

Resolution 2016-37

Student Fees, Fines, and Charges

Whereas Board of Education Policy JQ calls for a fair mechanism by which students pay reasonable fees to help defray the cost of such programs, activities, and amenities to the school/district without making them prohibitively expensive; now therefore, be it

Resolved, that:

1. effective July 1, 2016, Colorado Springs School District 11 hereby applies the attached Student Activity Fee Schedules (Files JQ-E-1 through 4) in conjunction with the adoption of the FY16/17 budget;
2. the District may take further actions during the FY16/17 school year, with reasonable discretion of the Superintendent, to make recommended changes to the student fee schedules to reflect any revised fees; and
3. the District will ensure that all student fees collected will be segregated to ensure the funds are expended for the purpose of the fee charged to the student.
