WOLFPACK ATHLETIC UPDATE: FALL 2023

ISSUE 1

SJS FOUNDATION VOLLEYBALL

The Livingston High varsity volleyball team hosted Atwater High School on Monday night (8/21.) The game was part of the annual Peter J. Saco Sac-Joaquin Section Foundation Games. Foundation games are exhibition contests whose proceeds support the Section's Dale Lacky Scholarship program. The program focuses on recognizing student-athletes throughout the Sac-Joaquin Section that excel in athletics and academics while being an influential member of the school campus and local community. The Falcon's were to much for the Pack, winning the exhibition match in 3 games. Picture top right #11, *Emily Lara*, bottom right – the *Wolves* celebrate after a point.

FRIDAY NIGHT LIGHTS

The Livingston High Football teams traveled to Le Grand last Friday night for the 2023 season opener. Le Grand took a 21-7 lead late into the 4th quarter before the Pack responded with two late touchdowns to cut the lead to 21-19. With just under 2 minutes left in the ballgame, the Wolves recovered the onside kick but were penalized because the ball did not travel the required 10 yards. The Bulldog regained possession and were able to run out the clock to secure the win. The Pack is back in action tonight (8/25), as the JV and Varsity teams travel to Pacheco High (Los Banos) to take on the Panthers. Game times are 5:00 pm and 7:00 pm.
