ATTENDANCE

Please call the attendance hotline to report absences for your student. If you are planning to pick your student up from school, please allow 30 minutes for your call to be processed and for a pass to be delivered.

913-993-7845

Please leave the name of your student and spell the last name. State the time in which you will pick up your student and the reason for the absence. Thank you for your patience and cooperation.

IMPORTANT REMINDER - ATTENDANCE MATTERS

The first class of the day STARTS promptly at 7:40am. Students are welcome to arrive after 7am and breakfast is served starting at 7:15am.

We need EVERYONE'S cooperation to be here on time.

Students who understand the value of punctuality and attend school on time, **get better grades and enjoy a greater sense of well-being and confidence**

The school day ends at 2:40pm. Students should be off campus after 3:00pm unless they are under the direct supervision of a coach or sponsor.

Regular attendance is vital for student success.

- Your children can suffer academically if they miss 10 percent of the school year or about 18 days. That can be just one day every two weeks, and that can happen before you know it.
- Some absences are unavoidable. We understand that children will get sick and need to stay home occasionally. The important thing is to get your children to school as often as possible.
- Sporadic absences, not just those on consecutive days of school, matter. Before you know it – just one or two days a month can add up to nearly 10 percent of the school year.
- If too many absences occur, it is still a problem whether they are excused or unexcused because they represent too much lost learning time in the classroom.

We appreciate our students, parents, staff and community helping to prioritize the importance of coming to school and then making sure to arrive on time to each class throughout the day.

Thank you.

PARKING PERMITS

Sophomores, Juniors and Seniors are able to park on campus at SM West. A parking permit must be purchased and a parking sticker picked up from our Security personnel in the front entrance.

Parking is \$50 for the year.

It is extremely important that students only park in assigned areas for students, and not staff parking. Tickets will be assessed by our security staff. All rules and regulations are listed with the parking application. See the PDF below. Also included is a map of West parking.

The circled spots on the map are where students can park.

The X's indicate STAFF parking.

Students are excluded from parking in the staff spaces.

Please refer to parking guidelines and fee structure for parking enforcement.

STUDENT SERVICES NEWS

Dear West Student and Families,

We are looking forward to see you all back in the building soon! This is a reminder that your schedule is available for you to see in your Skyward account. When you view your schedule, you'll be able to see both first semester (term 1 and term 2) and second semester (term 3 and term 4) classes.

All students had until May 31st last spring to change their minds on the courses they chose and to notify us so we could make adjustments. At this point in time we are only making changes for the following reasons:

- Student does not have a full schedule (7 classes each semester).
- Student is missing an ELA, math, social studies or science class.
- Schedule shows two classes in the same class period. Please note: Some classes have two teachers for the same class in the same classroom, and this is not an error.
- Student does not meet the prerequisite for a specific course.
- Schedule shows a course the student has already taken and the course cannot be repeated for credit (only art and PE courses may be repeated for credit).
- Student did not take a summer school course and needs the course added to schedule
- Student needs a specific course to meet graduation requirements.
- Student did not pass a course and needs to make up that credit.

- Schedule shows a course you did not request (either as a first choice or an alternate class).

Reminder: If you are enrolled in an AP or Honors course, you are committing to that course for at least the fall semester. We can consider changes for the second semester. Not completing required summer work does not qualify you for a schedule change.

If one of the above situations applies to you, please use this form to notify us of the issue and needed changes. Form link: <https://forms.gle/UQgt3uVkPPCWSkjm7>

This link is also available on the SMWest Student Services Canvas page under

Announcements: <https://smsd.instructure.com/courses/22341>

We are only able to accept requests using the form during this very busy start of the year time period (rather than email or voice messages or meetings). Thank you for your understanding.

We are looking forward to seeing you all back in the building very soon!

Sincerely,

SMW Student Services Department

FROM OUR SM WEST NURSE

Please remember to complete the Skyward Health History and Medication Permission forms for each student through Family Skyward. We need updated Over the Counter (OTC) medication permission each year to dispense these medications to your student.

Please contact the Nurse Office if your student has had any medical changes since last school year.

The SM West Nurse will be at Back-to-School night—on August 24th—if students/families would like to drop off any medications, vaccination records and/or discuss any health changes.

Vaccination Requirements

We must have verification of a **completed MCV/ACWY vaccine (not meningitis B) for all Juniors by early October 2023**. A dose after turning 16 years old is required, regardless of receiving this same vaccine in middle school.

In addition, all students will need a minimum of 1 (one) dose of Hepatitis A to start school.

If records are not received by the first exclusion date on October 23rd, 2023 students will not be permitted to attend school until verification is provided.

Email vaccination records to: aciamorley@smsd.org, or make sure the vaccination record is submitted along with the sports physicals in the fall (if applicable). our Students Healthy

MACBOOK/IT - IMPORTANT

Many of our students were able to pick up their MacBooks during our Early MacBook Rollout.' If you received your device on July 25th, then please make sure to set Chrome as your default browser. Here is a link for instructions:

<https://docs.google.com/document/d/1UCo7L5B9PwmqDECiLayyb7r965hd9M1WxJfgynQgWqU/edit?usp=sharing>

Please make a diligent choice to take care of your MacBook each and everyday.

- **Cracked Screens**

- The screens to the new devices are very delicate. Please remind students not to pick up the device by the screen and do not close the device with something in it.

- **Tech Resource Page**

- We have a Tech Resource Page that assist students with tech issues that arise. Please bookmark this page. Link =>

<https://sites.google.com/smsd.org/smwtechrescue/tech-issue>

ICT Updates

We want to remind you of a few things now that we are back in the swing of the school year:

1. Your MacBook must have the district issued case on it at all times. (Failure to have the cover in place will result in confiscation of the MacBook.)
2. Please only carry your MacBook with the screen shut and with both hands to keep the machine secure.
3. Do not ever pick up the MacBook by the screen. The LCD is very sensitive and the pressure of your grip will break the screen.
4. Keyboard covers should not be used since non-Apple keyboard covers might be too large and can put pressure on the screens and cause damage.
5. Please don't leave your MacBook in a car overnight.
6. Needed programs can be found on Manager. You will not be able to download programs from the App Store for use on these devices.
7. Downloading VPNs (Virtual Private Networks) or other programs that mask your device on the network are a violation of the Responsible Use Policy you have agreed to. Use of these will result in the confiscation of the MacBook and you may MacBook access for the semester/school year for consistent violations.

8. Due to the MacBook refresh this summer and the cost of the new hardware, the replacement device cost has gone up. Although, the charger cost has dropped. The incident fees have stayed the same (fees reset in high school).

1. 1st Incident/Damaged Device fee: \$100.00
2. 2nd Incident/Damaged Device fee: \$150.00
3. 3rd and Subsequent Incident/Damage Device fee: Actual cost of repair/replacement or \$300.00 whichever is greater.
4. Apple MacBook Air M1 USB-C Cable Replacement - \$19
5. Apple MacBook Air M1 Charger Replacement - \$39
6. Apple MacBook Air M1 Adapter Set Replacement - \$58
7. Apple MacBook Air M1 Replacement/Lost Device fee - \$1,117.95

9. If you ever need help or support with your device, please review our Tech Rescue Page (<https://sites.google.com/smsd.org/smwtechrescue/tech-issues>). If you are still experiencing issues, then you can submit a Web Help Desk Ticket (<https://support.smsd.org>).

Please reach out if there are any questions or issues. We do work with students and families through this process.

Below you will find some helpful images to assist with Skyward and Canvas.

SMSD families can apply for Child Nutrition Meal Benefits after July 1st on School Café - <https://www.schoolcafe.com/SHAWNEEMISSION>.
- Transportation changes put in effect during the 2022-23 school year will remain in effect for the 2023-24 school year. This includes limiting high school routes to students residing over 2.0 miles from their school.
- Bus routes and stop locations will be determined based on those who register for busing. A minimum number of registrations (50 paid) is required in order to offer a route.
- **Annual transportation registration is required for students to receive bus service.**

For more information on Shawnee Mission School District transportation, please visit <https://www.smsd.org/families/transportation> or call DS Bus Lines at 913-384-1190.

In the event there are times throughout the year when routes are running late and notification is needed at the school and family level, we want to encourage you to sign up for Textcaster notifications. We have previously pushed a number of communications about this to families via school newsletters (with your assistance) as well as through district communications reminding of the availability to sign up for text notifications when routes are running late *or compressed with other buses*. **We encourage you to also sign up to receive text notifications as it is the fastest way to provide notice of any changes.**

Sign up for notifications at the following link: <https://my.textcaster.com/asa/2795> where you can select the route numbers pertaining to your school (you may select multiple bus routes). Additionally, we will do our best to provide you with updates as we receive them.
