

**DAC Accreditation Meeting (WebEx)**  
**Monday, August 24, 2020 (5:00pm-6:30pm)**

- I. Introductions and meeting expectations
- II. Update on reorganization and refocus of EDSS, with regard to USIP/UDIP responsibilities and ACT school responsibilities
- III. How will attendance be measured in the online environment? Will an operational definition of attendance be created and reported out on levels of participation?
- IV. What data will we be available this year?
  - STAR, ADB, READ, others? What is the timing of these assessments? If no ADB, how does the universal screener align with CO instructional standards?
  - How will they be given? (in-person at school, online, or a mix?) What is the District guidance to schools on how to perform assessments?
  - How will the testing be used? (i.e. initial assessment for placement into classes or other? Is there District guidance on this or schools decide how to use it?)
  - Are schools using initial assessment in order to decide if students should participate in in-person classes?
  - Are we able to see data split into new categories -- i.e. children who come to school in-person vs those who don't, testing environment (at home vs in school)
- V. Data related to in-person learning vs online
  - Types of students offered in-person learning ie. IEP, READ plan, ALP, other (what are other reasons) by school
  - # of students offered in-person learning vs those who accepted and break those out by subgroups (especially FRL and race/ethnicity)?
  - Burden of in-person learning by school i.e. schools with higher number of students with IEPs and READ plans

DAC Accreditation materials can be found in the DAC Drop Box:
