

GATOR GAZETTE

August 25, 2023

This week our scholars completed NWEA testing. We are so proud of the effort and perseverance they showed during these assessments. These assessments provide teachers with a clear picture of the skills students are ready to learn and develop, as well as identify skills for reteaching/strengthening. Your child's teacher will share a copy of their individual score report at Parent/Teacher Conferences in October.

Thank you so much to all our families who attended Back to School Night this week! It was wonderful to see so many smiling faces despite the extreme heat. We appreciate your partnership in your child's elementary education experience.

We hope you will join us for our first PTO meeting on Monday, August 28th at 6:00 pm in the GCES media center. All are welcome to come and learn how our PTO helps our teachers and students throughout the year and how you can help!

Have a great weekend,

Mrs. Rose and Mr. Kroon

A NOTE FROM OUR INSTRUCTIONAL COACH

Hello Parents,
Here at GCES, we want to partner with our parents and families. Guion Creek is a Title I School, meaning we receive federal funding to ensure all children have a fair, equal, and significant opportunity to obtain a high-quality education. If you missed our Title I meeting/video during Back-to-School night, please join us on Friday, September 1, 2023 at 9:00 am in our Multipurpose Room.

See you there!
Ms. Kate Sitzman
Instructional Coach and Title I Coordinator
