

Canfield Local School District

FACILITY COMMITTEE MEETING #9

April 6, 2023

- Discussed Preferences and Feedback from Community Input Discussions
- Reviewed Details For Community Open House Event on Tuesday, 4/4 at 6pm at CVMS
- Shared Updates on Master Plan Options and Explored Cost to Homeowner
- Conducted an Open Discussion and Reviewed Next Steps

3/30/2023 Meeting Summary

AGENDA

UPDATES & DISCUSSION

COMMUNITY OPEN HOUSE RESULTS & FEEDBACK

NEXT STEPS

- Bonding Cap
- New 2023 OFCC Cost Set Released
- Final Facility Committee Meeting on Thursday, April 20th

Canfield Local Schools Community Open House – Results

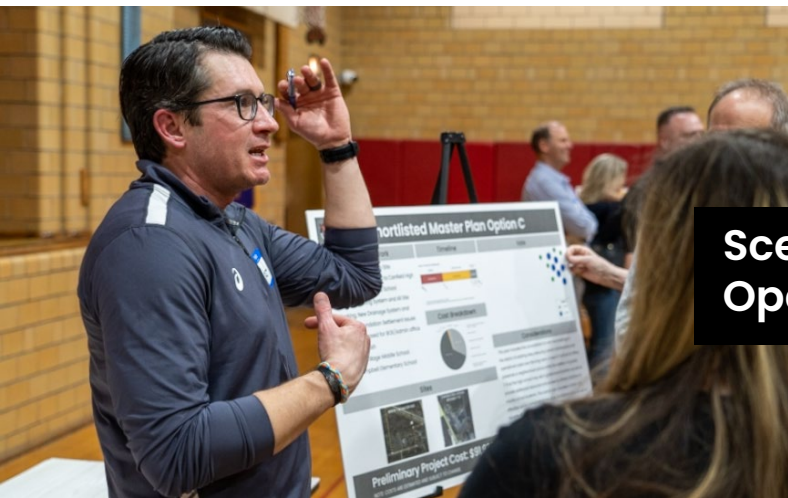

- Identify the community's preferred master plan
- Discuss experience of committee members
- Identify future Community Partnerships
- Listing of additional plan options

Preliminary Project Cost: \$108,900,806
NOTE: COSTS ARE ESTIMATES AND SUBJECT TO CHANGE

How Does This Impact Me?
This is about \$200 per year per student
of our total value

~200 People, including
committee members,
reporters, kids, seniors,
parents, educators

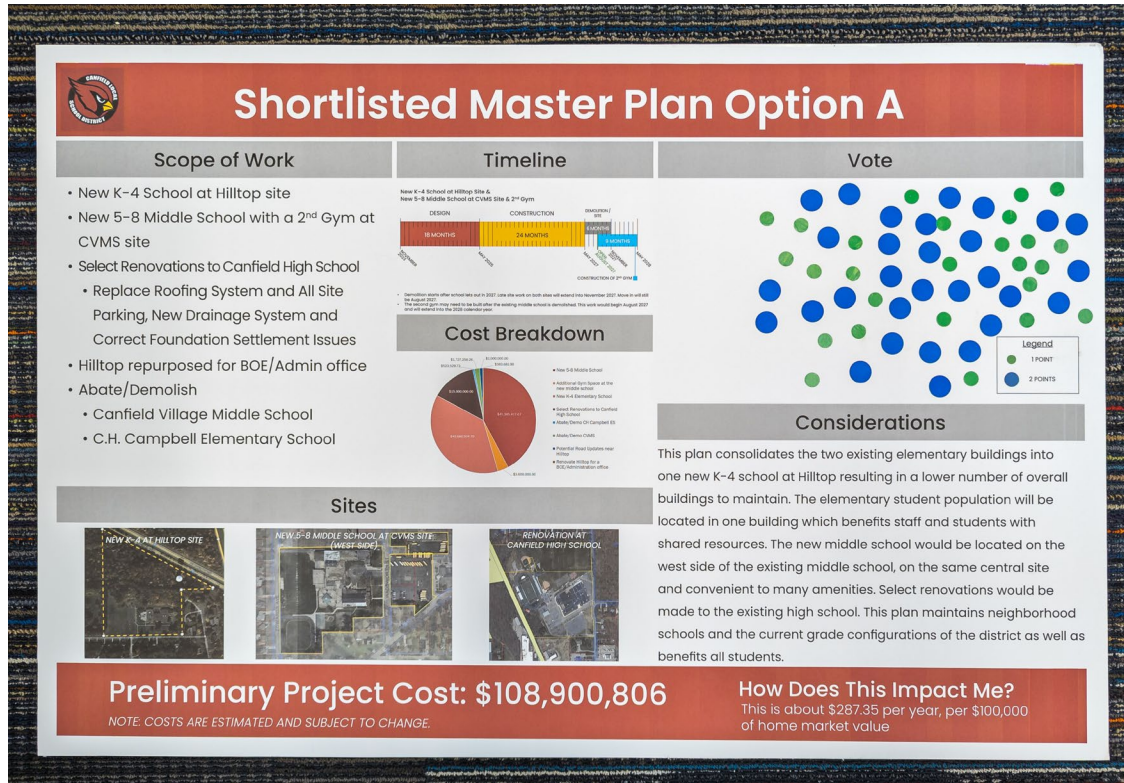

Scenes from the Open House

Option A

Outstanding Questions

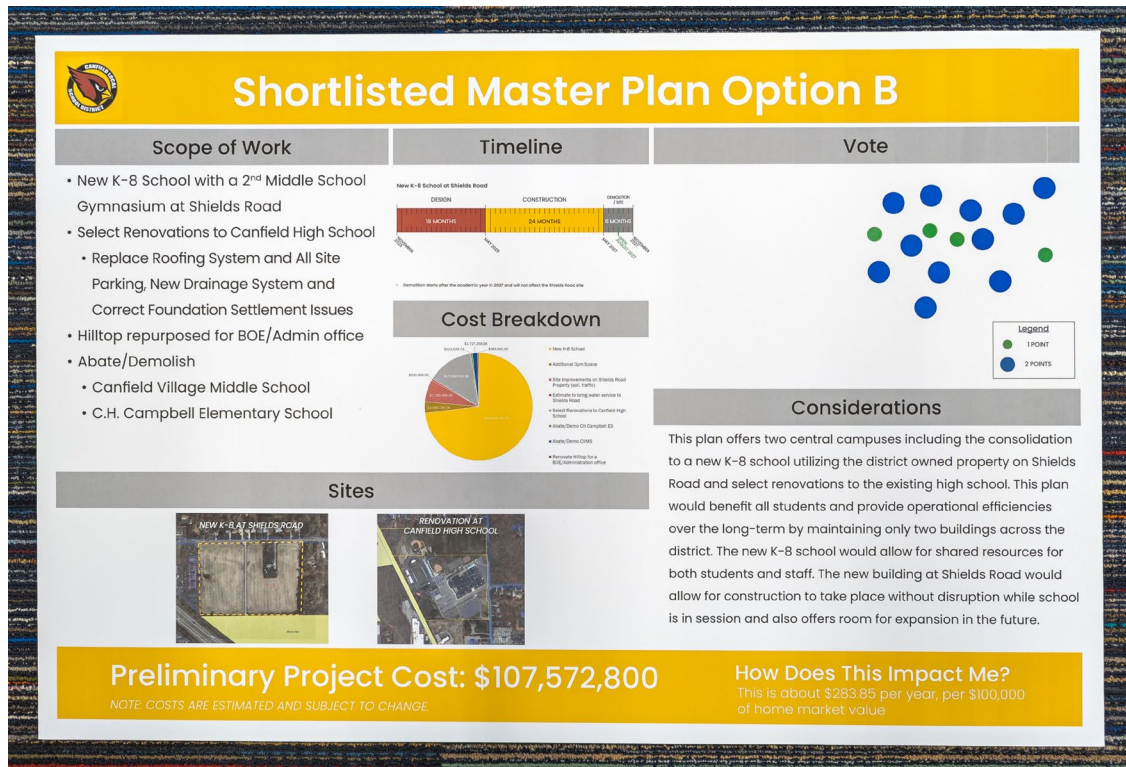

- What are the potential uses for C.H. Campbell Site? What is it zoned?
- Where will the detention pond be?
- Who owns the C.H. Campbell property?
- Will the new building on C.H. Campbell Site have a fully functioning Kitchen?
- Where will the students attend school during construction?
- Would the district consider building a bus garage at C.H. Campbell (please don't)

Option B

Outstanding Questions

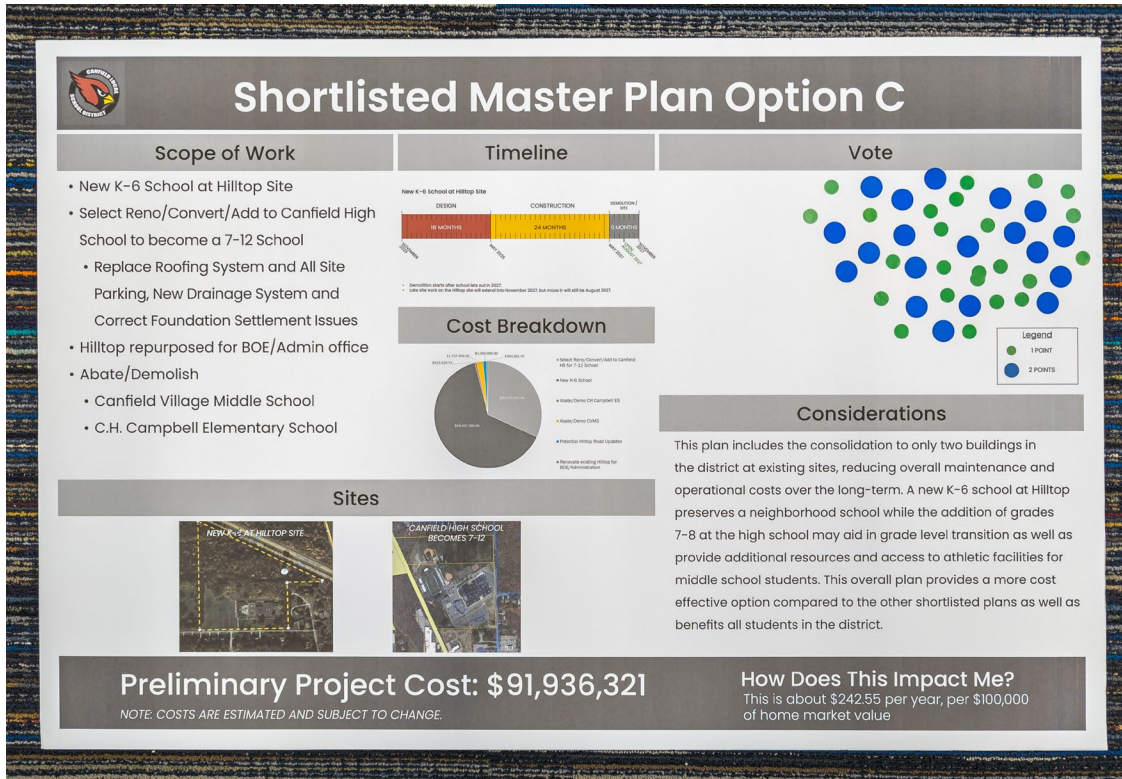

- Don't tear down any buildings, you never know about future needs. Maintain Middle School for potential community center.
- If the HS eventually moved out to Shields, is there enough room for athletic fields too?
- Where will the detention pond be placed?
- Will there be traffic problems on Shields Road?

Option C

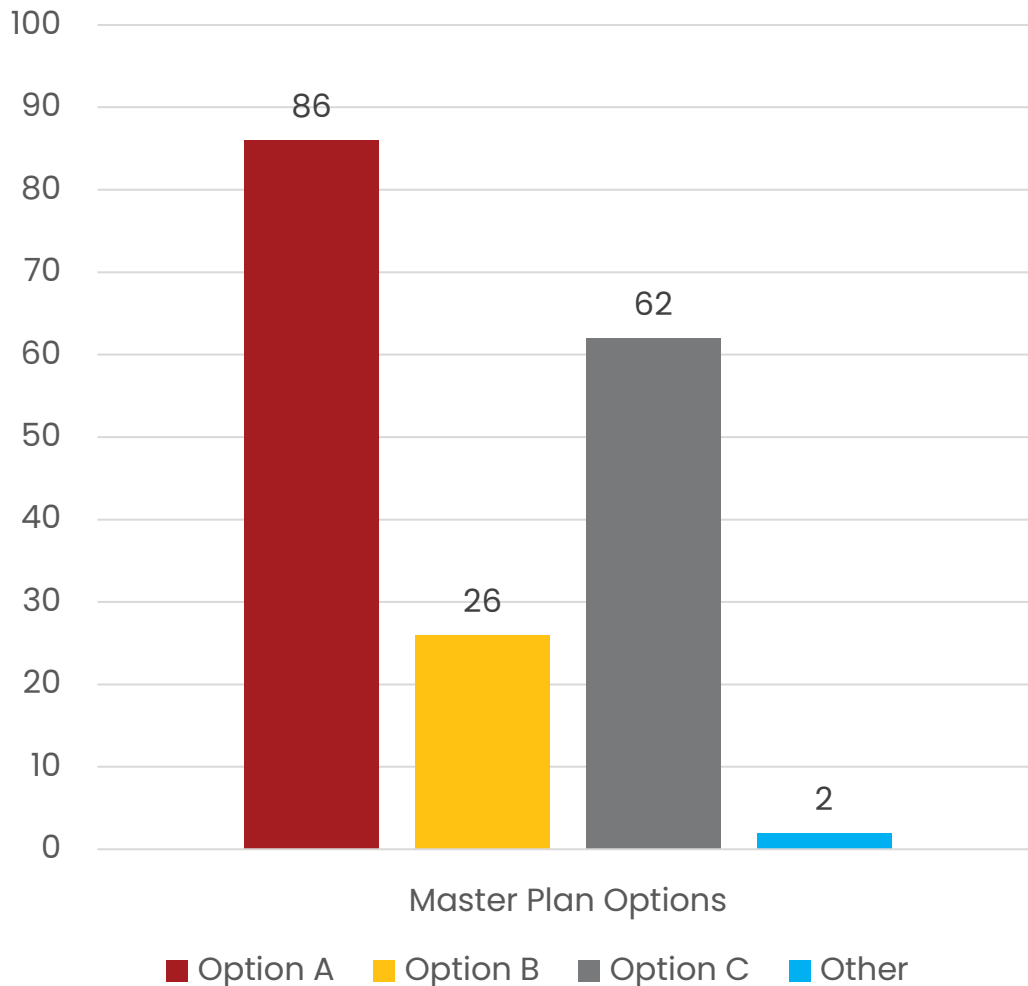

Outstanding Questions

- Will there be traffic problems on the High School site? It is crowded.
- Have we considered asking community residents to “donate” their abilities, engineering time, etc... to reduce costs?
- With increased population, will we add sidewalks for student safety to the HS?
- Use Shields road for a new K-6, not Hilltop
- Where will the detention pond be located?

Community Open-House Preferred Plan

Dot Exercise for Plan Preferences

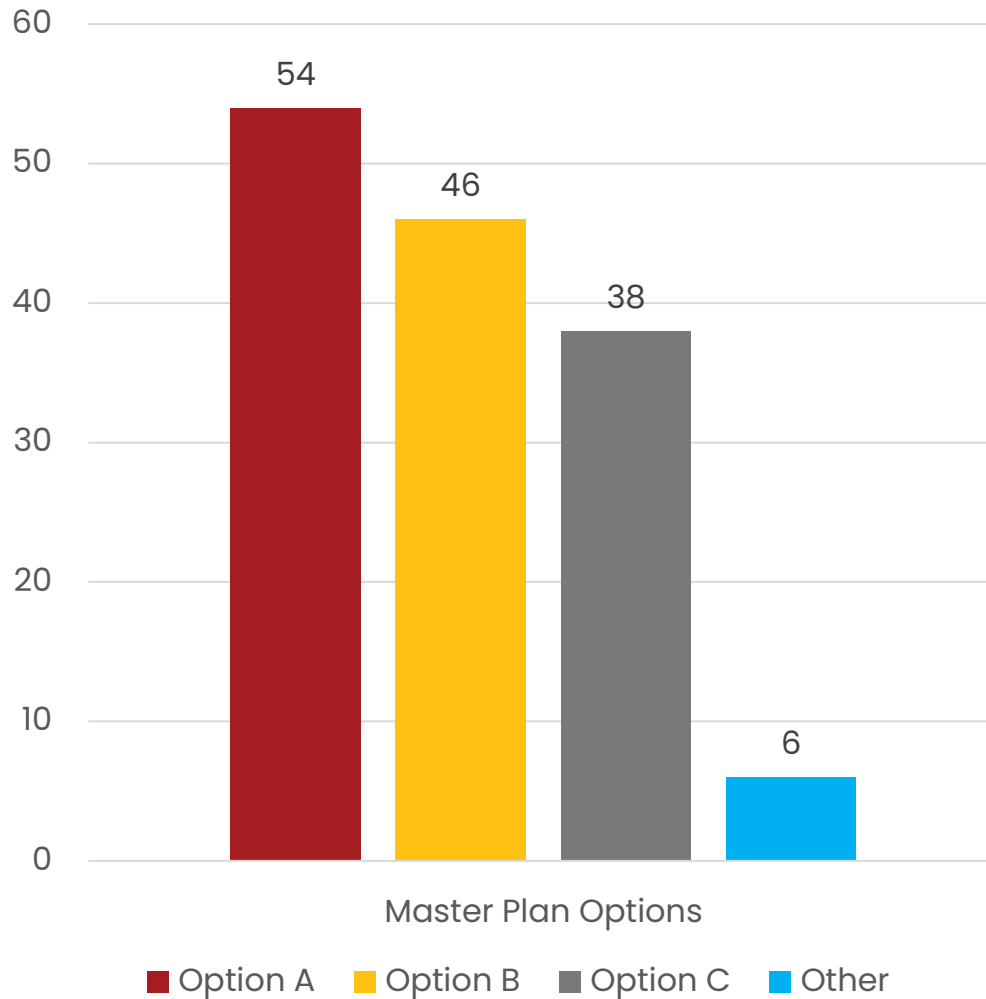

Key Takeaways

- Option A and Option C were the clearly preferred plans from the community open-house.
- Conversations from Option A, indicated the community liked maintaining the existing sites and grade configurations, while Option C was preferred due to lower costs and consolidated buildings.

Homework Preferred Plan

Dot Exercise for Plan Preferences

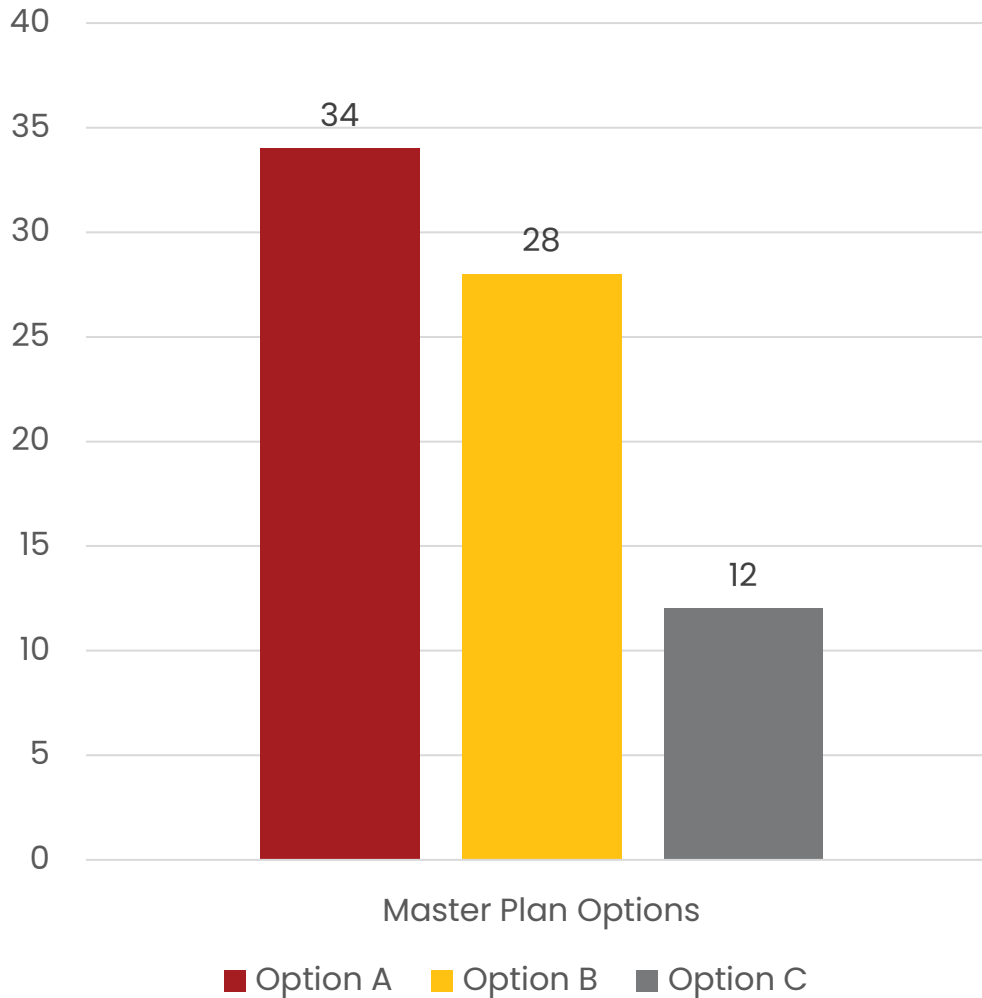

Key Takeaways

- The weighted total of the homework assignment ranked similarly to the committee itself.

Last Committee Vote on Session 7

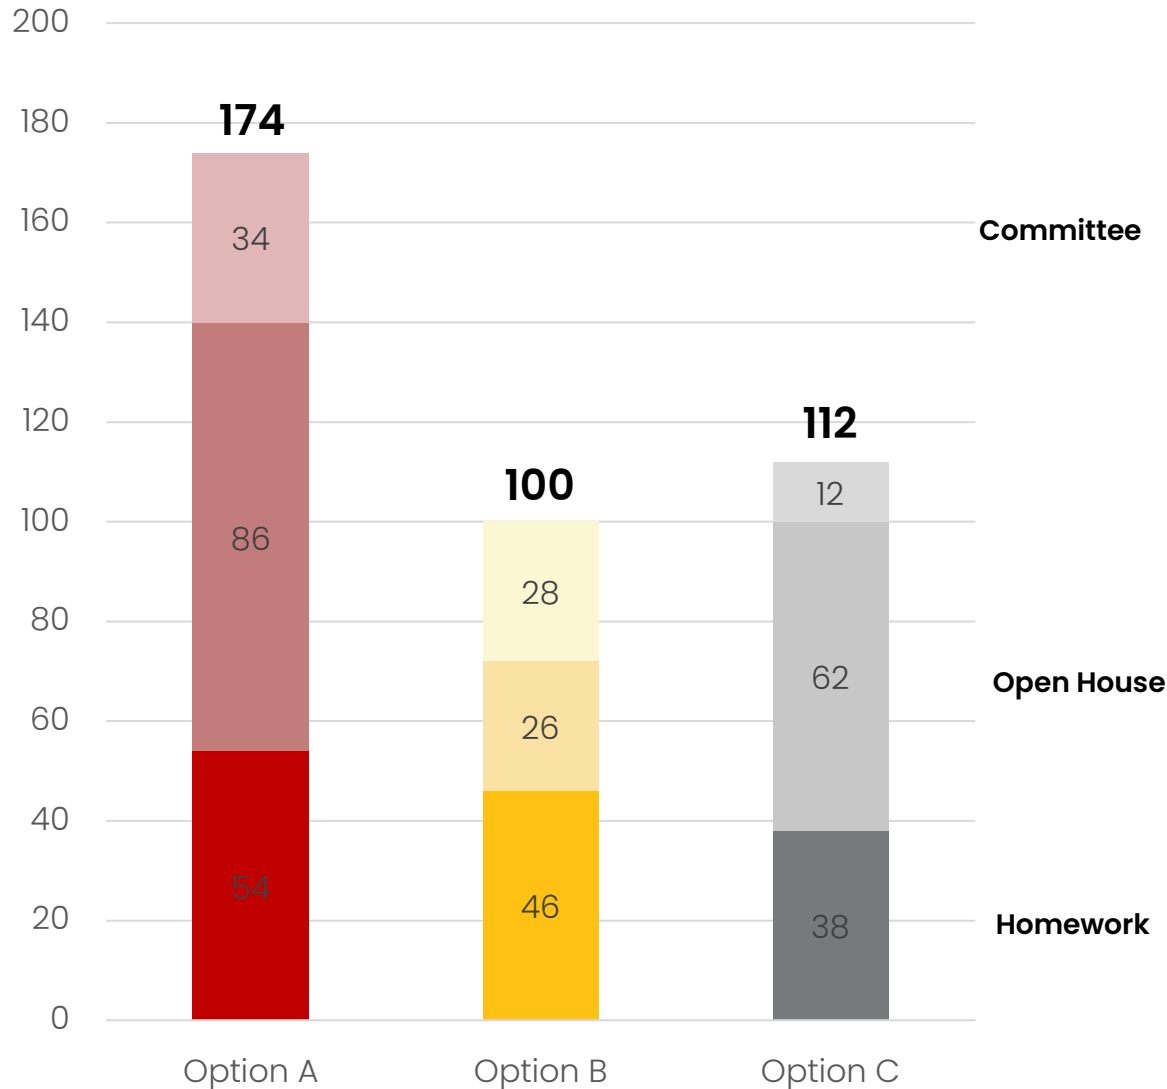

Dot Exercise for Plan Preferences

Key Takeaways

- These are the weighted choices from the committee's vote in Session 7.
- Of those who were involved in the entire session, Option A and B were very close in several of the last polls.

Combined Totals

Key Takeaways

- Factoring in community input, homework input and committee input, Option A becomes a clearer preferred plan, with Option B and C almost tied, but behind Option A.
- While the number isn't a mandate, we can consider this as another reference point on the community's interest in our plans.

Other Project Questions

These were general comments/questions that were on boards but broadly applied to all plans.

- What are you doing about House Bill 1?
- Is it possible to use one of the existing schools as a community center or YMCA?
- How will security/SRO officers work if we decide on Shields road?
- Are students separated in a K-8 Building or are they all mixed in together?
- Do we need permission from ODOT to build on Shields road?

Community Partnerships

Ideas and Feedback

- **Can we install a robotics room in the new school? (IES Systems)**
- **Bring in “silver sneakers” to the new middle school at no extra cost**
- **YMCA/Pool in an existing school, what are costs?**
- **A Community Center or Senior Center in CVMS is easily accessible by walking**
- **Akron Childrens Hospital**
- **Southwoods**
- **Zoldan Family / Phantom**

School Funding

4/6 – 4/20: Examine Additional Plans Proposed

- Distribute findings through email to the committee

4/20: Facility Committee Meeting

- Vote on Final Master Plan Recommendation
- Continued Education of Plan Recommendation to Community

5/17: Master Plan Recommendation to the Board of Education

FACILITY PLANNING

Master Planning Session Five (3.9.23)

At the fifth Facility Committee for Canfield Local Schools, committee members reviewed in depth the 3 master plans they identified at the end of session 4. The whole session was devoted to talking through the pros and cons of each plan, while talking through the site considerations for each.

Of the original 8 master plans, the preferred options were:

185 Votes - Master Plan #2

- New PK-8 School
- Select Renovations to Canfield High School

72 Votes - Master Plan #1

- New PK-4 School
- New 5-8 Middle School
- Select Renovations to Canfield High School

64 Votes - Master Plan #7

- New PK-6 School
- Select Renovations to Canfield High School
