CRYSTAL LAKE CENTRAL HIGH SCHOOL SUMMER NEWSLETTER 2023

Welcome to Crystal Lake Central High School – Home of the Tigers!

We are very excited to welcome everyone back for the 2023-24 school year, especially our new Class of 2027 Tigers!

This year we celebrate 100 Years of Tradition & Excellence. Crystal Lake Central has continued to flourish and develop over the last ten decades. We have grown from an original class of 40 in 1924 to the 375 graduates we honored this past year. We went from the CLC Lakers to the Tigers in 1928 and began to establish our Tiger Pride tradition. Please join us for our 100th-Year Kick-Off Celebration on September 16th, 2023. More information to come.

We will again work toward encouraging students to participate within our Crystal Lake Central community. We will start the year focused on building and nurturing strong and positive relationships in the school environment. We hope to create the following four mindsets in our students:

- I can succeed at this
- I belong in this community
- This work has value for me
- My ability increases with my effort

Last year we introduced our new Career Experience Program along with SchoolLinks to track career experiences. This will allow your students to explore new individual pathways and enroll in courses that align with that pathway. At Crystal Lake Central, your student's educational experience will be personalized to align with the D155 mission of "Enter with Promise. Leave with Purpose."

We are very excited to showcase some of the building improvements that were completed over the summer. We renovated and upgraded our Nurse's Office, installed a new ADA lift, and installed a new Blue Light-Rapid Emergency Response System.

Lastly, we look forward to sharing our culture of Tiger Pride with our students and families.

Sincerely,
Dr. Eric Ernd
Principal

SCHOOL PROCEDURES

ATTENDANCE

Because irregular or poor attendance denies the student opportunities to maximize benefits from teachers and fellow students, the following policies have been adopted:

- A parent or guardian must call the school each day a student misses all or part of his/her school day.
- You may leave information on the automated voicemail system 24 hours a day, or you may call the switchboard between the hours of 7 a.m. and 4 p.m.
- Written notes are not acceptable to excuse absences.
- A student is only allowed NINE days of absence without question, per semester, provided there is a call from a parent. (*Note: Absences that are valid and accompanied by supporting documentation are not counted toward the nine days of absence.*) Please see the student handbook or the website for further information.

24-Hour Attendance Hotline:
(815)-455-8507

CELL PHONE USE

Central students are allowed to use their cell phones ONLY during passing periods and their lunch period. All other times the phone must be OFF AND PUT AWAY. If a student's phone rings or they are using it during non-designated times, it will be taken by the teacher and given to the dean. On the first offense, the student may pick up their phone after school and will receive a two-hour detention. The second offense will be a two-hour detention and a parent will have to pick up the phone. For three or more offenses, additional discipline may be given.

ATTENDANCE NOTIFICATIONS

Central will use an automated calling system to alert parents when their student is considered absent/ truant. The notification system also allows the school to communicate via text message. Parents and guardians who gave permission to be called and/or texted and provided a mobile phone number during online registration will receive attendance notifications. Parents and guardians can revoke this consent at any time by notifying Shannon Podzimek, director of communications, spodzimek@d155.org, or by following the instructions in the automated phone call or text messages. Please ensure that your primary number stays up-to-date throughout the year so that we can provide you with pertinent information if necessary.

EMERGENCY ALERT NOTIFICATIONS

District 155 uses an automated calling system to alert parents of emergency situations including weather closings. In most cases, the system uses the primary phone number listed in Family Access. Please ensure that your primary number stays up-to-date throughout the year so that we can provide you with pertinent information if necessary.

SCHOOL PROCEDURES

SCHOOL VISITORS

Parents or others visiting during the school day should:

- Park in a “Visitors” space.
- Enter the building through the main door.
- Press the button to be buzzed in.
- Sign in at the greeter’s desk in the office.

For the school’s security, all visitors must present a valid driver’s license or state ID to be scanned through a national database. You must leave your license/ID at the front desk while visiting Central, and it will be returned to you upon check-out.

STUDENT PARKING

Due to limited space, only juniors and seniors may park in the student lot. A permit must be purchased at the cost of \$150.00. Permits are limited. Emergency, one-day parking privileges are available for \$5.00 per day. Please see the deans’ secretary for details.

DRIVER EDUCATION

State law requires that no student be permitted to take driver’s education courses unless he/she has received a passing grade in at least eight credit-carrying courses during the previous two semesters of school. All students enrolled in Behind-the-Wheel driver’s education must pay a \$250.00 fee due at registration plus the Secretary of State permit fee of \$20.00 due on the first day of class. Students will fill out the permit application on the first day of class.

SCHOOL LUNCHES

District 155 allows students to use their ID card to make cafeteria purchases. The cashless purchase program allows a student/parent to add money to the ID by clicking the “Food Service” link in Skyward Family Access.

LUNCH RELEASE

Seniors and juniors may be granted lunch release privileges with their parent’s/guardian’s permission. Lunch release forms can be picked up during distribution day and returned on the first day of school.

No freshmen or sophomores are allowed to leave campus during lunch. If a student chooses to violate this rule, consequences may include a four-hour detention for the first offense.

FREE OR REDUCED LUNCH FEE WAIVERS

Applications should be completed and returned before registering your student for school. If you have a Medicaid, SNAP, or TANF number you should receive a letter in the mail regarding your direct certification of lunch benefits and approval for waiver of fees. You will need to bring that letter with you to your assigned Distribution Day. If you have any questions regarding the direct certification process or about the forms, please call the Student Services Office at 815-459- 2505, ext. 2249. If you do not receive a direct certification letter and would like to apply for fee waivers, forms will be available on the CLC website on July 17 for your convenience, please complete this process prior to registration.

STUDENT HANDBOOK

The student handbook includes all school rules and regulations on academics, student conduct, student attire & dress, attendance, transportation, athletics, and activities.

Parents and students must become familiar with the content of the student handbook, which is available on the school’s website. All students will be held accountable for the information found in the handbook, which is available on our [website](#).

EXTRACURRICULAR ACTIVITIES

WHAT WILL YOU JOIN?

For freshmen, new students, and those looking to explore new options, many questions revolve around extracurricular activities. Most students find that being involved in activities makes school more fun, helps them do better academically, and looks great on a resume when applying for jobs, college, awards, and scholarships! Encourage your student to check out the website for a description of each activity as well as check the announcements. Most organizations post “beginning of the year” meeting information on hallway walls in visible locations. Below is a list of activities, sponsors, and their email addresses. Students should contact the sponsor via email with questions or seek them out once school starts.

President: Kate Krallitsch
Vice President: Lexie Carlson

Secretary: Anita Witt

The CLC Boosters meet the first Wednesday of the month at 7:30 p.m. in the school library. The next meeting is Wednesday, August 16. For more info on the Boosters, visit clcboosters.org, like us on Facebook, Crystal Lake Central Boosters, or contact Kate Krallitsch at clcboosterprez@gmail.com.
