- NOTES:**
1. Lower fees are available to students based upon information provided by parents/guardians on the Family Economic Data Survey.
 2. Financial support/scholarships are available upon request.
 3. Field trip fees will vary based on student participation, group fundraising, destination, distance, mode of travel, and duration of field trip.
 4. Additional district funding is available to charter motor coaches for competitions, events and field trips that cannot be supported by school buses due to staffing shortages.
