

SCHOOL/SPORTS PHYSICALS ONLY \$25

With \$5 donated to the student's school!

Since 2010, Integrity Urgent Care has donated over \$11,000 to Athletic Departments in Colorado Springs Districts. Each year our team looks forward to serving young athletes and their parents.

From June 1st to September 30th, simply tell our Front Desk Team where the student attends school at the time of the registration. Integrity Urgent Care will then send \$5 for each physical to the student's school.

Thank you for an opportunity to serve and give back to the Colorado Springs community!
