We are so happy to have found Zara Tutoring! My son found it so easy to work with Ashley on SAT prep. He went from a 1290 diagnostic to a **1520** on the **SAT**. That is a **230-point** improvement! The regularly scheduled meetings meant I didn't have to nag him so we were all happier!

All levels of Math (Grade K – College)

★★★★★ Kathy Tiell

My son joined the ACT group with Ashley. He started with a **24 ACT** score and ended with a **32 ACT** score, an improvement of **eight points**. We are so happy that we joined this tutor group.

Tutoring service in Rochester Hills, Michigan

★★★★★ Jill Hall

Highly recommend Zara tutoring! The investment is well worth it beyond any other tutoring service that our family has used. The difference with Zara is that they know BOTH the **subject matter** AND the **classroom curriculum** for most of the surrounding districts. They are truly able to be a support and extension of the classroom!!

★★★★★ Kathleen M

I would highly recommend Zara tutoring! They are organized, professional, and knowledgeable about the **RCS curriculum**. They truly want what is best for their students and prepare them for success!
