

Become a St. Isidore School Sponsor!

The St. Isidore School Sponsorship program allows our local families and businesses to support an institution of exceptional learning, while promoting their business throughout the community. As a Sponsor, you will receive various recognition and event benefits that demonstrate the significant partnership between our school and our Sponsors.

By choosing to support sponsorship early, the school can better market your business or family for the entirety of the school year - this year's SIS Classic Golf Event is one of our big community events and it will take place on September 19th. Some sponsorship packages include golf tickets - don't miss out!
