

## Schoology: Saving a Course to Resources

The screenshot shows the Schoology interface for a course titled "Trial Section: Section 1" at Doherty High School. The top navigation bar includes "COURSES", "GROUPS", "RESOURCES", and "TOOLS". On the left, a sidebar lists various resource types: "e Options", "Materials", "Activities", "eBook", "e Setup", "ery", "es", and "idance". The main content area displays a list of resources:

- Unit 1** (Folder icon)
- Lesson 1 Quiz** (Puzzle piece icon)
- Geologic Time Infographic** (Folder icon) with a status of "Must Complete · 12/03/18 12:00am"
- Untitled document.docx** (Word document icon) with a size of 6 KB

At the top of the resource list, there are three buttons: "Add Materials", "Options", and "Student Progress". The "Options" button is open, showing a dropdown menu with two items: "Student Completion" (checked) and "Save Course to Resources" (with a save icon).

### How to Save a Course to Resources

- Open the Course you want to save
- Select Options
- Click "Save Course to Resources"
- Select where (in your resources) you want to save your course
- Submit
