

Parents,

Hello! My name is Liz Fiorillo and I will serve as the new assistant principal at Freedom Elementary School. I want to begin by saying how excited I am to begin this school year's journey with you.

Since my role is all about building relationships and pushing academic excellence, I'd like to share a bit about myself, both personally and professionally. I have been dedicated to the field of education for almost 15 years. I was born and raised in upstate New York where I worked as a School Psychologist for 11 years. It was then that my family made the decision to move to Colorado because we loved everything about Colorado Springs! In 2019, I worked locally as a School Psychologist in Elementary School where I also was able to support preschool through the Child-Find process. This past year, as an administrator, I was fortunate to be Harrison School District 2's Multi-Tiered Systems of Support (MTSS) Coordinator for the entire district. I have served and led many instructional teams and committees along with leading professional development. For fun, I took on the role of co-drama club director. On a personal level, my husband and I are proud parents of two teenagers (8th grade and 11th grade) and love our cat, Rainier.

My belief and mission are in student success and that every child can learn and be successful! I can't wait to have the opportunity to meet all of you and to work with you as a partner in education. I view education as a life-long process and expect that I will continue to learn much about the uniqueness of Freedom Elementary School this year and in the years to come. Most importantly, I bring a belief that students are at the center of all school-related decisions. I am excited to unite my experience, my openness to learn, and my child-centered approach to support our students.

Warmly,

Liz Fiorillo
Assistant Principal
