MEET THE PRINCIPAL!

"I look forward to partnering with each of you and creating a place where everyone feels valued." -Lisa Bizzell

MY EDUCATION

This is my fifth year in educational leadership and my fourteenth year in education. Prior to coming to Carver Elementary, I was the Assistant Principal at Patriot Elementary. I have also spent time at Fountain Middle School, Mountainside Elementary, and two elementary schools in San Antonio, Texas. My educational background includes a MA from the University of Texas San Antonio in Educational Leadership and a BS from the Colorado State University-Pueblo in Elementary Education. Prior to the education field, I spent 10 years active duty in the Army and we lived in Germany (Wiesbaden and Heidelberg), Colorado Springs, and San Antonio, Texas. We are on our 16th year here in Colorado.

GREETINGS!

I am privileged to be serving here at Carver Elementary and building relationships with our community. I believe that families should have a say in their child's education and I would love to partner with you, to make this happen. I believe that a school should create a passion in our students to become lifelong learners. I believe that we will have a wonderful school year.

AT HOME

I am blessed to be married to my wonderful husband, Jeramy since 1998 who retired from the Army after 21 years. We have three wonderful children, Tyler-a junior in college, Sam-a freshman in college, and Megan-a junior in high school. As a family, we love to hike, travel, drive ATV's, camp, and snowboard.
