

STUDENT ADMISSIONS TO/WITHDRAWALS FROM SCHOOL

All persons age 5 through 20 who reside within the boundaries of this school district may be permitted to attend public schools without payment of tuition. In addition, persons who do not reside in the district may be admitted under board policies relating to nonresident students or by specific action of the board.

A birth certificate or other proof of legal age, as well as proof of residence, may be required by the school administration.

Physical Examinations

All students new to the district including kindergarten students and first graders shall be urged to have a physical examination and to submit a report from the examining physician on a form provided by the district.

Fees for Admission

The Board of Education may establish fees for evening high school, summer school, adult education, community education and other programs that may be determined.
