

Southeast Elementary

2023-2024 BSIP Goals & Action Steps

AVID GOAL

Strategy 1: Southeast staff will deploy MTSS: Expand and systemize intervention processes K-12 for reading and math.

Strategy 2: Fully Deploy a plan to implement AVID schoolwide K-12.

- Students will use the different processes of Note-Taking.
- Knowing the different levels of Costa's Questioning
- Implementing critical thinking strategies
- Use writing to process content
- CCR clubs and college t-shirt day
- One-pager of AVID for new staff

CRE GOAL

Strategy 3: Southeast staff will implement culturally responsive education practices.

Strategy 5: Develop a chart of work to implement the DEIB Drivers and Narratives.

- Create ways to help staff, students, and families have a sense of belonging at Southeast.
- Create school wide leadership roles for students.
- Create strategies to increase attendance
- Implement a culture tree to represent our community at Southeast.

PBIS GOAL

Strategy 1: Southeast staff will deploy MTSS: Expand and systemize intervention processes K-12 for reading and math.

Strategy 4: Implement a preK-12 social emotional learning curriculum.

- Expected behaviors are explicitly taught in all areas of the school.
- Use student voice to encourage expected behaviors.
- Conduct bootcamp lessons throughout the year to encourage expected behaviors.
- Communicate with parents when students are showing expected behaviors.
- Provide students with specific positive feedback.

Vision: Believe, Achieve, Lead, Superstars Succeed.

Mission: Southeast Superstars believe that empowering and respecting our community of diverse life-long learners we can all grow, lead, and achieve success.
