Junior Annalise Delgado attended Chaffey High School and graduated this year from our Law Enforcement Occupations program. She believes this course gives students experience with leadership, critical scenarios, and helps build physical endurance. She signed up for Law Enforcement Occupations because she was interested in a career within this field. The course was different from what she had expected because it consisted of physical activity, hands-on scenarios, and visits from guest speakers. Her goals are to obtain a bachelor's degree, work as a mechanical engineer, and travel. She recommends taking an ROP course because "I believe it is important for students because it provides many individuals with opportunities to understand several professions, get a head start in one's future career, and builds social skills."

Congratulations on completing the Law Enforcement Occupations Program, Annalise!

Maritza Fajardo attended Don Lugo High School and graduated this year from the Registered Dental Assistant program. Her classmates describe her as caring, calm, humorous, and respectful. She recommends taking an ROP course because it provides hands-on skills needed to be successful in whichever career you choose. Her future plans are to take the RDA State Board Exam, obtain an Orthodontic Certification, and work at the Alpez Dental Office. Congratulations on completing the Registered Dental Assistant Program, Maritza!

Kevin Conde attends Claremont High School and completed the Game Programming 2 program with Instructor Brent Gilson. Kevin's main motivation for enrolling in the course was to prepare himself for a future career and expand his knowledge in the industry. Mr. Gilson describes him as a high speed learner and very creative with gaming and programming applications. His plan for the future is to continue to learn how to code and has goals for entrepreneurship. Congratulations on completing the Game Programming 2 program, Kevin!

Francis Colon attends Upland High School and completed the Emergency Medical Responder (EMR) 2 program with instructor, John Campbell. Francis has a strong focus on helping people and a passion for a career in medicine. In this course, he learned new and innovative techniques such as rolling and aspirating patients on a spine board as well as advanced patient assessment techniques. He hopes to join the Navy as a combat surgeon and decided he should prepare now with the EMR course. Congratulations on completing the Emergency Medical Responder 2 program, Francis!

Thank You

On Memorial Day, let us honor those who gave their lives for our country. Our deepest gratitude for the ultimate sacrifice of our fallen heroes.

Memorial Day was officially established as a national public holiday in 1868 by General John A. Logan, head of a group of Union Veterans. The holiday was originally called Decoration Day-named for the decoration of soldiers' graves-but the name gradually changed until it officially became Memorial Day in 1967. LGBTQ PRIDE MONTH 2022

In 1924, Henry Gerber founded the Society for Human Rights. The society was the first documented gay rights organization in the United States. To learn more visit: <https://bit.ly/3cDjAhQ>

June TEENTH FREEDOM DAY

Juneteenth celebrates the end of slavery in the United States. It is also known as Emancipation Day, Juneteenth Independence Day, and Black Independence Day. On June 19, 1865, Major General Gordon Granger arrived in Galveston, TX, and announced the end of the Civil War and the end of slavery. Although the Emancipation Proclamation came 2½ years earlier on January 1, 1863, many slave owners continued to hold their slaves captive after the announcement, so Juneteenth became a symbolic date representing African American freedom. Happy 4th of July!

Independence Day

The 4th of July did not become a federal holiday until 1970. The first Independence Day celebrations took place on July 8, 1776, in Philadelphia. It featured a public reading of the Declaration of Independence, announced by the ringing of the Liberty Bell. To learn more visit <https://bit.ly/3xamGSO>
