BE YOUR KIDS'S BIGGEST FAN. BE PTA

It's easy to make a difference. Simply complete the form below and indicate your preference to become a PTA member, a PTA volunteer, or BOTH!

Membership—Annual membership dues of \$7 allows you to vote on important Carver Elementary PTA issues, plus access to membership in state and national PTA. (Go to pta.org for more information on the benefits of becoming a member.) Scholarships are available to help support other members and/or if you need a scholarship.

Volunteering—Volunteers like you help Carver thrive! You do not need to be a PTA member to participate in PTA, attend monthly meetings, or help out with events.
