

Second Semester Underclassmen Finals Assessment Schedule

Below is the second semester finals assessment schedule on Thursday May 25th, and Friday May 26th. On those days students will be taking final assessments with early releases (please see times below for release and bus departure). Students will be able to receive grab and go lunches prior to departure. If students need to make up any assessment, they may make appointment times with their teachers during the afternoon periods but must provide their own transportation. All students must take their final assessments on the schedule block Thursday and Friday. There are no early finals. If there is an extenuating circumstance, please set up a meeting prior to May 17, 2023, with an assistant principal by calling 719-328-6610.
