## LIST of WAIVERS

July 1, 2017

Following the signing of HB17-1375 into law earlier this month, one section of the legislation specifies an immediate (July 1<sup>st</sup>) requirement for posting of district and innovation school waivers onto district websites and charter school waivers onto charter school websites.

- School District 11 has one obsolete waiver for the Wasson School of Innovation. Wasson High School is no longer a school of innovation and has been reconfigured as the Roy J Wasson Academic Center.
- The District has six (6) D-11 authorized charter schools. Each of those schools is separately responsible for posting their own waivers.

If you have any questions, you can contact the Office of Business Services at 719-520-2010.
