SOUTHRIDGE HIGH SCHOOL

COMMON EXPECTATIONS, SYSTEMS OF SUPPORT AND INTERVENTIONS

Students are expected to conduct themselves in accordance with the RISE common expectations to ensure a physically and psychologically safe school environment. A major responsibility in educating children is to develop, teach, apply and uphold consistent expectations and standards. Interventions must be fair and consistent, and may include appropriate consequences for some behaviors. The following pages contain lists of potential support, interventions, consequences for school infractions, and clear expectations for behavior using the RISE format. All interventions with students will be administered in a caring atmosphere where the student's dignity and self-worth are protected while behaviors are addressed.

It is a Southridge High School expectation that ALL students be respectful in matters concerning: interactions with staff; treatment of fellow students; guests in the building; school property and the personal property of others. Any behavior determined by administration or staff to be disrespectful or insubordinate will result in appropriate intervention.

School expectations and standards are determined by school and district policies and state law.

Any behavior which constitutes a criminal offense may be forwarded to the prosecuting attorney.

Students, staff members, and parents are informed about Southridge High School's behavior expectations and policy through the <u>Southridge Student/Parent Handbook</u>.

Classroom Management/Behavior Model:

- a) Teacher introduces agreed upon schoolwide expectations for all students (RISE).
- b) Teacher teaches school and classroom expectations to students.
- c) Teacher informs parents about building expectations through distribution to students of classroom expectations/discipline policy document(s). Parental/student acknowledgment needs to be signed and returned for student to be eligible for sports, clubs or extra-curricular activities.
- d) Student will be informed specifically of what behavior is of concern.
- e) Teacher helps student develop specific plan for improved behavior.

f) Teacher uses appropriate classroom intervention strategies to address problem student behavior(s) and documents classroom level intervention attempts.

g) Teacher contacts parents to inform and seek assistance with interventions to address student behavior and keeps a record of each contact.

h) Teacher refers to the counselors, assistant principals, or principal students whose classroom behavior continues to be inappropriate. Consequences are determined by school or district policy, state law, and the judgment of the person administering discipline.

MINOR behavior concerns will initially be addressed by the teacher at the classroom level. Continuous behavior concerns may lead to a MAJOR behavior referral that will be addressed by staff beyond the classroom.

MAJOR student behavior of an extremely disruptive nature (for example: continuous minor behaviors, fighting, swearing at a teacher, or endangering other students) or insubordination will result in immediate removal from the classroom and the student will be sent or brought to the office. Interventions are determined by school or district policy, state law, and the judgment of a school administrator or designee. The office will contact the parents. Readmission to that immediate class period is subject to teacher approval and may require a parent conference.

The following procedures will be used when a teacher submits a MAJOR behavior referral for a student:

- a) Intervention staff will contact the student
- b) The student will be informed specifically of the behavior concern
- c) The student will be provided the opportunity to present an explanation.

d) The intervention for the behavior will be determined by school and district policy, state law, and the judgment of the person administering the intervention. Please note: "Judgment" may include referrals to other appropriate school programs or resources such as a counselor, student assistance programs, and other social services.

e) Parents/guardians of the student will be contacted by email, mail and/or phone and the intervention will be explained for them.

5 BIR (Behavior Intervention Room)

Can be for a single class period, partial day, full-day or several days--this is assigned by an administrator depending on the situation. The student is permitted to come to school but is kept in a room apart from other students with limited passing time and a different lunch when applicable. Parents/guardians are contacted. Students will receive credit for schoolwork completed during the time in BIR. Students without class work will be expected to complete BIR

curriculum; repeat the time in BIR until work is complete. In some circumstances BIR can take the place of OSS with clear behavior expectations agreed to by student and parent.

Failure to meet BIR expectations may result in Short-Term OSS

6 Contracts

Behavior—addresses behaviors necessary to continue to be enrolled at Southridge High School Attendance—addresses strategies and plans for improved attendance Gang—addresses behavior and dress related to gang affiliation

A behavior contract may be required for any student returning from an out-of-school suspension (OSS) Any contract is only good for the current school year. After a review of behaviors, a contract may need to be required the following year if it is determined that additional intervention is necessary.

6 Withdrawal from class with a failing grade; placed in BIR with support

Student will be expected to use time productively on schoolwork, behavior interventions or restorative practices

6 Loss of Privilege/Restriction

Privileges beyond a student's right to a free and safe education may be limited or restricted

8 Confiscation

Items inappropriate for schools (for example, nuisance items that disrupt such as: electronic music devices, fireworks, matches, cap pistols, cigarettes, lighters, knives, noise makers, smokeless tobacco, drug paraphernalia, etc.) will be taken away. Confiscated items may not be returned and illegal items may be given to a law enforcement officer. Inappropriate clothing may also be confiscated and returned to a parent or picked up by a student at a designated time.

9 Short-Term Suspension (Out of School--OSS)

Short-term out-of-school suspension will be one to ten days. Parents/guardians are contacted, and a letter is sent home. Students/parents/guardians are strongly encouraged to contact teachers via email to stay current with classwork and students will be provided appropriate time to make up work that could not be completed at home during time of suspension. Generally, the reasonable number of days to make up work after a suspension would be equal to the number of days suspended (Example: 3 days of suspension = 3 days to make up work. Work requests will be distributed (for suspensions beyond 2 days) to teachers and can be picked up one school day after the suspension. A parent conference will be required for the student to return to school and the parents/guardians, and the student must agree to a behavior contract that will be established prior to the student's return to school.

10 Long-Term Suspension (Out of School--OSS)

Long-term suspension will be eleven or more days. Parents are contacted and a letter is sent home. Grievance procedures are provided for discipline situations and long-term suspensions. If the student is to return to school within the current semester, students must make up work during suspension and credit for the work will be given. Work requests will be distributed to teachers and can be picked up one school day after the suspension. If the suspension is for an extended period, opportunities for continued education services will be provided and a reengagement plan will be completed. A parent conference will be required for the student to return to school and the parents/guardians, and the student must agree to a behavior contract that will be established prior to the student's return to school.

Parents/guardians are contacted, and a letter is sent home. Grievance procedures are provided for discipline situations and long-term suspensions/expulsions. Work requests will be distributed to teachers and can be picked up one school day after the emergency expulsion.

DRESS CODE DISTRICT POLICY

R 3224

STUDENTS

Student Dress

It is the goal of the Kennewick School District to ensure that students are safe, known, and valued and to establish and maintain a quality learning environment for all students and staff. We expect all students to dress in a manner that provides for adequate safety while on any school campus or at school sponsored events. Further, we hope to instill the understanding of, and adherence to, appropriate dress for a work environment as we prepare students for their future career.

Students who are wearing clothing that is disruptive to the learning environment or hampers the safety of themselves or others as determined by the school will be asked to change clothing and may be subject to school discipline should they refuse to do so. These guidelines are not intended to be all-inclusive. The principal has the authority to determine if clothing is disruptive to learning or impacts student safety. The principal, in connection with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress of students who participate in the activity if the principal reasonably believes that the student's dress will interfere with or adversely affect the purpose, direction or effort required for the activity to achieve its goals.

A student's personal dress shall not:

- 1. Lead school officials to reasonably believe that such dress or grooming will disrupt, interfere with, or detract from school activities.
- 2. Create a health or other hazard to the student's safety or to the safety of others.
- 3. Create an atmosphere in which a student, staff, or other person's well-being is hindered by undue pressure, intimidation, overt gesture, or threat of violence

- 4. Imply gang membership or affiliation by written communication, marks, drawing, painting, design, or emblem upon any school or personal property or one's person.
- 5. Prevent, interfere with, or adversely affect the purpose, direction, or effort required for the activity to achieve its goals.

School uniforms (cheer, dance team, school sponsored athletic jerseys) may be worn in school. Students may be required to wear uniforms or safety equipment/clothing in certain courses.

To maintain adherence to the student dress policy, students may not wear clothing that <u>reveals</u> the back, midriff, chest, buttocks, or undergarments. Prohibited clothing includes but is not limited to the following:

- Sheer tops
- Mesh tops
- Tops with overly large openings at the neck or arms
- Halter-tops
- Tube tops
- Swim tops and bottoms
- Clothing or accessories with offensive pictures, symbols, or sayings. These include, but are not limited to:
 - Demeaning statements
 - Violent statements
 - Sexual statements
 - Racist statements
 - ✤ Gang affiliated statements and symbols.

Clothing that advertises or promotes tobacco (including electronic delivery devices), alcohol, marijuana, or other drugs

Jewelry or accessories that may cause harm or injury.

Students are to use good judgment and not wear any clothing that may violate the dress code.

Policies regarding head coverings such as hats, hoods etc. are at the discretion of the individual school building. Students will not be prohibited from wearing head coverings for religious or cultural reasons.

If the student's dress is objectionable under these provisions, the principal/designee shall request the student to make appropriate corrections. Staff are expected to communicate dress code violations to students in a discrete manner that maintains student privacy and dignity. Students should report any concerns to the principal/designee. If the student refuses to make the appropriate corrections, the principal/designee shall notify the parent/guardian and request assistance in guiding the student to make the necessary correction. If both the student and parent/guardian refuse, the principal/designee shall take appropriate corrective action. Students may be suspended if circumstances warrant, and students who violate provisions of the dress code relating to extracurricular activities may be removed or excluded from the extracurricular activity for such period as the principal/designee may determine. All students shall be accorded due process safeguards before any corrective action may be taken.

Revised: March 30, 2022

Dress Code Procedure

Staff are expected to communicate dress code violations to students in a discrete manner that maintains student privacy and dignity.

Therefore, classroom teachers/staff <u>will not</u> address dress code violations in the classroom and will use discretion in the hallway with the students.

Classroom teachers/staff will:

- Enter a minor referral in SWIS
- Send an email to the main office secretary/receptionist:
 - Email should include the student's name
 - Email should give details of the dress code violation

Next steps:

- The student will be called to the office in a timely manner
- Admin, security, or office staff will address the violation in a discrete, private and dignified manner once notification has been received by the main office.
- The responding person (admin, security, or office staff) will notify the student's parent/guardian and teachers of the violation and corrective intervention(s) taken.
- Student will be sent back to class if the dress code violation has been corrected
- If the student and/or parent refuses to correct the dress code violation the student may have to go to ISS or be sent home

Electronics:

Cell phones and other personal electronic devices are not allowed to be used in classrooms without express permission from staff. If a student uses a device without permission the staff may ask for the device and the device will be secured and sent to the office for the duration of the school day. It is expected that students comply with requests and pick up the device in the office at the end of the day. Patterns of noncompliance may result in a parent/guardian having to pick up the phone from the school and meet with administration.

Southridge High School

Student Chromebook/Network Usage Expectations

Students will have the ability to save and delete their own files from their individual student Chromebook.. Use of the Kennewick School District Network and SHS/KSD equipment is a privilege and may be revoked for misuse. Students must adhere to a strict ethical standard and any use of technology at SHS that is deemed disruptive by the staff is prohibited.

I agree to the following conditions:

• I will not attempt to "hack", enter a command or DOS mode, boot from removable media, bypass district security measures or alter/modify any computer hardware or software without direct staff authorization. Use of "proxies" to bypass restrictions is expressly forbidden. This includes "surfing" the network drives and folders not explicitly assigned to you.

- I will not allow another student to use my account. I will keep my password secure. I realize that I can be held responsible for any misuse of my account. I will immediately report to security if I think someone knows my password.
- I will avoid using technologies such as streaming audio or video from the Internet unless I have permission from a staff member. Music/audio can be played if headphones are used and with teacher permission.
- I will not store music or video files on the network server unless they are for a school project.
- I will not use my Chromebook for sending electronic messages, IM or "chats" on the school network without direct staff authorization.
- I will not use email during regular school hours unless it is for a school related purpose. Misuse of school district provided email accounts may result in loss of Chromebook and email access and additional discipline.
- I will not download or install programs, from the Internet or from other media, to the network server or local machines without proper authorization. I will not store files in files in any location other than my assigned network space(s) or as directed by a staff member.
- I will follow all copyright laws. In particular, students are not to download copyrighted music, video, text or other media without staff permission, express permission of the copyright holder or within the guidelines of the Fair Use Policy.
- I will not engage in games <u>at any time</u> or <u>ANY</u> other activity that is not school-related or teacher directed.
- I will not use Kennewick School District or SHS technology to harass others or to send, create, duplicate, or in any way convey profanity, abusive language, or inappropriate images or audio.
- I understand that the technology provided by the Kennewick School District and SHS is for educational use only and not personal or entertainment purposes.
- I understand the abuse and /or misuse of KSD technology resources at SHS can result in disciplinary consequences.

Pass To Be Out of Class:

Our goal is to have students in class from bell to bell to make the best use of learning time. Staff does have the authority to not allow students to leave class. For students to be out of class it is expected that students inform staff of rationale for leaving and complete a SmartPass for tracking purposes. Generally, requests to leave class are honored at appropriate times and if a student is not showing a pattern of abusing the privilege and is following procedures.

ATTENDANCE GUIDELINES

This year, Kennewick School District is making a special effort to ensure that all students fully benefit from their education by attending school regularly. Attending school regularly helps children feel better about school—and themselves. Your student can start building this habit in preschool, so they learn right away that going to school on time, every day is important. Consistent attendance will help children do well in high school, college, and at work.

DID YOU KNOW?

• Missing 10 percent (or about 18 days) increases the chance that your student will not read or master math at the same level as their peers.

- Students can still fall behind if they miss just a day or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.
- By being present at school, your child learns valuable social skills and can develop meaningful relationships with other students and school staff.
- Absences can be a sign that a student is losing interest in school, struggling with schoolwork, dealing with a bully, or facing some other potentially serious difficulty.
- By 9th grade, regular attendance is a better predictor of graduation rates than 8th grade test scores.

WHAT WE NEED FROM YOU

We miss your student when they are gone, and we value their contributions to our school. We would like you to help ensure that your student attends regularly and is successful in school. If your student is going to be absent, please contact the school attendance office at 509-222-7208 or 509-222-5286.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Prepare for school the night before, finishing homework and getting a good night's sleep.
- Find out what day school starts and make sure your child has the required immunizations.
- Don't let your student stay home unless they are truly sick. Keep in mind complaints of a stomachache or headache can be a sign of anxiety and not a reason to stay home.
- Avoid appointments and extended trips when school is in session.
- Develop back-up plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Keep track of your student's attendance. Missing more than 9 days could put your student at risk of falling behind.
- Talk to your student about the importance of attendance.
- Talk to your students' teachers if you notice sudden changes in behavior. These could be tied to something going on at school.
- Encourage meaningful afterschool activities, including sports and clubs.

OUR PROMISE TO YOU

We know that there are a wide variety of reasons that students are absent from school, from health concerns to transportation challenges. There are many people in our building prepared to help you if you or your student face challenges in getting to school regularly or on time (school nurse, counselor interventionist, etc.). We promise to track attendance daily, to notice when your student is missing from class, communicate with you to understand why they were absent, and to identify barriers and supports available to overcome challenges you may face in helping your student attend school. <u>SCHOOL POLICIES AND STATE LAWS</u>

It is important that you understand our school policies and procedures, as well as Washington State Law, to ensure your child is successful in school. State law for mandatory attendance, called the Becca Bill, requires children from age 8 to 17 to attend a public school, private school, or a district-approved home school program. Youth who are 16 or older may be excused from attending public school if they meet certain requirements. <u>http://apps.leg.wa.gov/rcw/default.aspx?cite=28A.225</u>

Each school is required to take daily attendance and notify you when your student has an unexcused absence.

If your student has three unexcused absences in one month, state law (RCW 28A.225.020) requires we schedule a conference with you and your student to identify the barriers and supports available to ensure regular attendance. The district is obligated to develop a plan that may require an assessment to determine how to best meet the needs of your student and reduce absenteeism. If your student has an Individualized Education Plan or a 504 Plan the team that created the plan needs to reconvene.

If your student has seven unexcused absences in any month or ten unexcused absences within the school year, we are required to file a petition with the Juvenile court, alleging a violation of RCW 28A.225.010, the mandatory attendance laws. The petition may be automatically stayed, and your student and family may be referred to a Community Truancy Board, or you and your student may need to appear in Juvenile Court. If your student continues to be truant, you may need to go to court.

The Kennewick School District has an established policy defining excused absences that will help you ensure your student is attending regularly. Policy 3122 defines excused absences as:

EXCUSED ABSENCES

Regular school attendance is necessary for mastery of the educational program provided to students. It is recognized that, at times, students appropriately may be absent from class. Therefore, the following principles shall govern the development and administration of attendance procedures within the district:

The following are valid excuses for absences from school:

PART ONE:

A. Participation in a district or school approved activity or instructional program

B. Physical health or mental health symptoms, illness, health condition or medical appointment for the student or person for whom the student is legally responsible. Examples of symptoms, illness, health conditions, or medical appointments include, but are not limited to, medical, counseling, mental health wellness, dental, optometry, pregnancy, and behavioral health treatment (which can include in-patient or out-patient treatment for chemical dependency or mental health)

C. Family emergency including, but not limited to, a death or illness in the family

D. Religious or cultural purpose including observance of a religious or cultural holiday or participation in religious or cultural instruction

E. Court, judicial proceeding, court-ordered activity, or jury service

F. Post-secondary, technical school or apprenticeship program visitation, or scholarship interview

G. State-recognized search and rescue activities consistent with RCW 28A.225.055

H. Absence directly related to the student's homeless or foster care/dependency status

I. Absences related to deployment activities of a parent or legal guardian who is an active-duty member consistent with RCW <u>28A.705.010</u>

J. Absences due to suspensions, expulsions or emergency expulsions imposed pursuant to chapter <u>392-400</u> WAC if the student is not receiving educational services and is not enrolled in qualifying "course of study" activities as defined in WAC <u>392-121-107;</u>

K. Absences due to student safety concerns, including absences related to threats, assaults, or bullying

L. Absences due to a student's migrant status

M. Absences due to an approved activity that is consistent with district policy and is mutually agreed upon by the principal or designee and a parent, guardian, or emancipated youth; and

N. Absences due to the student's lack of necessary instructional tools, including internet access or connectivity.

PART TWO:

In the event of emergency school facility closure due to COVID-19, other communicable disease outbreak, natural disaster, or other event when districts are required to provide synchronous and asynchronous instruction, absences due to the following reasons must be excused:

A. Absences related to the student's illness, health condition, or medical appointments due to COVID-19 or other communicable disease

B. Absences related to caring for a family member who has an illness, health condition, or medical appointment due to COVID-19, other communicable disease, or other emergency health condition related to school facility closures

C. Absences related to the student's family obligations during regularly scheduled school hours that are temporarily necessary because of school facility closures, until other arrangements can be made

D. Absences due to the student's parent's work schedule or other obligations during regularly scheduled school hours, until other arrangements can be made

Districts may define additional categories or criteria for excused absences. A school principal or designee has the authority to determine if an absence meets the criteria in subsections (1) and (2) of this section and school district policy for an excused absence

Any absence not listed above is an unexcused absence.

CLEARING AN EXCUSED ABSENCE

When a student is absent it is the student/parent/guardian's responsibility to clear the absence with the Attendance Office

HOW TO EXCUSE YOUR ABSENCE

Parents may call or send a written justification to excuse their child's absence. Absences that are not excused within three (3) school days following the absence may be considered unexcused.

HOMEWORK ASSIGNMENTS

If an absence is excused, the student shall be permitted to make up any graded assignments and/or equivalent participation points outside of class under reasonable conditions and time limits established by the appropriate teacher(s). A minimum of "the number of days absent plus one" will be provided.

After a student has been absent for two days (EXCUSED absences only) students should email the teacher directly to request assignments. Please allow a minimum of 24 hours from the time of the request to check back with the Attendance Office to see if the homework assignments are ready to be picked up. Homework may be picked up in the Attendance Office between 7:00 am and 3:30 pm.

UNEXCUSED ABSENCES/TRUANCIES

Students will be allowed three (3) school days after returning to school to clear any absence. After three (3) days, all absences which have not been cleared with the Attendance Office will automatically become permanently unexcused or truant. These steps will be followed by the Attendance Office regarding unexcused absences when they have been determined to constitute a truancy.

Any absence from school for the majority of hours or periods in an average school day is unexcused unless it meets one of the criteria in #1 A-M above for an excused absence.

As a means of instilling values of responsibility and personal accountability, a student's academic grade or credit in a particular subject or course may be adversely affected by reason of tardiness or unexcused absences only to the extent and upon the basis that:

a. The student's attendance and participation are related to the instructional objectives or goals of the subject or course, and

b. The student's attendance and/or participation has been identified by the teacher pursuant to the policy of the school district as a basis for grading, in whole or in part, in the subject or course.

The school shall notify a student's parent or guardian in writing or by telephone whenever the student has incurred one unexcused absence (equivalent of one school day) within any month during the current school year. The notification shall include the potential consequences of additional unexcused absences. A conference with the parent or guardian shall be held after three unexcused absences (equivalent of three school days) within any month during the current school year.

A conference shall be scheduled to determine what corrective measures should be taken to remedy the cause for the student's absences from school. If the parent does not attend the conference, the parent shall be notified of the steps the district has decided to take to reduce the student's absences.

Not later than the student's fifth unexcused absence (equivalent of five school days) in a month the district shall enter into an agreement with the student and parents that establishes school attendance

requirements, refer the student to a community truancy board or file a petition and affidavit with the juvenile court alleging a violation of RCW 28A.225.010.

Unexcused Absences (cont.)

If such action is not successful, the district shall file a petition and affidavit with the juvenile court alleging a violation of RCW 28A.225.010 by the parent, student, or parent and student no later than the seventh unexcused absence within any month during the current school year or upon the tenth unexcused absence during the current school year.

Students who are court ordered to return to school may be placed in an alternative learning setting until the next appropriate reentry point to the regular school setting.

All suspensions and/or expulsions shall be promptly reported in writing to the superintendent or designee. Policies and procedures shall be made available to parents and students upon request.

In the event of a truancy students may be assigned one or more after school interventions (2:30 – 4:30 PM). A truancy is considered an unexcused absence which cannot be verified by school personnel, a parent, or another outside source. Students who fail to complete detention as assigned will receive the consequences for Failure to Serve Detention.

APPOINTMENTS DURING THE SCHOOL DAY

Please remember that we do not always have runners available, computers may be down, or kids may not be in their class because of a special event. Because of this, we are not always able to locate students in a timely manner. Therefore, when it is necessary for a student to leave school for appointments (medical, dental, court), we recommend that the student bring a note or appointment verification to the Attendance Office on the morning of the appointment to obtain a call slip. Prior to leaving, the student must check out in the office by signing the checkout sheet. It is expected that the student will return to school immediately following the appointment. Upon the student's return to school, they must check in at the Attendance Office to receive an Excused Absence slip. Failure to follow these procedures will result in an Unexcused Absence. If a student is sick, they should come to the attendance office to meet with the nurse, if she is available, or to call home from there and then sign out. Students should NOT call from their own cell phones or class phones.

FAILURE TO CHECK-OUT THROUGH THE ATTENDANCE OFFICE

Definition: Leaving the campus without signing out through the Attendance Office.

Students will be considered unexcused, or truant based on individual circumstances.

EXCESSIVE ABSENCES

School Board Policy 3122 has established absence limits to promote student engagement in school.

Parents will be notified of their student's absences.
