Dear Parents and Students,

It has been a busy start to March. Our return to five days a week in-person learning has gone well. We are still working on small adjustments. The experience has offered a greater sense of normal than we have experienced in over a year. It is highly important to remember, that as we have more students in our classrooms, following COVID health policies are paramount. Students must properly wear masks, wash or disinfect their hands, and watch their physical distancing. Safety is our top priority and following health policy allows us to keep our school open for in-person learning.

Equally important is continuing to closely monitor academics. Parents, I encourage you to be vigilant about monitoring your student's grades. Have a conversation with your student about their performance and have them show you their grades. Students, please continue to reach out to your instructors if you are struggling or need clarity. They are there to serve you.

For graduating seniors, the D11 graduation committees are working hard on finalizing a location and time. Please attend your senior meetings to stay up to date.

Finally, spring break is almost here. I hope that everyone takes some time to focus on their well-being. Thank you again for the gratitude and support everyone in the Odyssey community has given. Be safe and be well.

Sincerely,

Sean Norman

Gifted and Talented Students

Welcome back and happy New Year to all of you!!! This is Mrs. Pustizzi, Gifted Resource teacher. If you would, please log into your Naviance account and complete your two ALP (Advanced Learning Plan) goals. These goals were due last semester...but who's counting. You will need to write an academic goal for the remainder of this year, and you will need to write a personal/social goal too. Don't overthink them. Be creative and write a goal that you are already in the process of completing. If you have any questions, please, please email me at joanne.pustizzi@d11.org. Hopefully I will see you all in person soon!!!

Hi, there! Odyssey ECCO has a GSA (Gender Studies Association or Gay-Straight Alliance).

We have discussions and support each other. We define terms and issues, discuss difficult topics, personal dilemmas, and celebrate each other. We brainstorm ideas for activities that we can do on our own and report back, we play games, just hang out. We celebrate special times like "No Name-Calling Week."

It's a student-run club, so students decide what they want it to be. What really matters is that every person, no matter who or what they are or stand for, is supported. Straight folks welcome, too.

3:30-4:30pm!

Spanish

Why Do I Have To Learn Spanish?

Many students are reluctant to embrace learning Spanish. Some are frustrated with immersion courses, courses taught 90 percent in Spanish. Others don't think they will ever use it once they leave the classroom. Even if you never utter another syllable of Spanish once you have completed your graduation requirements, taking Spanish will enhance your life. This link explains how.

<https://www.coloradomesa.edu/spanish/why-learn-spanish.html#:~:text=Hispanics%20are%20the%20largest%20minority,Spanish%20great!y%20enhances%20your%20resume.>

If you need help, contact: Susan Dallam - 719-328-5992 - susan.dallam@d11.org

Spanish is the third most spoken language in the world, behind English and Mandarin Chinese.

It is the third most widely used language on the Internet.

It is the second most widely spoken language in the United States.

It will help you to enjoy books that had been written by masters of literature, movies and culture.

why speak spanish?

It will be so helpful if you travel to a Spanish speaking country for vacations, work, or study.

Spanish is an increasingly global and influential language in the arts and culture.

Hispano-American friendliness people will encourage you to learn Spanish.

While you are on vacation it is also a very good option to make the most of your stay in the country of your choice.

Senior Photos

The yearbook staff would like to let you know how they want to handle your photos this year.

They want to make the 2021 book all about the personal stories. They want to have you submit a formal senior photo (no hands/no hats/no props, in dress code, head and shoulders only, etc.) and then they would like you to submit a casual photo or a photo that represents who you are. You can include props, instruments, hats, etc. in this photo. It must still be appropriate for publication, but you choose what you wear.

The photo must be a 300 dpi (resolution) and it must be electronic. Also, they would like you to submit a quote which means something to you. It can be from a famous author, a religious text, or even a famous song lyric. It can only be about 150 characters.

Please let us know what you have accomplished over the past 4 years. What clubs have you been in? What scholarships or awards have you won? What are you most proud of? This can be anything from school, church, scouts, sports, etc. We want to know what you were involved in.

Deadline: March 17th for inclusion in the yearbook.

If you have any questions, please contact Mrs. Banfield at 719-328-5986 or angela.banfield@d11.org

PPCC Graduates of 2021

The yearbook staff wants to honor you. We have missed seeing you on campus and would like to highlight what you have worked on for the past 2-4 years. Please send in a photo of you at your favorite spot on PPCC campuses. We are going to list your name, degree, etc. We would like to include a quote from you regarding who you look up to the most in your life. We want to honor them for helping you to make it through the past two years while you completed your degree.

Deadline: March 17th for inclusion in the yearbook.

The photo must be a 300 dpi (resolution) and it must be electronic.

If you have any questions, please contact Mrs. Banfield at 719-328-5986 or angela.banfield@d11.org

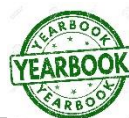

Students of Odyssey – from the Yearbook team!!!

The yearbook staff would like to ask for your help with photos this year. Given that a lot of students are not attending classes in the building, the normal photos of students are not happening. In order for us to complete the book, we need you! Please submit any photos, with an explanation of who is in them and what might be going on, at <https://images.jostens.com/416174613>

Here are the categories we are looking for:

How do you stay in touch with friends? What do your workspaces at home look like? How have you spent your time at home (hobbies, music, homelife, etc.)? Pandemic Pet Friends, Sports. Also, anything that sets your academic classes (projects) apart? What clubs have you participated in?

We also want to thank our district/school technical department as well as our amazing custodians. **Be creative in your way of saying Thank you. Take a picture and send it in.** Stay classy, Odyssey!
