The teacher should fill in the building state test results, above, as follows:

Teacher's Signature/Date

Secondary: the subject taught should be listed in the space provided and state testing data (percent of students scoring Advanced, Proficient, Basic, and Below Basic) should be entered in the indicated section on the form if the teacher teaches in a state tested grade/subject.

Administrator's Signature/Date

Elementary: State testing data (percent of students scoring Advanced, Proficient, Basic, and Below Basic) for ELA and MA should be entered in the indicated sections on the form.
