

VISITORS TO DISTRICT SCHOOLS

The Colorado Springs School District 11 Board of Education (the Board) encourages parents and other community members of Colorado Springs School District 11 (the District) to visit classrooms to observe the work of the schools. The Board believes that there is no better way for the public to learn what the schools actually are doing as long as such visits do not disrupt the educational process. Visitors are encouraged to coordinate their visits 24 hours in advance.

All visitors are required to receive authorization before entering a building, and authorization to visit various parts of the building. The principal has final authority to authorize a visitor.

Loitering, as defined by C.R.S.18-9-112, and/or section 9.2.102 of the City of Colorado Springs City Code, will be prohibited.

The Board directs the Superintendent or designee to develop regulations, in alignment with this policy, for the purpose of managing visitors to the District's schools to meet the goal of the district to increase student achievement.

The requirements stated in the policy and regulation may not apply when visitors are attending an assembly, athletic event, or other school program in areas typically used for large group assembly such as gymnasiums and auditoriums, or when parents are attending activities clearly for the purpose of parent/guardian involvement such as an open house or parent-teacher conferences. At the principal or designee's discretion, requiring identification and/or check-in of all visitors may be required in the above-mentioned events. This discretion must be applied consistently to all visitors at an event.
