

## August 10 and 11 Professional Learning Days

Dear D11 Teachers,

We are excited to share the plan for the district-wide Professional Learning Days on August 10-11. There are many professional learning opportunities available for certified staff. We have linked a "[Save the Date](#)" list of the professional development events from August 10 through August 15 as a reminder.

There are several year-long professional development strands supporting our district strategic plan with an emphasis on best first instruction, supporting our work over the past few years. These courses are depicted in blue within SCHED. *This information has been shared with your school leadership (Principals and APs).*

### Teachers are required to register for the following courses:

- **All Elementary Teachers and TLCs** - sessions offered by area networks

  - Block Schedule - Planning for Learning
    - August 10 (VAPA, Math, World Languages, CLDE, PE, CTE, etc)
    - August 11 (ELA, Social Studies, and Science)

### How do I register for a SCHED Class?

- First, you will need to create a SCHED account.
- To create your SCHED account, follow the link [HERE](#).
- Search for any D11 event title. Click on the event title or the D11 Icon. The event will open.
- On the top right corner, you will see two buttons, one marked "Sign Up" and one marked "Log in." Click "Sign Up."

## August 10 and 11 Professional Learning Days

- A window will open asking you how you would like to sign up. Choose “sign up with email.”
- Another window will open. Fill in your information and click “create account.” (Full Legal Name).
- You will receive confirmation of your account creation.
- You may now choose your courses and register.
- Register for the events and courses to complete all required training. If you have open time slots in your day, discuss options with your supervisor.
- Search for each event you plan to attend.
- Required courses are in blue.
