

# AHS PE Waiver Process

In 2009, the State Board of Education made several rule changes, including the definition of credit. The intent was to allow schools more flexibility in working with students and engaging them in challenging content. (Per Indiana Department of Education [Flexibility in Physical Education Guidance](#)).

A student may utilize the credit flexibility option to meet the academic standards of PE I or II by the following:

1. Completing and actively participating in the entire season of an AHS approved sport or activity.
2. Receiving no disciplinary suspension from the sport or activity.
3. Completing the Schoology coursework that encompasses standards met through participation in marching band, athletics, as well as other extracurricular experiences.

PLEASE NOTE: Beginning with the class of 2023, the same activity may only be used once to earn either a PE I or PE II credit. A student may earn an additional PE I or II credit by completing a different activity (i.e., PE I credit earned through football and PE II credit earned through baseball).

*The following Avon High School activities are approved for PE I or PE II waiver credit:*

<b>Fall Semester</b>	<b>Winter/Spring Semester</b>	
Cross Country	Baseball	Swimming & Diving
Fall Cheerleading	Basketball	Tennis (girls)
Football	Competitive Cheer	Track & Field
Golf (girls)	Competitive Show	Volleyball (boys)
Marching Band	Choir (Accents &	Winter Drum Line
Soccer	Attraction)	Winter Wind Ensemble
Tennis (boys)	Dance Team	Winter Cheerleading
Volleyball (girls)	Golf (boys)	Winter Guard
	Softball	Wrestling

## **Steps To Register for the PE I or PE II Waiver:**

- At the beginning of each season, your coach and/or instructor will distribute specific waiver information and instructions to you.
- A web link to an online form will be sent via ParentSquare to all AHS families in order to apply for the PE I or II credit. By filling out the form, your child will be placed in a PowerSchool PE I or II waiver course.
- A PE teacher will contact the student via Schoology to complete Schoology activities to meet the flexibility in physical education guidance.
- The student will be issued a grade based on their performance and completion of the PE I or II waiver course.
