

Note from the School Nurse

Parents/guardians does your student(s) have health concerns that we should be aware of or medications they may need to take at school?

- Please update their health information online or come to the office to fill out paperwork.
- If medications are needed, we can provide you paperwork that you will need to have your medical provider fill out prior to school starting in the fall.
- Prescription medication and over the counter medication require a physician order to be given at school.

If you have any questions, do not hesitate to reach out to the office or school nurse.

Thank you!

Your School Nurse 😊
