits in grades 9-11

Grading Guidelines

District guidelines regarding grading policy for Brownsboro High School can be found in BISS Instructional Grading and Reporting Procedures Manual located on the school website at gobearsgo.net or by contacting the high school principal's office at 903-852-2321.

Each teacher is responsible for developing their individual grading policy within the framework of the district guidelines. The classroom teacher is responsible for communicating to their students any specific requirements of their individual grading policy.

Also see Report Cards/Progress Reports and Conferences for additional information on grading guidelines. See Graduation below, Course Credit, and Standardized Testing for additional information regarding EOC assessments.

Exemption Policy

All students are required to take a Semester Exam in each class. There is an opportunity for students to earn an exemption from these exams.

In order to qualify for an exemption students must meet the following criteria:

1. Must have outstanding behavior as evidenced by not being placed in ISS, OSS, or DAEP during the semester, or corporal punishment being used in the place of ISS.
2. Must have outstanding attendance and academic records as follows:
 1. For each class, students must have NO MORE than 3 absences (excused or unexcused) and an average of 80 or above for the Semester average.

All students are eligible for exemptions at the beginning of each semester regardless of if the criteria was met in the previous semester. Additional GPA points that are awarded for particular classes may not be included for the purpose of determining eligibility for exemption (e.g., Dual Credit, Pre-AP and AP Classes). Any student that qualifies for an exemption may choose to

take the exam in the class. The option which best helps the student's semester grade will be used by the teacher in calculating the student's grade point average.

GRADUATION

Requirements for a Foundation High School Diploma Beginning with the 2014-15 School Year
Beginning with students who entered grade 9 in the 2014-15 school year, as well as any currently enrolled high school student who decides to graduate under the Foundation Graduation Program, a student must meet the following requirements to receive a high school diploma from the district:

1. Complete the required number of credits established by the state and any additional credits required by the district
2. Complete any locally required courses in addition to the courses mandated by the state
3. Achieve passing scores on certain end-of-course (EOC) assessments or approved substitute assessments, unless specifically waived as permitted by state law
4. Demonstrate proficiency, as determined by the district, in the specific communication skills required by the State Board of Education

Foundation Graduation Program

Every student in a Texas public school who entered grade 9 in the 2014-15 school year and thereafter will graduate under the Foundation Graduation Program. Within the Foundation Graduation Program are endorsements, which are paths of interest that include Science, Technology, Engineering, and Mathematics (STEM); Business and Industry; Public Services; Arts and Humanities; and Multidisciplinary Studies. Endorsements earned by a student will be noted on the student's transcript and diploma. The Foundation Graduation Program also involves the term distinguished level of achievement, which reflects the completion of at least one endorsement and Algebra II as one of the required advanced mathematics credits. A personal graduation plan will be completed for each high school student, as described previously. A student must specify upon entering grade 9 the endorsement he or she wishes to pursue.

Graduating under the Foundation Graduation Program will also provide opportunities to earn performance acknowledgments that will be acknowledged on a student's diploma and transcript. Performance acknowledgments are available for outstanding performance in bilingualism and biliteracy; in a dual credit course; on a AP or IB exam; on the PSAT, ACT-Aspire, SAT, or ACT exam, which are national exams; or for earning a nationally or internationally recognized license or certificate. The criteria for earning these performance acknowledgments are prescribed by state rules, and the school counselor can provide more information about these

acknowledgments. See the school Counselor if you have questions about graduating under the Foundation High School Program without an Endorsement.

Personal Graduation Plans for Students Under The Foundation Graduation Program

A personal graduation plan will be developed for each high school student who is subject to the requirements of the Foundation Graduation Program. The district encourages all students to pursue a personal graduation plan that includes the completion of a least one endorsement and to graduate with the distinguished level of achievement. Attainment of the distinguished level of achievement entitles a student to be considered for automatic admission to a public four year college or university in Texas, depending on his or her rank in class. The school will review personal graduation plan options with each student entering grade 9 and his or her parent. Before the end of grade 9, a student and his or her parent will be required to sign off on a personal graduation plan that includes a course of study that promotes college and/or workforce readiness, career placement, advancement, as well as facilitates the transition from secondary to postsecondary education. The student's personal graduation plan will denote an appropriate course sequence based on the student's choice of endorsement.

A student may, with parental permission, amend his or her personal graduation plan after the initial confirmation.

Please also review TEA's Graduation Toolkit, available here:

<http://tea.texas.gov/communications/brochures.aspx>.

Testing Requirements for Graduation

Students are required, with limited exceptions and regardless of graduation program, to perform satisfactorily on the following EOC assessments: English I, English II, Algebra I, Biology, and United States History. A student who has not achieved sufficient scores on the EOC assessments to graduate will have opportunities to retake the assessments. See the school counselor for more information pertaining to the state testing requirements for graduation.

If a student fails to perform satisfactorily on an EOC assessment, the district will provide remediation to the student in the content area for which the performance standard was not met. This may require participation of the student before or after normal school hours or at times of the year outside normal school operations. Also see Standardized Testing for more information.

Students with Disabilities

Upon the recommendation of the admission, review, and dismissal (ARD) committee, a student with a disability who receives special education services may be permitted to graduate under the provisions of his or her IEP and in accordance with state regulations. For more information see the school counselor.

Early Graduation

Permission for early graduation may be given if the student is on target for graduation as evidenced by:

- A history of adequate performance on EOC's
- Credits Earned
- Grades

Applications for early graduation may be picked up in the counselor's office. Application should be turned in prior to starting the junior year. The final decision for permission for early graduation will be made by the Early Graduation Committee which will include the principal and the senior counselor.

GRADUATION ACTIVITIES

Graduation Exercises

Students, who have completed all graduation requirements, whether in three or four years, are eligible to participate in the graduation exercise.

Participation in graduation exercises is a privilege, not a right, and students who do not comply with dress, grooming, and conduct standards for the ceremony will be removed. Graduating students who were assigned to the district's Discipline Alternative Education Program through the end of the school year will not be allowed to take part in graduation ceremonies.

Graduation Speakers

Graduating students may be given an opportunity to provide opening and closing remarks or speaking roles during the graduation ceremony. Only those students who are Valedictorian, Salutatorian, ranked third and fourth in the senior class will be eligible to give these remarks; however, if the student was assigned to disciplinary placement at any time during the spring semester, he or she will not be eligible to speak at graduation. The administration will review and approve of the speeches and other comments to be delivered by the Valedictorian and Salutatorian and any other students. Students eligible to give the opening and closing remarks will be notified by the principal. See FNA(LOCAL).

Graduation Expenses

Because students and parents will incur expenses in order to participate in the traditions of graduation such as the purchase of invitations, senior ring, cap and gown, and senior picture, both student and parent should monitor progress toward completion of all requirements for graduation. The expenses often are incurred in the junior year or first semester of the senior year.

HARASSMENT

[See Dating Violence, Discrimination, Harassment, and Retaliation.]

Hazing

Hazing is defined as any intentional, knowing, or reckless act occurring on or off campus directed against a student that endangers the mental or physical health or the safety of a student for the purpose of pledging, being initiated to, affiliating with, holding office in, or maintaining membership in any organization whose members are or include other students.

Hazing will not be tolerated by the district. If an incident of hazing occurs, disciplinary consequences will be handled in accordance with the Student Code of Conduct. It is a criminal offense if a person engages in hazing; solicits, encourages, directs, aids, or attempts to aid another in hazing; or has firsthand knowledge of an incident of hazing being planned or having occurred and fails to report this to the principal or superintendent.

[Also see Bullying and policies FFI and FNCC.]

HEALTH-RELATED MATTERS

Bacterial Meningitis

State law specifically requires the district to provide the following information:

- What is meningitis?
 - Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is most common and the least serious. Bacterial meningitis is the most common form of serious bacterial infection with the potential for serious, long-term complications. It is an uncommon disease, but requires urgent treatment with antibiotics to prevent permanent damage or death.
- What are the symptoms?
 - Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.
 - Children (over 1 year old) and adults with meningitis may have a severe headache, high temperature, vomiting, sensitivity to bright lights, neck stiffness or joint pains, and drowsiness or confusion. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.
 - The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.
- How serious is bacterial meningitis?
 - If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.
- How is bacterial meningitis spread?
 - Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live

for long outside the body. They are spread when people exchange saliva (such as by kissing, sharing drinking containers, utensils, or cigarettes).

- The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.
- How can bacterial meningitis be prevented?
 - Do not share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.
 - While there are vaccines for some other strains of bacterial meningitis, they are used only in special circumstances. These include when there is a disease outbreak in a community or for people traveling to a country where there is a high risk of getting the disease. Also, a vaccine is recommended by some groups for college students, particularly freshmen living in dorms or residence halls. The vaccine is safe and effective (85–90 percent). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.*
- What should you do if you think you or a friend might have bacterial meningitis?
 - You should seek prompt medical attention.
- Where can you get more information?
 - Your school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Department of State Health Services office to ask about a meningococcal vaccine.

Additional information may also be found at the Web sites for the Centers for Disease Control and Prevention, <http://www.cdc.gov>, and the Department of State Health Services, <http://www.dshs.state.tx.us>.

* Please note that, although the state literature required to be distributed by school districts has not yet been revised, entering college students must now show, with limited exception, evidence of receiving a bacterial meningitis vaccination prior to taking courses at an institution of higher education. Please see the school nurse for more information, as this may affect a student who wishes to enroll in a dual credit course taken off campus.

Also refer to Immunizations, below, for more information.

Food Allergies

The district requests to be notified when a student has been diagnosed with a food allergy, especially those allergies that could result in dangerous or possibly life-threatening reactions either by inhalation, ingestion, or skin contact with the particular food. It is important to disclose

the food to which the student is allergic, as well as the nature of the allergic reaction. Please contact the school nurse or campus principal if your child has a known food allergy or as soon as possible after any diagnosis of a food allergy.

School Health Advisory Council

During the preceding school year, the district's School Health Advisory Council held two meetings. Additional information regarding the district's School Health Advisory Council is available from the superintendent's office. See also policies at BDF and EHAA.

[See Removing a Student from Human Sexuality Instruction for additional information.]

OTHER HEALTH-RELATED MATTERS

Physical Fitness Assessment

Annually, the district will conduct a physical fitness assessment of students in grades 3–12. In accordance with policies at EHAB, EHAC, EHBG, and FFA, the district will ensure that students in middle or junior high school will engage in [30 minutes of moderate or vigorous physical activity per day for at least four semesters OR at least 225 minutes of moderate or vigorous physical activity within each two-week period for at least four semesters]. At the end of the school year, a parent may submit a written request to the principal to obtain the results of his or her child's physical fitness assessment conducted during the school year.

Vending Machines

The district has adopted policies and implemented procedures to comply with state and federal food service guidelines for restricting student access to vending machines. For more information regarding these policies and guidelines see the director of operations. See policies at CO and FFA.

Tobacco and E-Cigarettes Prohibited (All Grade Levels and All Others on School Property)

Students are prohibited from possessing or using any type of tobacco product, electronic cigarettes (e-cigarettes), or any other electronic vaporizing device, while on school property at any time or while attending an off-campus school related activity. The district and its staff strictly enforce prohibitions against the use of all tobacco products, e-cigarettes, or any other electronic vaporizing device, by students and all others on school property and at school-sponsored and school-related activities. [See the Student Code of Conduct and policies at FNCD and GKA.]

Asbestos Management Plan

The district works diligently to maintain compliance with federal and state law governing asbestos in school buildings. A copy of the district's Asbestos Management Plan is available in the superintendent's office. If you have any questions or would like to examine the district's plan in more detail, please contact the district's designated asbestos coordinator at 903-852-7121.

Pest Management Plan

The district is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the district strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, pesticide use is sometimes necessary to maintain adequate pest control and ensure a safe, pest-free school environment.

All pesticides used are registered for their intended use by the United States Environmental Protection Agency and are applied only by certified pesticide applicators. Except in an emergency, signs will be posted 48 hours before indoor application. All outdoor applications will be posted at the time of treatment, and signs will remain until it is safe to enter the area. Parents who have further questions or who want to be notified prior to pesticide application inside their child's school assignment area may contact the district's IPM coordinator, at 903-852-7121.

Homeless Students

For more information on services for homeless students, contact the district's Liaison for Homeless Children and Youths, call the district office at 903-852-3701.

Immunization

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized. For exemptions based on reasons of conscience, only official forms issued by the Texas Department of State Health Services (DSHS), Immunization Branch, can be honored by the district. This form may be obtained by writing the DSHS Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347; or online at Affidavit Request for Exemption from Immunization. The form must be notarized and submitted to the principal or school nurse within 90 days of notarization. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student.

The immunizations required are: diphtheria, rubeola (measles), rubella (German measles), mumps, tetanus, pertussis, poliomyelitis (polio), hepatitis A, hepatitis B, varicella (chicken pox), and meningococcal. The school nurse can provide information on age-appropriate doses or on an acceptable physician-validated history of illness required by the DSHS. Proof of immunization may be established by personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. licensed physician stating that, in the doctor's opinion, the immunization required poses a significant risk to the health and well-being of the student or a member of the student's family or household. This certificate must be renewed yearly unless the physician specifies a life-long condition. [For further information, see policy FFAB(LEGAL) and the DSHS Web site: Texas School & Child Care Facility Immunization Requirements.

LAW ENFORCEMENT AGENCIES

Questioning of Students

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation.

In other circumstances:

- The principal will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student at school.
- The principal ordinarily will make reasonable efforts to notify the parents unless the interviewer raises what the principal considers to be a valid objection.
- The principal ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection.

Students Taken Into Custody

State law requires the district to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court
- To comply with the laws of arrest
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court
- By an authorized representative of Child Protective Services, Texas Department of Family and Protective Services, a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student's physical health or safety
- To comply with a properly issued directive to take a student into custody
- Before a student is released to a law enforcement officer or other legally authorized person, the principal will verify the officer's identity and, to the best of his or her ability, will verify the official's authority to take custody of the student

The principal will immediately notify the superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to

prevent or delay a student's release to a law enforcement officer, any notification will most likely be after the fact.

Notification of Law Violations

The district is required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been taken into custody, arrested, or referred to the juvenile court for any felony offense or for certain misdemeanors.
- All instructional and support personnel who have regular contact with a student who is thought to have committed certain offenses or who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated for delinquent conduct for any felony offense or certain misdemeanors.
- All appropriate district personnel in regards to a student who is required to register as a sex offender. [For further information, see policy FL(LEGAL).]

Leaving Campus

Student attendance is crucial to learning. We ask that appointments be scheduled outside of school hours as much as reasonably possible. Also note that picking up a child early on a regular basis results in missed opportunities for learning. Unless the principal has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the school day.

State rules require that parental consent be obtained before any student is allowed to leave campus for any part of the school day. The district has put the following procedures in place in order to document parental consent:

1. If the student's parent will authorize the student to leave campus unaccompanied, a note provided by the parent must be submitted to the main office in advance of the absence, no later than two hours prior to the student's need to leave campus. A phone call received from the parent may be accepted, but the school may ultimately require a note to be submitted for documentation purposes. Once the office has received information that the student's parent consents to the student leaving campus, a pass will be issued to the student to hand to his or her teacher with the necessary information. The student must sign out through the main office and sign in upon his or her return, if the student returns the same day. If a student is 19 years of age or is an emancipated minor, the student may produce a note on his or her own behalf. Documentation regarding the reason for the absence will be required.
2. If a student becomes ill during the school day and the school nurse or other district personnel determines that the student should go home, the nurse will contact the student's parent and document the parent's wishes regarding release from school. Unless directed by the parent to release the student unaccompanied, the parent or other authorized adult must follow the sign out procedures as listed above. If a student is allowed to leave campus by himself or herself, as permitted by the student's parent, or if

the student age 19 or is an emancipated minor, the nurse will document the time of day the student was released.

During Lunch

Brownsboro High School is a closed campus. We ask that students not be checked out for lunch due to time constraints and safety of the students. As with any time missed during the school day, students are bound by compulsory attendance and truancy laws. Students may bring a lunch from home, purchase a lunch in the cafeteria or a lunch may be left for them by a parent in a designated area. It is the student's responsibility to pick up their lunch from the designated area if one has been left for them. Also, classes will not be interrupted to inform students that a lunch has been left for them.

At Any Other Time During the School Day

Students are not authorized to leave campus during regular school hours for any reason, except with the permission of the principal.

Students who leave campus without parent permission and without signing out through the office will be in violation of these rules and subject to disciplinary action in accordance with the Student Code of Conduct.

STUDENT HEALTH

Communicable/Non Communicable Conditions Exclusion from School

To prevent the spread of communicable and noncommunicable diseases, students with certain symptoms/diseases will be excluded from school. A student with any of the following symptoms must be excluded from school until such time the student is free of symptoms, has been satisfactory treated, or submits a signed physician's statement affirming that the student is not contagious.

- Temperature of 100 degrees or more. Student must be fever free for 24 hours without the use of fever suppressing medication.
- Diarrhea with 3 or more episodes of loose stool in a 24 hour period. Student must be diarrhea free for 24 hours without diarrhea suppressing medications to return to school. Some exclusions could be made on a case by case basis.
- Vomiting at school unless a physician feels the cause of the vomiting is not an infectious disease and the child is in no danger of becoming dehydrated. Some exclusions could be made on a case by case basis.
- Undetermined rash over any part of the body accompanied by fever.
- Open, draining wounds or lesions that cannot be contained in a bandage.
- Red, purulent or draining eyes.

- Persistent cough that cannot be controlled with cough drops or accompanied by other symptoms or fever.
- Live head lice (student with nits only may remain at school with monitoring) To return to school, the student must be free of live lice and provide proof of treatment to the campus nurse.
- Any questionable contagious symptoms or if student's behavior indicates that he/she is not well.

It is the responsibility of the parent or guardian to transport the student from school to his/her home. Additional information regarding rules for exclusion of students having or suspected of having a communicable condition from school and readmission criteria is outlined in the Texas Administrative Code, specifically Rule 97.7.

MEDICINE AT SCHOOL

Medication Administration

All medications, prescription and nonprescription, must be administered solely by the school nurse. Students are not allowed to possess medications of any kind and they must be kept in the conservatorship of the school nurse.

1. Non-prescription medication

- Nonprescription medications may be administered from the original container that is provided by the parent or legal guardian.
- This type of medication (e.g. Tylenol, Advil, cough syrups or cough drops, etc.) must be clearly labeled with the student's name, name of the medicine, and the frequency that the medication should be administered.
- The medication must be accompanied by a signed note from the parent or legal guardian authorizing its administration.

2. Prescription medication

- Administration of prescription medication must be requested in writing by a licensed physician, dentist or other licensed medical professional.
- Administration of prescription medication must also be requested in writing by the parent or legal guardian.
- Prescription medications must be in the original container with the student's name, the physician's name, the dosage and frequency clearly stated on the original label from the pharmacy.

3. Herbal or dietary supplements

- Herbal or dietary supplements will be administered only if they are required by the student's individualized education program (IEP) or Section 504 plan for a student with disabilities and if provided by the parent.

b. The medication must be accompanied by a signed note from the parent or legal guardian authorizing its administration.

All medications, prescription and non-prescription, are to be kept and administered in the nurse's office or designated area except in the following conditions.

1. Asthma or Anaphylaxis Medications or treatments

a. A student with asthma or severe allergic reactions (anaphylaxis) may be permitted to possess and use prescribed asthma or anaphylaxis medications at school or school-related events.

b. The school must have written authorization from the parent or legal guardian for the student to self-administer the medications while at school or at school functions.

c. The school must have written authorization from the physician or other licensed health-care provider with a statement that the student has demonstrated to them the skill level to self-administer the medication, as well as the use of any device needed to perform the task.

d. The student must demonstrate the skill level to self-administer the medication to the school nurse or authorized personnel.

2. Diabetes

a. Any student with Diabetes will have an Individualized Diabetes Health Plan signed by the physician or other licensed health-care provider designed for the management of that student's diabetes.

b. In accordance with the student's Individualized Diabetes Health Plan, the student with diabetes will be permitted to possess and use monitoring and treatment supplies as well as associated equipment while at school or at a school-related activity.

c. The school must have written authorization from the parent or legal guardian for the student to self-administer the monitoring and treatment supplies as well as associated equipment while at school or at a school-related activity.

d. The school must have written authorization from the physician or other licensed health-care provider with a statement that the student has demonstrated to them the skill level to use any monitoring and treatment supplies as well as any associated equipment while at school or at a school-related activity.

e. The student must demonstrate the skill level to use any monitoring and treatment supplies, as well as any associated to the school nurse or authorized personnel.

Any other medication or drugs of any type will be confiscated by school personnel and reported to the proper authorities.

Basic first aid treatment may be administered to your student if considered necessary by the school nurse or other assigned personnel. Basic first aid will include, but is not limited to, treatment for minor cuts, scrapes, itching, cough, stomach upset, etc.

NONDISCRIMINATION STATEMENT

In its efforts to promote nondiscrimination, Brownsboro ISD does not discriminate on the basis of race, religion, color, national origin, gender, or disability in providing education services, activities, and programs, including CTE programs, and provides equal access to other designated youth group. For further information or to inquire about the specifics of the BISSD nondiscrimination statement please call 903-852-3701.

PARENTAL INVOLVEMENT

Working Together

Both experience and research tell us that a child's education succeeds best when there is good communication and a strong partnership between home and school. Parental involvement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child's school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the counselor or principal any questions you may have about the options and opportunities available to your child.
- Reviewing the requirements of the graduation programs with your child once your child begins enrolling in courses that earn high school credit.
- Monitoring your child's academic progress and contacting teachers as needed. See Academic Counseling and Academic Programs.
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, counselor, or principal, please call the school office at 903-852-2321 for an appointment. The teacher will usually return your call or meet with you during his or her conference period or before or after school. See Report Cards/Progress Reports and Conferences.
- Becoming a school volunteer. For further information, see policies at GKG and contact the school office at 13942 SH 31 E, Brownsboro, TX (903)852-2321.
- Participating in campus parent organizations. Parent organizations include: Booster Clubs relating to: Athletics, Band, Theater Arts, Drill Team, FCCLA, FFA, Academic, etc....
- Serving as a parent representative on the district-level or campus-level planning committees, assisting in the development of educational goals and plans to improve student achievement. For further information, see policies at BQA and BQB.
- Serving on the School Health Advisory Council (SHAC), assisting the district in ensuring local community values are reflected in health education instruction. [See policies at BDF, EHAA, FFA, and information in this handbook at School Health Advisory Council.
- Being aware of the school's ongoing bullying and harassment prevention efforts.
- Attending board meetings to learn more about district operations. [See policies at BE and BED for more information.]

PARKING RULES AND REGULATIONS

The operation of a motor vehicle on campus is a privilege granted by the Brownsboro ISD. Vehicles requiring a license are classified as a motor vehicle to include; cars, trucks, mopeds, and motorcycles. All vehicles driven on Brownsboro ISD campuses are subject to all local and state traffic laws. A student or employee has full responsibility for the security and content of his or her vehicle. Students, faculty, staff and employees who operate or park a motor vehicle are required to have valid parking permit properly displayed in their vehicle at all times. The person to whom a parking permit is issued has a non transferable tag.

The privilege of parking a motor vehicle on campus may be taken away for violations pertaining to inappropriate behavior or parking violations. Upon arriving at campus, students must immediately exit their vehicles and the parking lots and enter the school building. Students in the parking lot during the school day without a pass will be subject to disciplinary actions. Persons including enrolled students of any school of the district, who are not authorized to be on school ground after school hours, may be charged with trespassing on school grounds in accordance with section 37.107 of the Education code.

Parking Permits - Required for Students and BISD Employees

A student or employee driving a motor vehicle or motorcycle to school must be a licensed driver and have the liability insurance coverage required by the State of Texas. Students and employees are required to register their vehicles and obtain a parking permit tag from the high school office. The permit MUST be displayed in the registered vehicle. Note: Students are not to park in faculty or visitor parking areas. Students are not permitted to use staff parking tags or use staff parking spaces.

Parking on Campus

Students who drive vehicles to school and park on campus must complete a "Vehicle Registration Application" available at the high school office. Parking permits will be limited to the available parking spaces. Students are not to sit in or on cars that are parked and are not to loiter in the parking lot at any time. School officials or police officers may search vehicles parked on school property if there is reasonable suspicion. Students shall be responsible for any prohibited items found in their vehicles parked on school property. Searches may include passenger compartment, engine compartment, trunk, and all containers (locked or unlocked) in or on the vehicle. Students who have a parking permit are subject to random drug screening.

Purchase of Parking Permits

Eligible students may purchase a parking tag for \$10.00 from the main office of the high school. Students may not pass a permit to another student. If a student's parking permit is found on another student's vehicle, both students parking privileges will be suspended for the remainder of the school year. Employee parking permits are issued at no cost. Students and employees will be required to complete a parking permits form, present a valid Texas driver's license and

present proof of liability insurance for the vehicle being registered. The drivers name appear on the proof of liability insurance as a covered driver.

Replacement Permits

In the event that a vehicle is stolen, wrecked or sold the permit holder should immediately notify the BHS office. Replacement permits will be issued at the discretion of BHS Administration and may require proper documentation including the original parking tag. Replacement permits will be issued at a cost of \$5.00. If a permit that has been replaced is found on another vehicle, both students parking privileges will be suspended for the remainder of the year.

Designation of Parking Spaces

Student parking is designated as the blue lot and is located to the west of the high school. Students must park in the blue parking spaces assigned to them. Students are not allowed to park in the front lot, back lot or the east lot at any time. Staff parking is designated as yellow parking spaces and visitors parking is designated as white parking spaces. The yellow and white lots have been designated for staff and visitors only. Visitors must check in with the main office upon arrival to campus and prior to visiting any location other than the front office.

Visitor Parking

All visitors must park in areas designated specifically for visitors marked with white paint designating visitors parking. Students and employees are not considered a visitor and may not park in a visitor's area (white stripes), on class days between 7am and 4pm. Visitors must follow all rules and guidelines and immediately check in with the front office upon arrival.

Visitor and Temporary Permits

In special circumstances, a temporary or visitor parking permit may be obtained from the main office of the high school with administrator approval. The definition of "special circumstances" and the issuance of the temporary parking permit will be at the discretion of the campus Administrator but may include substitute staff members. Temporary parking permits will be written and must be properly displayed in the vehicle (on the dash) with the printed side facing the front of the vehicle where the permit can be read from outside of the vehicle.

Vehicle Subject to Search

Any vehicle entering BISD property is subject to search by school authorities. Such search includes all compartments and components thereof.

VEHICLE REGULATIONS

Students may be issued parking tickets for moving and/or parking violations outlined in this policy or the Student Code of Conduct. Criminal citations may be issued by any Law Enforcement officer under TEXAS EDUCATION CODE 37.102 rules and Texas Traffic Laws. Citations issued by a police officer must be paid and/or resolved through the court noted on the

citation. Tickets must be paid and/or resolved through the BHS front office. Tickets and Citations not paid within the time specified on the document may result in the suspension of driving privileges while on BISD campus.

Parking lot ticketed violations include, but not limited to:

1. Driving over the posted speed limit of 10 MPH
2. Parking in faculty/staff or visitor spaces (Yellow or White)
3. Parking in fire lane, police parking, handicap, bus loading zone (Subject to immediate towing)
4. Parking in assigned parking spot of another driver
5. Parked without permit or displaying false parking permit/tag
6. Parked in more than one space
7. Clinging on or allowing person to cling on a vehicle or in the bed of a truck while vehicle is in motion
8. Loud music and revving of engine
9. Driving off pavement, on curbs, or sidewalks, or grass, etc.
10. Reckless driving, speeding, or spinning tires (Exhibition of acceleration.)
11. Display/Writing offensive language or symbols on vehicle
12. Loitering in parking lot
13. Towing a trailer or another vehicle on any campus without prior written permission

Fine Amounts

Fine amounts for tickets issued by BISD will be a standard \$10.00 per ticket for all parking infractions on the first offense. The criminal court having jurisdiction sets all other fines on citations. Students who receive a parking ticket will have 10 school days from the date of the ticket to pay the fine. If the fine is not paid by the 10th day, an additional \$10.00 fee will be issued and the students parking privileges will be suspended until the fines are paid. If the student's vehicle is operated by the student or is parked on the property during their suspension, a third \$10.00 fine will be issued and the vehicle is subject to being towed. Further violations by the student during their suspension will result in the vehicle being towed at the owner's expense. If a student receives a fine for not having a parking permit, the student must pay the fine and purchase a parking permit before they are allowed to park on property.

1. 1st parking fine issued, 10 school days to pay from date of ticket
2. 2nd parking fine will be issued and vehicle may be subject to towing until all fines are paid Student will receive a discipline referral which may result in a disciplinary placement
3. 3rd parking fine will be issued and the next time the student's vehicle is driven by the student on Brownsboro ISD property, it will be towed at owner's expense and all parking privileges will be revoked for remainder of the year

Parking Regulations - Lock Your Car

Absolutely no student parking is permitted anywhere other than the student parking lot for any reason for any length of time. For safety reasons, student's vehicles are to be parked in the

designated blue student parking lot and not to be driven during school hours including the lunch period. Students may not exit the parking lot in their vehicle without permission from the main office once they arrive on campus for the day or until proper dismissal. Any student (and his/her passengers) driving from campus during the school day must have a pass from BHS Administration designating the time leaving. Students entering or leaving the parking area without proper authorization are subject to suspension of their parking permits with no monies returned. Students are not to be in the parking lots during school hours for any reason without a pass from the assistant principals or main office. To assist in checking tags on cars, tags must be hanging from the rearview mirror of the vehicle at all times, and readable from the front windshield of the vehicle. Only one tag will be issued on receipt of the parking fee. If a student must drive an additional car, it must be cleared by an assistant principal or main office and noted on the original parking application. Parking tags may be purchased for \$10.00 per year when class schedules are picked up in August. Tags will be sold to students who have valid operator's licenses. Students are required to be cooperative with administrators and police, answer their questions, and be prepared to identify themselves with their driver's license and insurance. Random checks of driver's license and proof of insurance will be conducted.

To ease traffic congestion and promote safety on the parking lots, a few driving regulations are listed:

1. Observe one-way traffic upon entering and leaving
2. Traffic speed should not exceed 10 mph. A second incident of speeding may result in the student's parking tag being terminated for the remainder of the year
3. Follow traffic patterns as indicated by arrows to parking areas & exits
4. Park inside lines. no "back-in" parking
5. The drive to the east and south of the high school building should be used to unload and load students. Please ask your parents to observe this.
6. Observe handicapped parking areas
7. Do not park in red fire lane areas or police parking spots

Immobilized (Booted) or Towing of Vehicles

BISD Police may Immobilize (Boot) any vehicle that is parked on BISD property if the vehicle is not registered to park on property and/or are unable to verify the owner/operator of the vehicle. If a vehicle has been booted, there will be a \$50.00 boot removal fee. If the vehicle has not been claimed by 3:45pm, the vehicle will be impounded at the owner's expense. BISD Police may impound any vehicle driven by a student if the vehicle is found parked on BISD property, and (1) the student has outstanding unpaid parking fines totaling \$30.00, (2) or the student has received a total of three fines from the beginning of the year. The vehicle will be towed at the owner's expense for non-compliance of this policy.

Revocation of Parking Permits

When a student is caught off campus or attempting to leave campus without proper approval, policies are as follows:

- 1st offense – Loss of parking privileges for 4 weeks, holiday weeks excluded.
- 2nd offenses – Loss of parking privileges the remainder of the semester or at least 4 weeks (whichever is greater).

These sanctions are in addition to discipline that is administered by BHS administrators for skipping school. Consequences will be given to all students riding in the vehicle, not just the driver. If an unlicensed student is caught driving on any BISD property, Law enforcement will be notified, the vehicle may be towed, and a parent may be notified. Parking tags are the property of BISD and may be confiscated from the student at any time. Students will be charged \$5.00 for a replacement tag following the confiscation and any discipline/suspension period. During discipline period's, eligible students may use BISD bus transportation. Counterfeiting or altering parking permits will result in a loss of parking privileges for the remainder of the school year. Campus Administration and the BISD Police Department has the right to make changes to parking space assignments at any time, without cause.

Display of Permits

The parking tag must be displayed from the rear view mirror of the vehicle and be readable at all times. For motorcycles, the permit shall be placed nearest the windshield and in plain view. The improper or obscured display of a parking permit constitutes a parking violation.

Overview

Permission to park in a designated Brownsboro High School parking area is a privilege. The campus administrators and BISD Police Department are given the responsibility of enforcing procedures which provide for a safe campus environment for our students and staff. The BHS administrators and BISD Police have primary jurisdiction on school property and at any school sanctioned event.

PHYSICAL EXAMINATIONS / HEALTH SCREENINGS

Athletics' Participation

A student who wishes to participate in, or continue participation in, the district's athletics program governed by the UIL must submit certification from a health care provider authorized under UIL rules that the student has been examined and is physically able to participate in the athletic program.

For all information concerning physical examination for participation please see the Brownsboro High School Athletic Trainer, at 903-852-3811 ext 5104.

PLEDGES OF ALLEGIANCE AND A MINUTE OF SILENCE

Each school day, students will recite the pledge of allegiance to the United States flag and the pledge of allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge. [See Excusing a Student from Reciting the Pledges to the U.S. and Texas Flags.]

One minute of silence will follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. [See policy EC(LEGAL) for more information.]

PRAYER

Each student has a right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt instructional or other activities of the school. The school will not encourage, require, or coerce a student to engage in or to refrain from such prayer or meditation during any school activity.

REPORT CARDS / PROGRESS REPORTS AND CONFERENCES

Report cards with each student's grades or performance and absences in each class or subject are issued to parents at least once every 9 weeks.

Progress reports will be sent home for all students at the 3 week grade check.

RETALIATION

[See Dating Violence, Discrimination, Harassment, and Retaliation]

SAFETY

Student safety on campus and at school-related events is a high priority of the district. Although the district has implemented safety procedures, the cooperation of students is essential to ensuring school safety. A student should:

- Avoid conduct that is likely to put the student or others at risk
- Follow the behavioral standards in this handbook and the Student Code of Conduct, as well as any additional rules for behavior and safety set by the principal, teachers, or bus drivers
- Remain alert to and promptly report to a teacher or the principal any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member
- Know emergency evacuation routes and signals
- Follow immediately the instructions of teachers, bus drivers, and other district employees who are overseeing the welfare of students

Accident Insurance

Soon after the school year begins, parents will have the opportunity to purchase low-cost accident insurance that would help meet medical expenses in the event of injury to their child.

Drills: Fire, Tornado, and Other Emergencies

Brownsboro I.S.D. has an emergency management plan in place and we are constantly in the process of revising it in response to current needs. Periodic announced and unannounced drills will be conducted to prepare for emergency situations.

Emergency Medical Treatment and Information

If a student has a medical emergency at school or a school-related activity and in the event the parent cannot be reached, the school may have to rely on previously provided written parental consent to obtain emergency medical treatment, and information about allergies to medications, foods, insect bites, etc. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the school nurse to update any pertinent information.

Emergency School-Closing Information

Each year, parents are asked to complete an emergency release form to provide contact information in the event that school is dismissed early because of severe weather or another emergency.

SAT, ACT, AND OTHER STANDARDIZED TESTS
(See Standardized Testing)

SCHOOL FACILITIES

Use by Students Before and After School

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place.

The following areas are open to students before school, beginning at 7:40 a.m.

- Cafeteria
- Tutorials
- Little Theater (meetings or bad weather only)
- Library

Unless the teacher or sponsor overseeing the activity gives permission, a student will not be permitted to go to another area of the building or campus.

After dismissal of school in the afternoon, and unless involved in an activity under the supervision of a teacher, students must leave campus immediately.

Conduct Before and After School

Teachers and administrators have full authority over student conduct at before- or after-school activities on district premises and at school-sponsored events off district premises. These events consist of, but are not limited to, play rehearsals, club meetings, athletic practices, and special study groups or tutorials. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to consequences established by the Student Code of Conduct or any stricter standards of behavior established by the sponsor for extracurricular participants.

Use of Hallways During Class Time

Loitering or standing in the halls during class is not permitted. During class time, a student must have a hall pass to be outside the classroom for any purpose. Any student out of class during instructional time without a hall pass will be subject to disciplinary consequences in accordance with the Student Code of Conduct.

Cafeteria Services

BISD participates in the National School Lunch Program and offers students nutritionally balanced lunches daily. Free and reduced-price lunches are available based on financial need. Information about a student's participation is confidential. See the campus Cafeteria Manager to apply.

Students are required to eat lunch in the cafeteria whether they bring their lunch or participate in the school lunch program. Students are expected to dispose of their trash and place their trays in the proper areas. Students are not allowed to leave campus for lunch. Visitors (other than parents/guardians and clergy) are not allowed to eat lunch with students. Students leaving campus without permission and not signing out through the office during the lunch will be given appropriate disciplinary actions.

Students are not allowed to take any food or drink items out of the cafeteria without the permission of a teacher and the approval by a campus administrator. Students will not be allowed to charge in the cafeteria, unless arrangements are made with the cafeteria, the office will not be responsible for cafeteria charges. BISD follows the federal and state guidelines regarding foods of minimal nutritional value being served or sold on school premises during the school day. The district also follows the federal and state guidelines regarding foods of minimal nutritional value being served or sold on school premises during the school day. For more information, see policy CO(LEGAL).

Media Center

The Media Center is a learning laboratory with books, computers, magazines, and other materials available for classroom assignments, projects, and leisure activities. The Media Center is open for independent student use during the following times with a teacher permit:

Monday – Friday 7:30am to 3:40pm (unless meetings or classes are present)

Meetings of Non-curriculum-Related Groups

Student-organized, student-led non-curriculum-related groups are permitted to meet during the hours designated by the principal before and after school. These groups must comply with the requirements of policy FNAB(LOCAL).

A list of these groups is available in the principal's office.

SEARCHES

In the interest of promoting student safety and attempting to ensure that schools are safe and drug free, district officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

Students' Desks and Lockers

Students' desks and lockers are school property and remain under the control and jurisdiction of the school even when assigned to an individual student.

Students are fully responsible for the security and contents of their assigned desks and lockers. Students must be certain that their lockers are locked, and that the combinations are not available to others.

Searches of desks or lockers may be conducted at any time there is reasonable cause to believe that they contain articles or materials prohibited by policy, whether or not a student is present.

The parent will be notified if any prohibited items are found in the student's desk or locker.

Electronic Devices

Use of district-owned equipment and its network systems is not private and will be monitored by the district. [See policy CQ for more information.]

Any searches of personal telecommunications or other personal electronic devices will be conducted in accordance with law, and the device may be confiscated in order to perform a lawful search. A confiscated device may be turned over to law enforcement to determine whether a crime has been committed.

[See policy FNF(LEGAL) for more information.]

Trained Dogs

The district will use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol. At any time, trained dogs may be used to search lockers and the areas around vehicles parked on school property. Searches of classrooms, common areas, or student belongings may also be conducted by trained dogs when students are not present. An item in a classroom, a locker, or a vehicle to which a trained dog alerts may be searched by school officials.

Drug-Testing

Brownsboro ISD does require all students that participate in grades 7-12 UIL extracurricular activities and those students who obtain a parking permit to submit to the random drug testing policy.

[For further information, see policy FNF(LOCAL). Also see Steroids on page.

SPECIAL PROGRAMS

To meet the requirements of state and federal law, we also offer several programs designed to meet specific needs of some of our students. We identify students as eligible for one or more of these programs based on assessments made after referrals and recommendations from teachers and counselors, and will always inform you about the program beforehand. We also can identify students based on an assessment after a request or referral from you. If you have any questions about the referral and identification process for any of the following programs, please contact your child's teacher(s), counselor, or the campus principal.

STANDARDIZED TESTING

SAT/ACT (Scholastic Aptitude Test and American College Test)

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the counselor early during their junior year to determine the appropriate exam to take; these exams are usually taken at the end of the junior year.

TSI (Texas Success Initiative) Assessment

Prior to enrollment in a Texas public college or university, most students must take a standardized test called the Texas Success Initiative (TSI) assessment. The purpose of the TSI assessment is to assess the reading, mathematics, and writing skills that entering freshmen-level students should have if they are to perform effectively in undergraduate certificate or degree programs in Texas public colleges and universities. This assessment may be required before a student enrolls in a dual credit course offered through the district as well. Achieving certain benchmark scores on this assessment for college readiness may also waive certain end-of-course assessment requirements in limited circumstances.

STAAR (State of Texas Assessments of Academic Readiness) or End-of-Course (EOC) Assessments for Students in Grades 9–12

Beginning with ninth graders in the 2011–2012 school year, State of Texas Assessments of Academic Readiness (STAAR) or end-of-course (EOC) assessments are administered for the following courses:

- Algebra I
- English I, English II
- Biology
- United States History

Satisfactory performance on the applicable assessments will be required for graduation.

There are three testing windows during the year in which a student may take an EOC assessment, which will occur during the fall, spring, and summer months.

STAAR-L, which is a linguistically accommodated assessment, will be available for students who have been determined to be limited English proficient (LEP) and who require this type of testing accommodation.

Also see Course Credit, Grading Guidelines, and Graduation for additional information.

STEROIDS

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use. Bodybuilding, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

Students participating in UIL athletic competition may be subject to random steroid testing. More information on the UIL testing program may be found on the UIL Website at <http://www.uil texas.org/health/steroid-information>.

STUDENT SPEAKERS

The district provides students the opportunity to introduce the following school events: awards assemblies, class meetings, pep rallies, and opening announcements and greetings for the school day. Students are eligible to introduce these events, only those students in the highest two grade levels of the school at which the student is publicly speaking and who hold one of the following positions of honor based on neutral criteria are eligible to use the limited public forum: student council officers, class officers, captains of high school varsity athletic teams, captains of junior high school athletic teams, band officers, high school National Honor Society members, National Junior Honor Society officers, high school varsity cheerleaders, junior high school cheerleader officers, and all high school club and organization officers. See FNA (LOCAL) Students in Foster Care (All Grade Levels)

In an effort to provide educational stability, the district will assist any student who is currently placed or newly placed in foster care (temporary or permanent custody of the state, sometimes referred to as substitute care) with the enrollment and registration process, as well as other educational services throughout the student's enrollment in the district.[See Students in the Conservatorship of the State for more information.]

SUICIDE AWARENESS

The district is committed to partnering with parents to support the healthy mental, emotional, and behavioral development of its students. If you are concerned about your child, please access the following Web sites or contact the school counselor for more information related to suicide prevention and to find mental health services available in your area:

- <http://www.texassuicideprevention.org>
- <http://www.dshs.state.tx.us/mhservices-search/>

SUMMER SCHOOL

See Counselors for more information.

TEXTBOOKS, ELECTRONIC TEXTBOOKS, TECHNOLOGICAL EQUIPMENT, AND OTHER INSTRUCTIONAL MATERIALS

Textbooks and other district-approved instructional materials are provided to students free of charge for each subject or class. Any books must be covered by the student, as directed by the teacher, and treated with care. Electronic textbooks and technological equipment may also be provided to students, depending on the course and course objectives. A student who is issued a damaged item should report the damage to the teacher. Any student failing to return an item in acceptable condition loses the right to free textbooks and technological equipment until the item is returned or the damage paid for by the parent; however, the student will be provided the necessary instructional resources and equipment for use at school during the school day.

TRANSFERS

The principal is authorized to transfer a student from one classroom to another.

[See Safety Transfers, on page, Bullying, on page, and Options and Requirements for Students Who Have Learning Difficulties or Who Need or May Need Special Education Services, on page, for other transfer options.]

TRANSPORTATION

School-Sponsored Trips

Students who participate in school-sponsored trips are required to use transportation provided by the school to and from the event. The principal, however, may make an exception if the parent makes a written request that the student be released to the parent or to another adult designated by the parent.

To and From School

The district makes school bus transportation available to all students living two or more miles from school. This service is provided at no cost to students. Bus routes and any subsequent changes are posted at the school. A parent may also request a child-care facility or grandparent's residence as the regular pickup and drop-off location for his or her child. The requested facility or residence must be on an approved stop on an approved route. For information on bus routes and stops or to designate an alternate pickup or drop-off location, you may contact the transportation department at (903) 852-2097.

Students are expected to assist district staff in ensuring that buses remain in good condition and that transportation is provided safely. When riding in district vehicles, students are held to behavioral standards established in this handbook and the *Student Code of Conduct*. Bus-riding privileges may be suspended.

VANDALISM

The taxpayers of the community have made a sustained financial commitment for the construction and upkeep of school facilities. To ensure that school facilities can serve those for whom they are intended, littering, defacing, or damaging school property is not tolerated. Students will be required to pay for damages they cause and will be subject to criminal proceedings as well as disciplinary consequences.

VIDEO CAMERAS

We will seek and obtain your written consent before any school employee makes an audio or video recording of your child, except that your prior consent is not required before a recording that will be used only for:

- safety purposes, including maintaining order and discipline in common areas of the school or on school buses
- a purpose related to a co-curricular or extracurricular activity
- a purpose related to regular classroom instruction
- media coverage of the school

The principal will review the video/audio recordings routinely and document student misconduct. Discipline will be in accordance with the *Student Code of Conduct*.
the Student Code of Conduct

Upon written request of a parent of a student who receives special education services, a staff member, (as this term is defined by law), a principal or assistant principal, or the board, state law requires the district to place video and audio recording equipment in a classroom in which the student spends at least 50 percent of his or her instructional day, referred to in the law as a self contained classroom. The majority of students in this type of classroom must also be students who receive special education services. Before the district places a video camera in a classroom or other setting in which your child receives special education services, the district will provide notice to you. [See EHBAF(LOCAL).]

VISITORS TO THE SCHOOL

General Visitors

Parents and/or guardians are encouraged to visit their student's schools from time to time; however, we ask that they comply with our policy requiring all visitors to check in at the security vestibule, sign in, and comply with all applicable district policies and procedures. A visitor's badge will be worn at all times during the visit.

Visits to individual classrooms during instructional time are permitted only with approval of the principal and teacher and only so long as their duration or frequency does not interfere with the delivery of instruction or disrupt the normal school environment. All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer has the authority to refuse entry or remove a person from district property if the person refuses to leave peaceably on request and:

- The person poses a substantial risk of harm to any person
- The person behaves in a manner that is inappropriate for a school setting and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or removal

Appeals regarding refusal of entry or removal from district property may be filed in accordance with FNG(LOCAL) or GF(LOCAL).

[See also Student Code of Conduct.]

Business, Civic, and Youth Groups

The district may invite representatives from patriotic societies listed in Title 36 of the United States Code to present information to interested students about membership in the society.

VOTER REGISTRATION

A student who is eligible to vote in any local, state, or federal election may obtain a voter registration application at the main campus office.

WITHDRAWING FROM SCHOOL

A student who has not yet reached their 19th birthday may be withdrawn from school only by a parent. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. The parent may obtain a withdrawal form from the counselor's office.

A student who is 19 or older prior to the first day of the upcoming school year, who is married, or who has been declared by a court to be an emancipated minor may withdraw without parental signature.
