PARENT SUPPORT	
Meet & Greet	1st week An opportunity to meet staff
Administration present at gate	Morning greeting to community
Coffee with Director	-Clear communication between school and families -Power point found on MIT website
Onsite Parent Workshops	Pueblo y Salud Parent Workshops @ MIT
Parent workshops in collaboration with Family Center (based on parent feedback)	Topics: <ul style="list-style-type: none"> ● Self Harm ● Bullying ● Sexual Harassment ● Socio emotional challenges ● Understanding changes in adolescence
Attendance Matters Parent/Student Meeting	We held a meeting to highlight the importance of attendance the day of Back to School Night; we will continue to minot and support families with attendance guidance
Social media posts	We ask for the support from the school community to report the names of the sites promoting unsafe student interactions to Claudia Flores -Operations Manager (anonymous reporting is welcome) We encourage families to have conversation to report
Urgent concerns- Report, Report, Report	When parents call in a concern, administration takes all reports seriously and investigates thoroughly
We take all cases seriously and follow state mandated protocols on investigations	Last year we had 3 Title IX cases in which we consulted with legal council to ensure a thorough investigation process We had 1 Uniform Complaint in we we also conducted an extensive review for the safety and well being of our student
