LOCKER USE AGREEMENT

This agreement is valid during your time at Philomath Middle School.

All 7th & 8th grade students will be automatically assigned lockers unless a parent notifies the school differently. If you agree with the following conditions, no further action is necessary.

1. Each student must maintain the assigned locker all school year. Any change requires administrative approval and must go through the office.
2. The lockers belong to the school district and students are permitted to use them as a convenience.
3. The school, its personnel, and the members of the school board assume no responsibility for items left in the lockers.
4. The student shall be totally responsible for the confidentiality of the locker combination.
5. Students shall be responsible for keeping the locker clean (free of stickers, writing, etc.). Only masking tape can be used to attach material to the inside of the locker. No material is to be pasted or glued to the inside or outside surface. Lockers will be checked periodically for damage.
6. Students must remove all belongings from the locker on the last day of school; or as directed by school administration. Students are responsible to completely clean the locker. The school is not responsible for items left in the locker after the student leaves at the end of the school year.
7. Any locker may be searched by an administrator with reasonable cause. A second person shall function as a witness.
8. Failure to follow these rules could result in the loss of locker privileges

If you agree with the following conditions, no further action is necessary.

If you do not agree and wish to speak to the office regarding these conditions, please contact the office at 541-929-3167.
