## Message from Principal Norman...

Dear Families,

March signifies the start of a busy academic season! Second semester is well underway and there are many items to be mindful of. To begin, juniors will be taking the SAT on Saturday, March 14<sup>th</sup>. Don't forget to confirm which campus your student is testing at and to review all the guidelines for test check-in. Juniors will not have to miss any of their concurrent enrollment courses due to the Saturday testing date. To help prep students for testing, SAGE Affordable Tutoring will be providing after school SAT test prep every Tuesday from 3:30 pm-5:00 pm in room 253, at no cost to D11 students through their testing date. Khan Academy is another personalized test prep tool that juniors can utilize. If you have any questions regarding SAT testing or are running into any issues, please reach out to Dr. Lamphere.

We have had a snowy winter this school year. Odyssey ECCO still has "snow day" time to access. The state of Colorado has granted School District 11 a time waiver if we incur more snow days past our banked snow day time. This waiver means there is no need to make schedule arrangements outside of what we have done to date. Although students have Spring Break on their minds, please be aware that March is typically our snowiest month of the year. Please pay attention to your D11 Loop app, social media, and email for updates about any closures or delays.

Finally, I encourage you and your students to have a restful Spring Break! Students work so hard and need a chance to get away from the academic hustle. We recognize that it takes dedication for students to complete an associate's degree while in high school, hence it is equally important for your student to unwind and relax after working so hard. Spring break serves as that chance to rest and get ready to finish up the remainder of the semester.

Sincerely,

Sean Norman

Principal

**FFA – Future Farmers of America**

Two FFA state officers, Alex Vieselmeyer and Brooke Corliss of Colorado FFA visited the Odyssey ECCO FFA chapter on February 14, 2020. This was a yearly visit that state officers make to various FFA chapters all over the state. Eleven out of the fifteen members of FFA attended the meeting. The officers conducted a one-hour workshop that was full of very exciting activities. The activities which were meant to help members develop leadership skills mainly focused on self confidence and future planning strategies. They all participated in games that helped them learn how to develop SMART goals.

Submitted by Dr James Owino - FFA Advisor

**Spanish**

If you would like to know what your student is doing in Spanish class you can view assignments, test dates, and access supplementary course materials in Teams. Ask your student to show you how or e-mail me at [susan.dallam@d11.org](mailto:susan.dallam@d11.org). You can also help your student practice Spanish and learn the language yourself by accessing activities or viewing videos at [yabla.com](http://yabla.com).

Please send your senior picture to Mrs. Banfield ASAP. Many of you did not take an ID photo for Odyssey ECCO, so if you don't turn in a Senior Picture, you will NOT appear in the yearbook. Additionally, if you need someone to take your picture, contact Mrs. Banfield and one of her students can help. 719-328-5986 or [angela.banfield@d11.org](mailto:angela.banfield@d11.org)

### My State Counts!

The 2020 Census is coming, and the results will shape the future of

I pledge to complete the census.

#shapeyourfuture

## 2020 CENSUS

The 2020 census count will be how the Federal government determines the amount of money that will be given to our schools for the next ten years. Most of the programs funded from the count are for serving our students living in low-income households and students with disabilities. Historically the ten-year census has undercounted populations in large urban areas like ours, and we would like to work towards making sure our community is properly funded with an accurate count. Everyone counts.
