Weekly Eagle News – Middle School

Greetings RCMS Family:

Welcome Back! Or if you are new, then welcome! Amidst the challenges of our A/C situation, we had a good week settling into school and seeing some valuable connections being made. Our teachers did a great job of being flexible and providing a good week. We are all so grateful for them. I want to thank you if you are reading this. This is the main way we communicate information week by week.

This past week, we had a respect and anti-bullying assembly for our students. Follow this link to see the kinds of things we talked about. We value your partnership, through your student, in helping to create and maintain a safe, kind, and nurturing environment.   Along the way, please pray for me as I recently fell off a 40 ft. ladder. Thankfully I was only on the first rung when it happened. Well anyways,

If you happen to slip into our parking lot before 7:30 a.m., please pull up and wait in the car with your student(s) until 7:30am. We will be getting ready and putting out phone cases, etc…, but we appreciate if you do not release your student from your vehicle until 7:30am. If you are regularly early, then it is expected you will take advantage of our morning extended care program and we do not want extra cars slowing or blocking entrance for our teachers and staff. Thank you.

Speaking of extended care, here is some info: Middle School Extended Care- Extended care is available for all middle school students from 6:30-7:30 am and then again from 3:00-6:00 pm. Care is located at the Middle School Campus 3:00 – 4:30 and will move over to the Lower School Campus at 4:30. Please follow this LINK for more details and cost.
