Dear Odyssey ECCO Community,

Spring is here and we can see the academic finish line in May. We have seven academic weeks left, which will pass quickly. If you are an Inspire student, I cannot encourage you enough to ensure you are completing your work promptly. Students, to prepare you for closer to the normal academic experience, please put all your effort into performing your best. Your academic performance is the data we use to make instructional decisions and provide you with the best supports and interventions. We need to see your academic ability, so we can place you in the courses best suited for you. We need to know, what you know.

One opportunity for students to showcase their academic ability is next week's PSAT and SAT. By now, everyone should have received an email and automated call to inform them of next week's standardized tests. In-person learners will be taking either the SAT, PSAT 8/9 or the PSAT 10. Inspire students can contact Dr. Lamphere at MIKE.LAMPHERE@d11.org if they wish to take the test. The following tests will be offered:

- SAT (Juniors only)
 - April 13th from 7:30 am-12:30 pm
 - Lunch from 12:30-1:00 pm
 - Students attend their afternoon PPCC classes
 - Normal bell schedule day for grades 9, 10 and 12
- PSAT 10 (Sophomores only)
 - April 14th from 7:30 am-12:30 pm
 - Lunch from 12:30-1:00 pm
 - Early release to home at 1:00 pm
 - Busses only run from RJWAC to home high schools during early releases
 - Grades 9 and 10 attend only. Off campus students attend class at PPCC, Grade 11 on-campus students attend asynchronously.
- PSAT 8/9 (Freshman only)
 - April 14th from 7:30 am-12:30 pm
 - Lunch from 12:30-1:00 pm
 - Early release to home at 1:00 pm
 - Busses only run from RJWAC to home high schools during early releases
 - Grades 9 and 10 attend only. Off campus students attend class at PPCC, Grade 11 on-campus students attend asynchronously.
- Inspire students and students who choose not to test will complete asynchronous activities in Schoology during their testing day. Those activities will be used to take attendance.

Graduating seniors, if you are not aware, your graduation date and time are locked in. Odyssey Early College and Career Options graduation will be held at Garry Berry Stadium on May 20th, starting at noon. We are excited to have graduation on our home campus! In the event we experience any adverse weather, secondary plans are being developed and will be released to families of graduates soon.

Thank you for your continued support and trust. The Odyssey Early College and Career Options community has overcome many obstacles this school year and will forge forward to finish strong.

Best,
Sean Norman

Future Educator Pathway

Future Educator Pathway, and Odyssey ECCO sophomore, Brithany Garces Zermeno, competes at the *virtual* FCCLA State Leadership Conference.

Brithany Garces Zermeno competed in the FCCLA STAR Event, Early Childhood Education. This event required Brithany to demonstrate her knowledge, experience and skills in the Early Childhood Education profession. She had to create an electronic portfolio, write a math lesson plan appropriate for children ages 4-5 years-old age with accommodations, and give a 10-minute presentation of her lesson plan. As her teacher and FCCLA advisor, I would give her a gold medal on her project, but we'll have to wait until April 7-9, 2021, for the official results. If you see Brithany around school-tell her congratulations on a job well done! Brithany is also the Odyssey ECCO FCCLA Chapter president, she is currently completing a 60+ hour internship in a kindergarten classroom as part of the ECE class and just an overall amazing young lady!

A Message from D11

In D11, we are listening to our community to learn more about what they envision for our schools today and for many years into the future. In 2020 District 11 adopted a new strategic plan focused on equity and inclusion for all students. Now, D11 will align our long-term academic pathways, facility plans, and the District's strategic plan to ensure every student has access to a world-class education. Imagine quality neighborhood schools, distinctive magnet schools, aligned program pathways, and premier career and technical education options, all offered with equitable access to every student, no matter the transportation or logistical obstacles. We are making all of these things a reality as we inspire every mind. Be a part of this incredible journey by visiting www.d11.org/rebuilding and www.d11.org/amp to learn more.

5 QUESTIONS TO ASK INSTEAD OF "I DON'T KNOW"

MRS. VERANO – AVID INSTRUCTOR

Instead of "I don't Know...."

1. May I please have some more information?
2. May I please have some time to think?
3. Would you please repeat the question?
4. Where could I find more information about that?
5. May I ask a friend for help?
