## School Breakfast...The First Step to Learning

Children who are hungry find it hard to stay alert and participate in their classroom experiences. The Nicholas County Schools Breakfast Program helps close the "readiness gap" with nutritious food in a cost-effective manner before classes begin. Breakfast is offered in all Nicholas County Schools; check with your school's cafeteria manager for information needed.

Breakfast Prices	Daily	Weekly	2 Weeks
Adults	3.03	15.15	30.30

If your child(ren) have needs for a special diet, your family physician must complete, with signature, a Special Dietary Needs Form. You may obtain this form from your school food service manager. The completed form is to remain on file in the office of the school food service manager.
