COMMUNITY INVOLVEMENT IN DECISIONMAKING

It is the intent of the Colorado Springs School District 11 Board of Education (the Board) to further to the fullest possible extent the cooperation of all citizens, parents/guardians, teachers and others in the continuous development of education within Colorado Springs School District 11 (the District).

Residents of the community are encouraged to take an active part in school affairs by acting as advisors individually or in groups.

The Board and the staff shall give consideration to the advice which they receive from individuals and community groups interested in the schools, especially those individuals and groups which they have invited to advise them regarding selected problems, but the Board and staff shall use their own best judgment in arriving at decisions.
