

## Colorado Springs School District 11 Transportation

Dear Parent/Guardian,

Welcome to Colorado Springs School District 11, School Bus Transportation. It is our primary objective to provide your student(s) with safe, efficient and quality service. To help us in doing so, we are providing tools and information for you and your student(s) that you will find useful.

All eligible elementary students are provided with a name tag that has the following information on it: The school they attend, their name, grade, route number and bus stop location. It is important that your student(s) be at their assigned bus stop five minutes prior to their bus departure time. It is your responsibility to teach your student(s) how to get to the bus stop and home again. Our drivers are not expected to wait at bus stops for someone to meet the children.

In addition, to help ensure that your student(s) on the school bus have a safe and comfortable experience, we have School Bus Rules and Regulations that can be found at [www.d11.org/transportation](http://www.d11.org/transportation). Please be sure to review this very important information with your student(s).

Please feel free to contact our office with any questions, concerns or comments at (719) 520-2940.

Thank you.
