ATTENDANCE

Please call the attendance hotline to report absences for your student. If you are planning to pick your student up from school, please allow 30 minutes for your call to be processed and for a pass to be delivered.

913-993-7845

Please leave the name of your student and spell the last name. State the time in which you will pick up your student and the reason for the absence. Thank you for your patience and cooperation.

IMPORTANT REMINDER - ATTENDANCE MATTERS

The first class of the day STARTS promptly at 7:40am. Students are welcome to arrive after 7am and breakfast is served starting at 7:15am.

We need EVERYONE'S cooperation to be here on time.

Students who understand the value of punctuality and attend school on time, **get better grades and enjoy a greater sense of well-being and confidence**

The school day ends at 2:40pm. Students should be off campus after 3:00pm unless they are under the direct supervision of a coach or sponsor.

Regular attendance is vital for student success.

- Your children can suffer academically if they miss 10 percent of the school year or about 18 days. That can be just one day every two weeks, and that can happen before you know it.
- Some absences are unavoidable. We understand that children will get sick and need to stay home occasionally. The important thing is to get your children to school as often as possible.
- Sporadic absences, not just those on consecutive days of school, matter. Before you know it – just one or two days a month can add up to nearly 10 percent of the school year.
- If too many absences occur, it is still a problem whether they are excused or unexcused because they represent too much lost learning time in the classroom.

We appreciate our students, parents, staff and community helping to prioritize the importance of coming to school and then making sure to arrive on time to each class throughout the day.

Thank you.

TIPS FOR A SUCCESSFUL YEAR FROM YOUR VIKING SOCIAL WORKERS

- Touch base with your teen regularly to communicate your love & support.
 - Guide them in developing organizational tools to track their school & home tasks.
 - Keep communication open with no judgment.
 - Talk about social media use; have electronic free times at home where you interact face to face.
 - At the end of each week, ask your teen what they did well, what they want to do better.
- Teens need adult guidance and support so that they can grow into independent young adults.

FROM OUR SM WEST NURSE

Hello,

I wanted to share a “refresher” on Covid Guidelines for everyone as we head into this fall. These are also guidelines that apply to Influenza A & B.

- Day 0: the 1st day of symptoms or test positive day
- Counting from Day 0—a person is then out of school for 5 days.
- Day 6—may return to school if no ongoing symptoms and no fever in the previous 24 hours.
- Day 6-10—highly recommended and encouraged to mask.
- Students do not need to stay home for exposure to Covid—only if they have symptoms or test positive.

For more information you can refer to the following link:

<https://www.smsd.org/about/departments/health-services/coronavirus-or-covid-19-information>

- Please reach out with any questions or concerns—sometimes email is the best:

MACBOOK/IT - IMPORTANT

Many of our students were able to pick up their MacBooks during our Early MacBook Rollout.' If you received your device on July 25th, then please make sure to set Chrome as your default browser. Here is a link for instructions:

<https://docs.google.com/document/d/1UCo7L5B9PwmqDECiLayyb7r965hd9M1WxJfgynQgWqU/edit?usp=sharing>

Please make a diligent choice to take care of your MacBook each and everyday.

- **Cracked Screens**

- The screens to the new devices are very delicate. Please remind students not to pick up the device by the screen and do not close the device with something in it.

- **Tech Resource Page**

- We have a Tech Resource Page that assist students with tech issues that arise. Please bookmark this page. Link =>

<https://sites.google.com/smsd.org/smwtechrescue/tech-issue>

ICT Updates

We want to remind you of a few things now that we are back in the swing of the school year:

1. Your MacBook must have the district issued case on it at all times. (Failure to have the cover in place will result in confiscation of the MacBook.)
2. Please only carry your MacBook with the screen shut and with both hands to keep the machine secure.
3. Do not ever pick up the MacBook by the screen. The LCD is very sensitive and the pressure of your grip will break the screen.
4. Keyboard covers should not be used since non-Apple keyboard covers might be too large and can put pressure on the screens and cause damage.
5. Please don't leave your MacBook in a car overnight.
6. Needed programs can be found on Manager. You will not be able to download programs from the App Store for use on these devices.
7. Downloading VPNs (Virtual Private Networks) or other programs that mask your device on the network are a violation of the Responsible Use Policy you have agreed to. Use of

these will result in the confiscation of the MacBook and you may MacBook access for the semester/school year for consistent violations.

8. Due to the MacBook refresh this summer and the cost of the new hardware, the replacement device cost has gone up. Although, the charger cost has dropped. The incident fees have stayed the same (fees reset in high school).

1. 1st Incident/Damaged Device fee: \$100.00
2. 2nd Incident/Damaged Device fee: \$150.00
3. 3rd and Subsequent Incident/Damage Device fee: Actual cost of repair/replacement or \$300.00 whichever is greater.
4. Apple MacBook Air M1 USB-C Cable Replacement - \$19
5. Apple MacBook Air M1 Charger Replacement - \$39
6. Apple MacBook Air M1 Adapter Set Replacement - \$58
7. Apple MacBook Air M1 Replacement/Lost Device fee - \$1,117.95

9. If you ever need help or support with your device, please review our Tech Rescue Page (<https://sites.google.com/smsd.org/smwtechrescue/tech-issues>). If you are still experiencing issues, then you can submit a Web Help Desk Ticket (<https://support.smsd.org>).

Please reach out if there are any questions or issues. We do work with students and families through this process.

TRANSPORTATION UPDATE

ALL Students must be registered with DS Bus Lines in order to ride the bus.

Please note the following important information for 2023-24 busing:

- Bus registration may be found at the following link: [DS Bus Lines registration](#)
- 2023-24 bus fees will remain the same as the prior year.
 - \$185/semester/student or \$370/year/student
- Any student attending their home school and living 2.5 miles or more from the school qualifies for free busing. **Registration is required.**
- Students who qualify for the Child Nutrition Meal Benefits – free and reduced priced meals may also qualify for free transportation, and enroll to ride existing routes. When registering, please provide a copy of the Child Nutrition Meal Benefits Eligibility letter to DS Bus Lines to complete the enrollment process. SMSD families can apply for Child Nutrition Meal Benefits after July 1st on School Café - <https://www.schoolcafe.com/SHAWNEEMISSION>.
- Transportation changes put in effect during the 2022-23 school year will remain in effect for the 2023-24 school year. This includes limiting high school routes to students residing over 2.0 miles from their school.
- Bus routes and stop locations will be determined based on those who register for busing. A minimum number of registrations (50 paid) is required in order to offer a route.
- **Annual transportation registration is required for students to receive bus service.**

For more information on Shawnee Mission School District transportation, please visit <https://www.smsd.org/families/transportation> or call DS Bus Lines at 913-384-1190.

In the event there are times throughout the year when routes are running late and notification is needed at the school and family level, we want to encourage you to sign up for Textcaster notifications. We have previously pushed a number of communications about this to families via school newsletters (with your assistance) as well as through district communications reminding of the availability to sign up for text notifications when routes are running late *or compressed with other buses*. **We encourage you to also sign up to receive text notifications as it is the fastest way to provide notice of any changes.**

Sign up for notifications at the following link: <https://my.textcaster.com/asa/2795> where you can select the route numbers pertaining to your school (you may select multiple bus routes). Additionally, we will do our best to provide you with updates as we receive them.
