

# Permission to Participate in Jenkin's Robotics Competition Team

**Who:** 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders who attend Jenkins Middle School

**What:** Students will be building, programming and learning to drive their competition robot. Teams will be comprised of 3-5 students. Competitions will be on Saturdays (10/7, 11/11, 12/9 and 1/20)

**When:** Tuesdays starting August 22 from 3:50 – 5:00

**Scholars will need to have a ride home at 5:00 since there are no activity buses.**

**Scholars that continually have a late ride home will be asked not to attend.**

**Where:** Room B140 (Gateway to Technology room)

**Why:** The ultimate goal is for students to compete at all of the Pikes Peak Robotics events and hopefully qualify for state and then possibly nationals.

Students need to bring the signed permission slip (**only the section below**) with them to the first day they attend a meeting. (Just the portion below – keep the above portion to remind students/parents/guardians about the meetings)
